Straight Up Hope Sheila Andrien,2008-07-18 This is a book of overcoming grace and peace through Jesus when the cards seem stacked against you When people seem mean and you have given up on being happy that would be the time to read this book We all get discouraged and the points I want to make in this book are that crabby and miserable are choices You have to decide if you want to experience life or just exist Deuteronomy is an excellent example of this After 40 years of wandering and grumbling Moses asked his people do you want to enter the Promised Land or do you want to stay in the wilderness He said I am a dying man I am imploring you to look to God and get it right This would be what I am trying to achieve through this book I want you to know that I understand grumbling complaining and hopelessness I also understand freedom in Christ and want to offer it to you James 1 2 4 Consider it pure joy my brothers whenever you face trials of many kinds because you know that the testing of your faith develops perseverance Perseverance must finish its work so that you may be mature and complete not lacking anything
