

Texans Wager

Barry A. Crouch

Texans Wager:

The Texan's Wager Jodi Thomas, 2002-10-29 New York Times bestselling author Jodi Thomas takes readers to the Old West where an emotionally wounded man and woman discover the true nature of love and marriage in the first romance in the Wife Lottery series Thrown off a wagon train with two other women and trying to avoid jail for a murder they committed Bailee Moore agrees to enter a Wife Lottery a ploy concocted by the Cedar Point sheriff to secure wives for the men in the small Texas town For the sensible Bailee however marrying Carter McKoy is like exchanging one life sentence for another especially since her new husband hasn't even seen fit to utter a single word in her presence But still she can't help thinking that something about this strong silent farmer could be the key to leaving her troubled past behind and making a worthy wager with her heart **Texan's Wager** Jodi Thomas, 2002 *Outrageous Texans* Mona D. Sizer, 2008-06-27 When scandalous Texas tornado Miss Texas Guinan tried to take her burlesque review into Paris France not Texas the censors refused her entry into the country She and her troupe of 30 really ravishing blondes had performed their show for the entertainment of the passengers and crew of the steamship Paris in exchange for their passage across the Atlantic The dance that drew the most attention featured the girls dancing nude except for high heels and two large fans one held behind the back and one held over the front with the occasional fan closing accidentally Disappointed but not def **The Texans** Brett Cogburn, 2013 The great grandson of Western legend Rooster Cogburn the inspiration for the novel and film True Grit pens this saga of a young Texan out for revenge against the Comanches who killed his grandfather Nand to save the Comanche girl he loves Original **When a Texan Gambles** Jodi Thomas, 2003-10-28 In the second romance in the Wife Lottery series New York Times bestselling author Jodi Thomas tells an emotionally powerful story about a marriage of convenience that quickly turns into a marriage of two hearts It all started when she got thrown off the wagon train Now a crook is dead and Sarah Andrews has been raffled off in a Wife Lottery That seems bad enough until she discovers her new groom with a knife in his back He just barely survives and now if Sarah doesn't get him out of town fast someone is going to make sure Sam Gatlin doesn't live long enough to enjoy the honeymoon No matter what he may have done or how many enemies he has Sarah feels she owes him After all he saved her from a life in prison But never in her wildest dreams did she imagine that this dangerously attractive Texan would steal her heart and make her want to take the biggest gamble of all **Breakaway Americas** Thomas Richards Jr., 2020-04-21 A reinterpretation of a key moment in the political history of the United States and of the Americans who sought to decouple American ideals from US territory Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University Most Americans know that the state of Texas was once the Republic of Texas an independent sovereign state that existed from 1836 until its annexation by the United States in 1846 But few are aware that thousands of Americans inspired by Texas tried to establish additional sovereign states outside the borders of the early American republic In Breakaway Americas Thomas Richards Jr examines six such attempts and the

groups that supported them patriots who attempted to overthrow British rule in Canada post removal Cherokees in Indian Territory Mormons first in Illinois and then the Salt Lake Valley Anglo American overland immigrants in both Mexican California and Oregon and of course Anglo Americans in Texas Though their goals and methods varied Richards argues that these groups had a common mindset they were not expansionists Instead they hoped to form new independent republics based on the American values that they felt were no longer recognized in the United States land ownership a strict racial hierarchy and masculinity Exposing nineteenth century Americans lack of allegiance to their country which at the time was plagued with economic depression social disorder and increasing sectional tension Richards points us toward a new understanding of American identity and Americans as a people untethered from the United States as a country Through its wide focus on a diverse array of American political practices and ideologies Breakaway Americas will appeal to anyone interested in the Jacksonian United States US politics American identity and the unpredictable nature of history

For the Liberty of Texas Ralph Bonehill,1900

Romance Fiction Kristin Ramsdell,2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of *Romance Fiction A Guide to the Genre* published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have

Historic Texas from the Air David Buisseret,Richard Francaviglia,Gerald Saxon,Jack W. Graves, Jr.,2009-06-01 The extremely varied geography of Texas ranging from lush piney woods to arid mountainous deserts has played a major role in the settlement and development of the state To gain full perspective on the influence of the land on the people of Texas you really have to take to the air and the authors of *Historic Texas from the Air* have done just that In this beautiful book dramatic aerial photography provides a complete panorama of seventy three historic sites from around the state showing them in extensive geographic context and revealing details unavailable to a ground based observer Each site in *Historic Texas from the Air* appears in a full page color photograph accompanied by a concise description of the site s history and importance Contemporary and historical photographs vintage postcard images and maps offer further visual information about the sites The book opens with images of significant natural landforms such as the Chisos Mountains and the Big Thicket then shows the development of Texas history through Indian spiritual sites including Caddo Mounds and Enchanted

Rock relics from the French and Spanish occupation such as the wreck of the Belle and the Alamo Anglo forts and methods of communication including Fort Davis and Salado s Stagecoach Inn nineteenth century settlements and industries such as Granbury s courthouse square and Kreische Brewery in La Grange and significant twentieth century locales including Spindletop the LBJ Ranch and the Dallas Fort Worth International Airport For anyone seeking a visual vital overview of Texas history Historic Texas from the Air is the perfect place to begin

For the Liberty of Texas Edward Stratemeyer,1909 For the Liberty of Texas is a tale complete in itself but it forms the first of a line of three volumes to be known under the general title of Mexican War Series Primarily the struggle of the Texans for freedom did not form a part of our war with Mexico yet this struggle led up directly to the greater war to follow and it is probably a fact that had the people of Texas not at first accomplished their freedom there would have been no war between the two larger republics from the Preface

The Freedmen's Bureau and Black Texans Barry A. Crouch,2010-06-28 A look at the agency s attempts to deliver justice to the Texas black community following the Civil War Drawing on a wealth of previously unused documentation in the National Archives this book offers new insights into the workings of the Freedmen s Bureau and the difficulties faced by Texas Bureau officials who served in a remote and somewhat isolated area with little support from headquarters The episodes in Texas Reconstruction history that Mr Crouch relates perhaps do more than broad generalizations to explain why the Freedmen s Bureau failed and how we lost the peace after the Civil War New York Times Book Review Crouch skillfully presents the Freedmen s Bureau as one of the most unique misunderstood and maligned ad hoc reform agencies ever devised by a democratic government in the name of social and political freedom and equality East Texas Historical Journal Breaks new ground in Reconstruction history Crouch s study is among the first on the bureau in Texas and the first to focus on the subdistrict agent the subassistant commissioner Journal of Southern History

For the Liberty of Texas Edward Stratemeyer,2022-09-16 DigiCat Publishing presents to you this special edition of For the Liberty of Texas by Edward Stratemeyer DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

Once Upon a Texas I. E. Clark,1985

Texas Economy--conditions and Prospects for Recovery United States. Congress. House. Committee on Banking, Finance, and Urban Affairs,1990

Pitfall Ronald Kelly,2020-10-16 Includes the bonus short story Last of the Chupacabra BLOOD SPORT They were called diablos hoyos Vicious black furred beasts that fought in the pit with the raw fury and savage ferocity of Satan himself For their owners they were a lucrative investment For the people of Sulphur Springs Texas they were the best entertainment they d had in a long while For Bowie Kane they were his darkest nightmare come true He alone recognized the dark and ravenous evil that his Apache ancestors had foretold But Bowie Kane was an outsider in Sulphur Springs No one would listen to his warnings And now it was too late to avert the rampage of

carnage and terror unleashed on an unsuspecting town State of Mind William T. Pilkington,1998 A collection of essays that discuss the evolution of Texas literature from the state s settlement through the twentieth century **Billy the Kid** James B. Mills,2022-07-15 In the annals of American western history few people have left behind such lasting and far reaching fame as Billy the Kid Some have suggested that his legend began with his death at the end of Pat Garrett s revolver on the night of July 14 1881 in Fort Sumner Others believe that the legend began with his unforgettable jailbreak in Lincoln New Mexico several months prior on April 28 1881 Others still insist his legend began with the publication in 1926 of Walter Noble Burns s book The Saga of Billy the Kid James B Mills has left no stone unturned in his twenty year quest to tell the complete story of Billy the Kid He explores the Kid s disputable origins his family s migration from New York into the Southwest and how he became an orphan as well as his involvement in the Lincoln County War his outlaw exploits and his dealings with Governor Lew Wallace Mills illuminates the Kid s relationships with his enemies lovers and numerous friends to contextualize the man s character beyond his death and legacy Most importantly Mills is the first historian to fully detail the Kid s relations with New Mexicans of Spanish descent So the question remains who really was the person the world knows as Billy the Kid Was he more than a young reprobate committed to a life of crime who relished becoming a famous outlaw and cold blooded self absorbed sociopath or thug that some still prefer him need him to be Or was he in fact the generally good hearted generous courteous young vigilante that so many remembered with considerable fondness who ultimately preferred the company of the more peaceable Hispanic population than his own Anglo people In this groundbreaking biography Mills takes the reader closer to the flesh and blood human being named Henry McCarty alias William H Bonney than ever before

The History of Mexican War: For the Liberty of Texas Edward Stratemeyer,2021-05-07 Edward L Stratemeyer 1862 1930 was an American publisher and writer of children s fiction He was one of the most prolific writers in the world and a founder of the Stratemeyer Literary Syndicate where he hired journalists to write stories based on his ideas Stratemeyer created many well known fictional book series for juveniles including The Rover Boys The Hardy Boys and Nancy Drew series Excerpt Primarily the struggle of the Texans for freedom did not form a part of our war with Mexico yet this struggle led up directly to the greater war to follow and it is probably a fact that had the people of Texas not at first accomplished their freedom there would have been no war between the two larger republics The history of Texas and her struggle for liberty is unlike that of any other State in our Union and it will be found to read more like a romance than a detail of facts Here was a territory immense in size that was little better than a wilderness a territory gradually becoming settled by Americans Mexicans Spaniards French and pioneers of other nations a territory which was the home of the bloodthirsty Comanche and other Indians and which was overrun with deer buffalo and the wild mustang and which was at times the gathering ground for the most noted desperadoes of the southwest **Trekking across America** Lyell D. Jr. Henry,2024-10-30 For several decades following the end of the Civil War the most popular sport in the United States was walking Professional pedestrians

often covered 500 miles or more for up to six grueling days and nights in pursuit of large money prizes Walking was also a favorite amateur sport newspapers often noted a pedestrian mania or walking fever that only began to give way in the mid 1880s to fast rising crazes for baseball bicycling and roller skating As competitive walking faded a new kind of spectacle walking which had also begun in the late 1860s came to full flower Between 1890 and 1930 hundreds of men women even children and entire families were on the nation s roads and railroad tracks trekking between widely separated points sometimes moving in unusual ways such as on roller skates or by walking barefooted backward on stilts or while rolling a hoop To finance their attention seeking journeys many sold souvenir postcards The public usually found these performers entertaining but public officials and newspaper editors often denounced them as nuisances or frauds Tapping vintage postcards and old newspaper articles this is the first book to bring back to view this once familiar feature of American life

California ,1989

As recognized, adventure as without difficulty as experience not quite lesson, amusement, as capably as arrangement can be gotten by just checking out a book **Texans Wager** in addition to it is not directly done, you could acknowledge even more roughly speaking this life, in the region of the world.

We come up with the money for you this proper as without difficulty as easy quirk to get those all. We allow Texans Wager and numerous books collections from fictions to scientific research in any way. among them is this Texans Wager that can be your partner.
