God's Autopsy and the Living Truth of Soul Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself

The Truth Hurts Nancy Pickard, 2002-07-02 With *The Whole Truth* and *Ring of Truth* award winning author Nancy Pickard introduced the intrepid Marie Lightfoot a gutsy and charismatic true crime writer and kicked off a sensational new series that sealed her reputation as one of today's top practitioners of chilling fast paced and original thrillers Detroit Free Press Now Marie Lightfoot faces an unusually challenging case because this time it's personal painfully so as it concerns the central mystery of her life her parents disappearance My dear Marie Do you give any thought to life after death They say that when dead people hover around the living it is because they are stuck at the place where they died They can't move on I hope for your sake that doesn't happen to you Marie because I don't think you'll want to linger in the place where I will kill you When the first E mail arrives it seems like a joke A man writes that he loves Marie's work and wants her to collaborate with him by becoming his victim and writing a book about her own murder right up to the moment of her death If she doesn't cooperate he promises he will hurt someone close to her Marie is merely unsettled until more threatening E mails arrive and the young children of her lover State Attorney Franklin DeWeese become targets of vicious pranks Until the police can apprehend her tormentor Marie has no choice but to play along following her co author's instructions to write her life story and return to her birthplace a small town in Alabama There Marie seeks out a group of the town's most prominent citizens Forty years ago they worked clandestinely in the civil rights movement alongside her parents who disappeared during the explosive summer of 1963 Trying to untangle the divided loyalties secrets lies and misunderstandings that have obscured the truth about her parents Marie races to unravel the secrets of the past and outwit a killer before she is forced to write her final page Filled with rich characterizations steadily escalating suspense and a rare
