Joshua who has Mexican friends and is in love with a Mexican girl pledges to take up arms with his brother if necessary The story touches on the immortal battle of the Alamo but centers on the infamous Goliad massacre of March 1836 The massacre led ultimately to Sam Houston s decisive battle of San Jacinto where Texas became an independent republic After the Bugles continues where Goliad ends on the battlefield at San Jacinto Along with other settlers whose lives have been disrupted by the revolution Joshua Buckalew tries to put the pieces back together but finds that starting over in the aftermath of war can be as challenging as the war itself The racial differences that helped foment the conflict have not disappeared and being an independent republic can be far more difficult than being a colony of Mexico Praise for Texas Sunrise As with all of Kelton s westerns characters are colorful and well drawn the action is fast and bloody and the plotting carefully thought out making this another supercharged yarn Publishers Weekly
