Q.** Douglas H. Ruben,2002-07 Ruben provides a complete survival kit on how to meet date and romance sexual partners This easy to read book can increase sexual aptitude with secrets of finding eager partners why they are eager and what turns them on **Sex + Faith** Kate Ott,2013-08-19 Talking with your child about sex can be scary Sex Faith helps parents incorporate their faith values with sexual information so they can answer questions discuss sexuality at each stage of childhood and show support of sexual differences Section one explains how faith relates to sexuality and the essential role parents play in forming healthy faithful sexual children The second section designates a chapter for four age groupings of children from infancy through high school Each chapter explains the biological and developmental issues of the age answers questions children tend to have provides relevant Biblical and faith stories helpful to discuss with children of that age and lists five to ten key educational issues for parents to keep in mind Shaded text boxes are interspersed throughout the book with real life practical questions that parents and children ask Expertly written by Kate Ott Sex Faith is an easy to use reference guide for parents of kids of all ages *Evaluate Yourself Sex , The Truth About Sex* Kay Arthur,2009-02-19 What s the Big Deal About Sex Birds do it Bees do it And when you turn on the television log on to the Internet or watch a movie you can t help but notice that everyone else seems to be doing it too Our culture has embraced the message that sex is just a basic bodily function as irresistible and harmless as satisfying your hunger and thirst But is it Or have we bought into a lie that is rapidly corroding our souls and our society When it comes to sexuality you can t ignore the Manufacturer s directions and escape unharmed That s why everyone teen or adult single or married needs to know The Truth About Sex This compelling interactive study provides an antidote to the world s subtle yet insidiously dangerous lies You ll learn why God created sex in the first place what happens when you don t follow His design why virginity matters what consequences follow sex outside of marriage how to find healing if you ve been harmed because you or someone else violated God s instructions With this knowledge comes the power to stand firm resisting the pull of temptation Whatever your past whether you ve remained sexually pure or endured the pain of misusing God s precious gift you ll find your eyes opened and your life transformed as you discover for yourself The Truth About Sex Includes a companion study guide for personal use or group discussion **The Love Exam** Rita Aero,Ellyot A. Weiner,1984 *Sex, Feminism and Lesbian Desire in Women's Magazines* Kate Farhall,2020-09-14 This book examines evolving pop culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women s sexuality In charting changes in the sex and relationship content of women s magazines over time this analysis reveals that despite surface level changes in sexual and relationship content the underlying paradigm of hetero monogamy remains

unchanged Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines in reality such feminist rhetoric masks an enduring model of sexuality which rests on women s sexual and emotional maintenance of male partners and their own self objectification and self surveillance Where substantive changes can be identified they rise and fall in tandem with feminism By demonstrating this empirical relationship between cultural products and feminist organising the book validates an assumption that has rarely been tested that a feminist social milieu improves cultural narratives about sexuality for women Sex Feminism and Lesbian Desire builds on ground breaking feminist texts such as Susan Faludi s Backlash to present an empirically focused comprehensive study interrogating changes in content over the lifetime of women s magazines By charting the representation of sex and relationships in two women s magazines Cosmopolitan and Cleo since the 1970s through an analysis of over 6 500 magazine pages and 1 500 articles this timely work interrogates and ultimately complicates the apparent linear progression of feminism This book is suitable for researchers and students in women s and gender studies queer studies LGBT studies media studies cultural studies and sociology

Diagnostic Controversy Carolyn Smith-Morris,2015-08-20 This collection is dedicated to the diagnostic moment and its unrivaled influence on encompassment and exclusion in health care Diagnosis is seen as both an expression and a vehicle of biomedical hegemony yet it is also a necessary and speculative tool for the identification of and response to suffering in any healing system Social scientific studies of medicalization and the production of medical knowledge have revealed tremendous controversy within and factitiousness at the outer parameters of diagnosable conditions Yet the ethnographically rich and theoretically complex history of such studies has not yet congealed into a coherent structural critique of the process and broader implications of diagnosis This volume meets that challenge directing attention to three distinctive realms of diagnostic conflict in the role of diagnosis to grant access to care in processes of medicalization and resistance and in the transforming and transformative position of diagnosis for 21st century

global health Smith Morris's framework repositions diagnosis as central to critical global health inquiry The collected authors question specific diagnoses e.g. Lyme disease Parkinson's andropause psychosis as well as the structural and epistemological factors behind a disease's naming and experience **Women and the Media** Maggie Andrews, Sallie
