**A Course of Harmony (Classic Reprint)** Frederick Bridge, 2015-08-09 Excerpt from A Course of Harmony The present work is the outcome of a request addressed to me by the Council of the Royal College of Music some years ago as the Professor responsible for the teaching of Harmony and Counterpoint in that Institution that I should prepare a Manual of Harmony for use in the College Began then its completion was unfortunately delayed by my many and growing engagements and I found it necessary to ask the aid of my pupil and former assistant Dr Sawyer who has had much experience in teaching this subject in order that the desired task should be completed I have

thought it right to couple Dr Sawyer's name with my own on the title page as only fair to one who has devoted so much time and rendered so much valuable assistance in the preparation of this work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
