The Test Match Year 1996-97 Frith,1997 Provides full statistical coverage of the complete test year including all test matches played around the globe The year begins with England v India in June 1996 and ends with Australia s last home game in May 1997 The book includes match reports and scores of all matches averages for all series up to date career records of current players all time career averages and short biographical notes on all players involved during that year

Silence Of The Heart David Frith,2011-12-16 Cricket has an alarming suicide rate Among international players for England and several other countries it is far above the national average for all sports and there have been numerous instances at other levels of the game For thirty years celebrated cricket author David Frith has collected data on this sad subject Silence of the Heart is his compelling account of over a hundred cricketers involving top names from the past hundred years who have taken their own lives with an explanation of factors that led to their premature deaths Can the shocking rate of self destruction among cricketers be reduced Can those who run the game do something to save its participants from this dreadful fate These are among the questions addressed within this catalogue of biographies But the key question is whether cricket itself is to blame for its losses or is that this summer game attracts people of a melancholic and over sensitive nature Stoddart Shrewsbury Gimblett Bairstow Trott Iverson Robertson Glasgow Barnes There remains a sense of disbelief that these high profile cricketers killed themselves And many more cases are examined in this extraordinary book which comes crammed with detail is not devoid of humour and must rank among the most intricately researched volumes in cricket s extensive library With a foreword by former England captain Mike Brearley now a psychotherapist Silence of the Heart is a startling investigative narrative covering the phenomenon of cricket s unduly high level of suicide

The success story of Indian Cricket Dr.S.RAMARATNAM,2020-07-27 **A Tall Order** Kapil Pathare,2018-03-01 There is a lot to learn from this league of extraordinary gentlemen They make such fine ambassadors of this great country of ours While picking these 10 cricketers I did not have to think much because each of these gentlemen have made an impact on our lives in the last 25 years Whether it is the Fabulous Four of Sachin Tendulkar Rahul Dravid Sourav Ganguly and VVS Laxman or the spin duo of Anil Kumble and Harbhajan Singh fantastic Virender Sehwag flamboyant Yuvraj or the ever cool Mahendra Singh Dhoni or the magical Zaheer Khan they have all made an impact in different ways I have a lot to learn from each of these gentlemen because they have different qualities Tendulkars humility is a lesson for all of us Dravids steely resolve is worth emulating Ganguly and MS Dhoni offer contrasting lessons in leadership skills Similarly the fighting spirit of the spin pair of Kumble and Harbhajan or the devil may care attitude of Sehwag or the sheer natural ability of Yuvraj coupled with the self confidence of Zaheer All this has impacted me and no doubt billions of others As I compiled this book I was left wondering how wonderful it was for Indian cricket to have all these gentlemen play almost at the same time Very rarely have cricket teams been built around individuals who are the best at what they do It is indeed a

privilege and a honour to have seen these extraordinary cricketers in the same era One can learn so much from simply playing back their exploits The videos of their efforts still make for compelling viewing As you would imagine I am a complete cricket nut For me nothing else mattered It therefore felt great to compile my thoughts on these 10 extraordinary cricketers
