## **Testing Students With Disabilities Practical Strategies For Complying With District And State Requirements:**

*Testing Students With Disabilities* Martha L. Thurlow, Judy L. Elliott, James E. Ysseldyke, 2003 Updated Edition of Best Seller *Testing Students With Disabilities* is firmly grounded in the cutting edge research the authors have conducted for nearly three decades. They have done a brilliant job of treating a very complex topic in a most readable logical and understandable way. Donald Deshler, Professor of Special Education, University of Kansas. *Testing Students With Disabilities* is a must buy for individuals involved in the education of students with disabilities whether they are currently acting as or studying to be service providers. My hat is off to the authors for breaking down this critical information in a way that is understandable and easy to share. Sue Gamm, Chief Specialized Services Officer, Chicago Public Schools. This is a seminal work on the how to of testing assessment and accountability for students with disabilities. Not only do the authors help bring this most important topic into clarity but they also share practical ways to implement their suggestions immediately by providing the tools to get started. Alice D. Parker, Assistant Superintendent of Public Instruction, California Department of Education. The definitive resource on everything you need to know and do about assessing special needs students now expanded and improved. An increased focus on educational accountability and testing coupled with mandates put forth in the Elementary and Secondary Education Act (ESEA) and the Individuals with Disabilities Education Act (IDEA) make it crucial that every district and school professional is well versed in meeting the assessment requirements for all students. The enhanced second edition of *Testing Students With Disabilities* covers everything from maximizing the Individualized Education Program (IEP) and fostering successful collaboration among educators, administrators and parents to optimizing assessment accommodations and using test scores to improve instruction. Other new and expanded topics include Requirements of IDEA and ESEA, Students with disabilities who are English Language Learners, Electronic and online testing, Alternate assessments, Use of assessment results, Access to the general curriculum. The timely update of this popular guide offers the specific tactics, concrete examples and user friendly information necessary to effectively and meaningfully include students with disabilities in district and state assessment systems. It features an array of indispensable tools such as reproducible forms, checklists, handouts and overheads, a comprehensive list of national and regional technical assistance and dissemination networks and techniques for conducting staff development.
