## **Text Testimony Essays On New Testament:**

**Text and Testimony** Tjitze Baarda, 1988      **A Bibliography of Greek New Testament Manuscripts** James Keith Elliott, 2015-03-20 This bibliography is a comprehensive listing of books facsimiles collations and articles relating to some 3 500 Greek New Testament manuscripts including references to photographic plates and albums These are divided into the conventional categories of papyri majuscules minuscules and lectionaries as classified in the current Gregory Aland register This third revised edition supersedes the two previous editions Entries from those earlier editions and from three supplements published as articles in Novum Testamentum as well as newly published material are to be found here The author is grateful for the help of editor Barbara Cangemi      **New Testament Manuscripts** Thomas J Kraus, Tobias Nicklas, 2006-05-01 New Testament Manuscripts Their Texts and Their World comprises twelve essays dealing with manuscripts of the New Testament and or what we can learn from them today Starting from different angles the contributors distinguished scholars of international reputation focus on the fascinating and thrilling stories manuscripts tell for instance about the times they were produced in or the people who handled them The multitude of manuscripts used for establishing the critical text of the New Testament is often only perceived as abbreviations in form of single letters or numerals and today s biblical scholars may hardly ever take notice of the specific features of an original manuscript above all those not mentioned in a critical edition Therefore three sets of contributions deals with the conditions under which manuscripts from the early days of Christianity were produced and transmitted specific individual manuscripts and then special features observed in and with the help of various manuscripts In a final essay the usual method of how to organize and categorize New Testament manuscripts is challenged and an alternative method proposed The essays are linked with each other so that readers may get a feeling of how astounding an occupation with the original manuscripts of the New Testament and the days of the early Christians can be      **New Testament Texts on Greek Amulets from Late Antiquity** Brice C. Jones, 2016-03-24 Brice C Jones presents a comprehensive analysis of Greek amulets from late antique Egypt which contain New Testament citations He evaluates the words they contain in terms of their text critical value The use of New Testament texts on amulets was common in late antiquity These citations were extracted from their larger Biblical contexts and used for ritual purposes that have traditionally been understood in terms of the ambiguous category of magic Often these citations were used to invoke the divine for some favour healing or protection For various reasons however these citations have not played a significant role in the study of the text of the Greek New Testament As such this is the first systematic treatment of Greek New Testament citations on amulets from late antique Egypt Jones work has real implications for how amulets and other such witnesses from this era should be treated in the future of the discipline of New Testament textual criticism

**Studies in the New Testament** J. Duncan M. Derrett, 2023-10-16 This the sixth and final volume of Derrett s Studies in the New Testament includes a Concordance to the 103 studies of the set It gives further examples of the use of Hebrew

scripture halakha and haggada by Paul the evangelists and putatively by Jesus himself Examples are given of a responsible use of Jewish materials to convey as well as to advertise the gospel The lifestyle which is promoted is widely claimed to be a form of Judaism The studies in this set of volumes permit the suspicion that it cannot be comprised within any established definition of Judaism     The Rhetoric of the New Testament Duane F. Watson, 2019-05-21 A new comprehensive bibliography of books and articles on the rhetoric of the New Testament published since AD 1500 The bibliography is arranged by categories which include Jewish heritage invention arrangement style hermeneutics with specific listings for each book of the NT It is prefaced with a select bibliography of primary and secondary sources on classical and modern rhetoric An invaluable research tool     Studies in the New Testament J. Duncan M. Derrett, 1977 This volume develops the theme that the gospels especially John and Paul cannot be grasped without intimate and detailed knowledge of Jewish sources amongst which the Bible is neglected     *Tatian's Diatessaron* William L. Petersen, 2015-12-22 A gospel harmony composed c 172 C E the Diatessaron is one of the earliest witnesses to the gospels Regarded as the first version of the gospels in Latin Syriac and Armenian the Diatessaron was used by Encratites Judaic Christians and Great Church Christians alike This study is the first comprehensive treatment of the Diatessaron in more than a century After sketching the second century setting and Tatian's biography it describes virtually every Diatessaronic witness and provides a scholar by scholar summary of research from 546 to the present Criteria for reconstructing Diatessaronic readings are developed and numerous examples offer the reader first hand experience with the witnesses It contains the first Bibliography of research on the Diatessaron 600 titles and the first Catalogue of Manuscripts of Diatessaronic Witnesses and Related Works ever published

**The Use of Scripture in the Markan Passion Narrative** Kelli S. O'Brien, 2010-03-25 This work examines the effect of the use of scripture on the interpretation of the Markan passion narrative Mark 14 1 15 47 In the methodically focused section which begins the work Kelli O'Brien first defines the term allusion and the criteria by which allusions are established and then She then tests the allusions suggested by previous scholars For the trial and crucifixion scenes only eleven references have sufficient verbal and other correspondence to be considered probable or certain allusions out of the roughly 150 references suggested The numbers for allusions in Mark 14 1 52 are similar Demonstrable allusions are relatively few too few to support the theory favoured by many that the passion narrative was constructed by means of allusions to Scripture The work assesses the interpretive impact of the allusions on the Markan passion narrative considering how those passages are treated in Jewish and Christian traditions potentially available to the author Allusions interpret the Markan Christology but they also interpret other aspects of the drama such as the opponents in the Jewish trial and the offer of vinegary wine Most importantly allusions in the passion narrative indicate in what sense the author understood Jesus' death to be redemptive and that the ransom the Son of Man gives Mark 10 45 is eschatological     *The Quest for Context and Meaning* Talmon, Craig A. Evans, 2021-11-15 This collection of studies is published in honor of Professor James A. Sanders a leading

scholar in the fields of the canon of Scripture textual criticism and the relationship of the two Testaments Contributors include leading scholars in these and related fields of study The studies investigate in what ways the early sacred tradition was interpreted and how this tradition takes new shape in the Jewish and Christian communities of faith Included are studies of Jesus understanding of Scripture Paul s interpretation of Scripture and the ways in which Scripture was interpreted by the Rabbis In many instances novel interpretations and new approaches to old problems are offered Advanced students and veteran scholars will enjoy the many insights and provocative new ideas
