Anneliese Burgess,2018-05-01 The last twenty four hours before a heist take forever You are ready You can t wait You are already thinking about the money It s a kind of high that programs your mind You are excited You just want to get it done That moment when there is no turning back when it is about to go down all your senses come alive your eyes everything comes alive It s extreme like a phenomenal rush of ecstasy It s the thing that makes you want to do it again From the horror of the 2006 Villa Nora heist where four security guards were burnt alive in their armoured vehicle after a ferocious fight back against highly trained mercenaries to the 2016 robbery of a cash centre in Witbank where a gang made off with almost R104 million after impersonating police officers Heist is an impeccably researched expos of an endemic crime phenomenon that some analysts warn could bring South Africa to its knees Using the information gleaned from thousands of pages of court documents and press reports as well as interviews with scores of police officers crime intelligence agents prosecutors

defence lawyers researchers journalists security guards and the criminals themselves Heist provides an unprecedented insight into a crime that has increased by a staggering 49 per cent in the first eight months of 2017 alone As informative and thought provoking as it is distressing this is a book by an investigative journalist at the top of her game **The Last Ferry Home** LaVonne Chastain,2021-08-03 A true life story that may sound a bit familiar to the baby boomer generation Spanning the years from the 50s to the modern times of today from childhood antics to the angst and perils of teenage hood and then the highs and lows of marriage giving birth divorce Beyond those years follow an assortment of the amusing and amazing the joyful and the miraculous and the disappointment and sorrow of a not too normal life It all began in a tiny northern town in America transcending six decades and several foreign countries A chance to start over a second marriage one worth waiting for new man new country new customs amongst castles and moors and mysticism along with quirkiness oddities and whimsy A lifelong search for identity and answers needle in a haystack style A quest to find a recognizable face a name a place feeling nonexistent at times like a ghost I m here but I m not really here A discovery of human nature to belong to someone days and moments that will never be forgotten and the chance to live another day as a result of finding the truth Another whole family like figures in a wax museum suddenly and finally come to life A song with a beautiful melody and words beckoning from far across the ocean simultaneously haunting and pleasing the personal anthem that sometimes shadowed and other times led to the final destination of knowing I shouldn t have even made it Everyone else is dead Not me I was meant to live And this is my story From Heaven to Hell and Back Luna Hedges,2018-07-20 Luna is the same as most people She leads a pretty boring life Until one day she is kidnapped by a truly evil man She is brutalized in all the ways a man can and then some Then one day she is rescued by two well muscled men Not just any men either one was the king of werewolves At first she thought it wasn t true due to her mental issues yet they were real She made a vow before her rescue to save the women before her They were brutalized as she was but they were sold while she was saved Luna trusts only her new werewolf family as she has no idea how high this goes She does this with her Hellhound at her side all the while trying to rebuild a life outside of just being a hunter for the women as well as her unusual pregnancy *Blackjacks* Tony Illman,2017-06-01 This book is based on our lives It starts very briefly in the United Kingdom and quickly moves to the Eastern Highland of Rhodesia It moves through our childhood while were living in the eastern border areas Umtali Sabi Tanganda and Chipinga As we pass through our teenage years and become adults it travels with us to Western Australia and then back to Chipinga We share the lives of others as the Rhodesian Bush War escalates in what was a quiet and idyllic country town to one of the most dangerous and deadly districts in Rhodesia Then the books deals with our final move back to Western Australia and our struggle to once again build a life for our children and ourselves To most people this may seem to be an unusual life but to a Rhodesian it would be considered pretty much the same story as many other families Although it is our story there are many stories told by others who have shared our way of life It is about love hate and humor It is about

determination and desperation It is about life and death and friendship and community spirit Most of all I hope it is a monument to those who died or were seriously injured physically or mentally black or white It is also a salute to those incredible farmers the Rhodesian armed forces and those who worked in the rural areas during those troubled times For me personally writing this book has been a huge emotional journey
