Underground Warfare Daphné Richemond-Barak, 2018 Underground warfare a tactic of yesteryear has re emerged as a global and rapidly diffusing threat This book is the first of its kind to examine tunnel warfare in a systematic and comprehensive way addressing the legal issues while keeping in mind operational and strategic challenges Like many other aspects of contemporary warfare the renewed use of the subterranean in armed conflict presents a challenge for

democracies wishing to abide by the law To Dr Richemond Barak this challenge has not only been under explored it is also largely underestimated by the community of states security experts and public opinion She analyzes traditional concepts of the laws of war as they relate to tunnels and underground operations contemplating questions such as whether tunnels constitute legitimate targets the assessment of proportionality in anti tunnel operations and the availability of advanced warning in this complex terrain She also identifies issues that are unique to underground warfare including those that arise when cross border tunnels burrow under a state s own civilian infrastructure

The Dinosaur Conspiracy Matthew Coleman,2013-01-15 Its a race to seek the truth as Cathy Jurkovich John Bush and Carl Bennet travel the world to unravel one of mankind's greatest mysteries But a dark foreign government organization is bound to stop the three at all costs The closer that Cathy John and Carl are to the truth the more dangerous the journey becomes as each must not only battle the terror hunting them down but also their personal fears and shortcomings With the backing of a secret organization known as the Twelve the three must overcome the greatest lie in human history
