**Hope over Fear** Norma Tevis Matthews,Bill Matthews,2017-10-06 For those of us who lived through the Cold War years in Dallas this book is a sometimes painful journey through a past we would most like to forget For younger people it fills in gaps in our local history that had national and international dimensions At the same time it is a reminder of the integrity tenacity and courage of the few brave souls who kept faith in the sure knowledge that right will win out and whose leadership has led us to a new day in our citywatts and all This is the story of the Dallas Chapter United Nations Association long overdue Norma and Bill Matthews both of whom are past presidents of DUNA have done a masterful job of probing the past ferreting out nuggets of history tucked into boxes and stashed away in family attics backroom nooks and office storerooms For much of the time since its founding in 1953 DUNA has had no permanent home or office and its records have been at the mercy of whoever was its leader always with the possibility that

succeeding generations of its founders would not recognize the merits of those sealed boxes and would destroy them Using endless newspaper files mostly from the Dallas Morning News and some from the late Dallas Times Herald and Fort Worth Star Telegram the Matthews writing team has been able to follow the founding development and leadership of DUNA vastly enriched by personal stories of individuals who kept the flame alive in good times and bad Norma and Bill Matthews teamed their professional degrees in education communication music and theology to serve as volunteer activists for human rights and peace endeavors Married 63 years and retiring as teacher and minister they committed themselves to research and preserve the history of advocacy for support of sustainable goals of individual and universal dignity and freedom
