The Haymarket Theatre Cyril Maude, 2015-07-06 Excerpt from The Haymarket Theatre Some Records Reminiscences We have given this book the sub title of Some Records and Reminiscences for the very excellent reason that it exactly describes it No attempt has been made to write a serious history and we have only tried to deal with those periods of the theatre s life that are in our opinion interesting or entertaining If our sins of commission are many our sins of omission are of far greater number but in the latter case we have sinned with intention Our debts to authors past and present and to almost numberless friends are far too heavy to be repaid by a mere prefatory recital of their names We would simply beg the reader believe that without them we could never have put pen to paper an undoubted fact which will go far to prove the gratitude we feel so strongly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
