Teton Sioux Music:

Teton Sioux Music Frances Densmore, 1918 Teton Sioux Music Frances Densmore, 1918 **World of the Teton Sioux Indians** Frances Theresa Densmore, 2016-06-01 Sometime in August 1913 two Sioux warriors Old Buffalo and Swift Dog met with Frances Densmore at a makeshift recording site in McLaughlin South Dakota What Old Buffalo and Swift Dog said that day about life as they knew it before the reservation era began lives on still in the pages of this fascinating book Densmore went on to interview numerous Sioux or Lakota Teton Lakota Sioux men and women collecting both their songs and their stories The present version is an abridged edition of Teton Sioux Music which according to William Powers is one of the few monographs universally regarded as a true classic of Lakota culture It has been skillfully edited to focus less on musical technicality and more on the cultural value of Densmore's work Its subjects include the Sun Dance dreams treatment of the sick military societies buffalo hunts and social dances Also included are over 130 color and black and white illustrations which further bring to life the world of the Teton Sioux *Teton Sioux Music (Classic Reprint)* Frances Densmore, 2015-07-21 Excerpt from Teton Sioux Music The analytical study of Indian music which the writer commenced among the Chippewa has been continued among the Sioux Those familiar with the two books already published will find no material change in method of treatment in the present volume We have but passed from the land of pine forests and lakes to the broad plains where the buffalo came down from the north in the autumn and where war parties swept to and fro The present volume contains tabulated analyses of 600 songs comprising the Chippewa songs previously published as well as the songs of the Teton Sioux By means of these tables the songs of the two tribes can be compared in melodic and rhythmic peculiarities In Bulletin 53 the Chippewa songs were grouped according to their use and descriptive as well as tabulated analyses disclosed resemblances between certain groups of songs having the same mental concept In the present memoir the comparison is based not on the use but on the age of the songs this series being divided for analysis into two groups one comprising songs believed to be more than 50 years old and the other comprising songs of more recent origin This analysis shows that the restrictions of civilization have had a definite effect on the structure of Sioux melodies In presenting Teton Sioux music the writer desires to acknowledge her appreciation of the valued assistance of her principal interpreter Mr Robert P Higheagle a member of the Sioux tribe and a graduate of Hampton Normal and Agricultural Institute as well as of the business department of Carnegie College Mr Higheagle's cooperation covered the entire period of collecting the Teton material and of preparing it for publication To this work he brought a knowledge of Sioux life and character without which an interpretation of their deeper phases could not have been obtained During Mr Higheagle's absence it became necessary to employ occasionally other interpreters whose aid is acknowledged in connection with the material which they interpreted The principal assisting interpreter was Mrs James McLaughlin whose courtesy is gratefully acknowledged The writer desires also to express her appreciation of the assistance cordially extended by the members of the staff of the Bureau of American
