Terrorism Reducing Vulnerability And Improving Resistance:

Terrorism: Reducing Vulnerabilities and Improving Responses Russian Academy of Sciences, National Research Council, Policy and Global Affairs, Development, Security, and Cooperation, Office for Central Europe and Eurasia, Committee on Counterterrorism Challenges for Russia and the United States, 2004-06-23 This book is devoted primarily to papers prepared by American and Russian specialists on cyber terrorism and urban terrorism It also includes papers on biological and radiological terrorism from the American and Russian perspectives Of particular interest are the discussions of the hostage situation at Dubrovko in Moscow the damage inflicted in New York during the attacks on 9 11 and Russian priorities in addressing cyber terrorism , **Building Terrorism Resistant Communities** S. Ekici, A. Ekici, D.A.

McEntire, 2009-08-12 This book includes the proceedings of the North Atlantic Treaty Organization's NATO 2008 Advanced Research Workshop ARW The goal of the meeting was to explore methods to involve the community in the fight against terrorism in an effort to enhance its protection from terrorist attacks and to establish a network between the participants for future collaborations The two main topics of this book are 1 Defining the problem of terrorism and collective community protection why does terrorism exist and why do people join and or support extremist groups 2 Counter terrorism practices and their relation to the community focused on developing non orthodox methods to combat terrorism In other words why communities should be included in the fight against terrorism This book should be seen as a guide for policy makers and practitioners to gain a better understanding of how counter terrorism as well as many other applications requires community support and involvement to the fullest extent possible Because the existing threat of terrorism is proof of the failed classical militaristic approaches the time has come to integrate our communities into the practice of fighting the threat together
