Mama's Pearls: Thoughtful devotionals about everyday life through the lens of Scripture Diana

Brown,2019-12-18 This book started out as an advice and answer column for the young adult women at church I was amazed and humbled by their insights and questions about life We decided to keep a dialogue going through e mails they aptly named Mama Said and I became their MamaInResidence Sections of a few of their letters and my responses are included in the book In the months I didn t receive questions I wrote stories about my experiences as fillers In another discussion a young lady commented that the Bible wasn t relevant to today s issues only the old times with no bearing on our lives I hoped to debunk that notion with stories infused with scripture and a skosh of mother wit It also occurred to me that these stories could help other Christians spark conversations about how God s Word is working through their everyday experiences too in very real and practical ways they just hadn t thought about yet *Extension of Elementary and Secondary Education*
