**How to Test the Spirits to See If They Are of God** Marc Montgomery, 2017-05-06 The purpose of this publication is to help all Christians who are heading to the time when they will hear the above words from Christ to escape by jumping out of their Christian ship or ark and jump right into the ark prepared by Christ Himself so that the above words may be replaced by the words of Christ where He says welcome all of you who have been blessed by My Father into the Kingdom which was prepared for you long before the creation of the world You will also know why and where most of today's prophets and apostle in the churches of Christ are actually deceived and operating through false holy spirits while they use the Name of the Lord Jesus just as the true believers do The false doctrines which result from the twisting of scriptures are a gate which opens Christians lives to lying spirits and false holy spirits as it is the case with many churches of Christ today You are given a long list of Biblical check points to determine if the Holy Spirit you are involved with is the One who worked through the Apostles of Christ or if it is just a counterfeit which acts like the true Holy Spirit of Christ the best it can Try the Spirits, Or, Fair Play for the Other Side W. Second edition** Thomas PRESTON (Vicar of Swaffham Prior.),1855 The Spirit Says Ronald Herms,John R. Levison,Archie T. Wright,2021-10-25 The Spirit Says offers a stunning collection of articles by an influential assemblage of scholars all of whom lend considerable insight to the relationship between inspiration and interpretation They address this otherwise intractable question with deft and occasionally daring readings of a variety of texts from the ancient world including but not limited to the scriptures of early Judaism and Christianity The thrust of this book can be summed up not so much in one question as in four o What is the role of revelation in the interpretation of Scripture o What might it look like for an author to be inspired o What motivates a claim to the inspired interpretation of Scripture o Who is inspired to interpret Scripture More often than not these questions are submerged in this volume under the tame rubrics of exegesis and hermeneutics but they rise in swells and surges too to the surface not just occasionally but often Combining an assortment of prominent voices this book does not merely offer signposts along the way It charts a pioneering path toward a model of interpretation that is at once intellectually robust and unmistakably inspired *The Standard for Trying the Spirits and Their Revelations, Determined and Applied* S. *Reading Scripture in the Fellowship of the Spirit* Trevor Reynolds, 2019-02-19. How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture? How does the fact that the Spirit is characterized by *koinonia* impact upon this task? In light of this, do we read Scripture with too much of an individualistic mindset? In this new book, Dr. Trevor Reynolds addresses these questions, seeking answers primarily from within Scripture itself. He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit. How did they interpret Scripture with the help of the Spirit? He highlights their corporate Spirit-led hermeneutic with its challenge to our individualistic approaches. The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation. These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus' own Spirit-given example and legacy. In this book, New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit's help or speak of the Spirit's work of interpretation in a more general way. Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine, use, and custodianship of Scripture in the life and witness of the church today. The book concludes by pointing to the wide-ranging implications that reading Scripture in the fellowship of the Spirit poses for today's church.

It's a question many are asking, especially in these last days when dreams, visions, and new revelations seem to abound.
