The Hatfields And The Mccoys

Lisa Alther

The Hatfields And The McCoys:

The Feud Dean King, 2013-05-14 For more than a century the enduring feud between the Hatfields and the McCoys has been American shorthand for passionate unyielding and even violent confrontation Yet despite numerous articles books television shows and feature films nobody has ever told the in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia Drawing upon years of original research including the discovery of previously lost and ignored documents and interviews with relatives of both families bestselling author Dean King finally gives us the full unvarnished tale one vastly more enthralling than the myth Unlike previous accounts King's begins in the mid nineteenth century when the Hatfields and McCoys lived side by side in relative harmony Theirs was a hardscrabble life of farming and hunting timbering and moonshining and raising large and boisterous families in the rugged hollows and hills of Virginia and Kentucky Cut off from much of the outside world these descendants of Scots Irish and English pioneers spoke a language many Americans would find hard to understand Yet contrary to popular belief the Hatfields and McCoys were established and influential landowners who had intermarried and worked together for decades When the Civil War came and the outside world crashed into their lives family members were forced to choose sides After the war the lines that had been drawn remained and the violence not only lived on but became personal By the time the fury finally subsided a dozen family members would be in the grave The hostilities grew to be a national spectacle and the cycle of killing kidnapping stalking by bounty hunters and skirmishing between governors spawned a legal battle that went all the way to the United States Supreme Court and still influences us today Filled with bitter quarrels reckless affairs treacherous betrayals relentless mercenaries and courageous detectives *The Feud* is the riveting story of two frontier families struggling for survival within the narrow confines of an unforgiving land It is a formative American tale and in it we see the reflection of our own family bonds and the lengths to which we might go in order to defend our honor our loyalties and our livelihood *The Hatfields & The McCoys* Charles River Editors, 2025-06-21 They were men who matched the mountains they were Hatfields and McCoys They were men who matched the mountains They were men when they were boys Jimmy Wolford A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The feud between the Hatfields and McCoys is the stuff of American legend and has become synonymous for vendettas In fact it has become its own term for any large scale disagreement and has made its way into everything from music to television and movies Though the fighting took place over a century ago Americans remain so fascinated by it that The History Channel's 2012 miniseries about the feuding families set records for cable television ratings These days the feud between the Hatfields and McCoys is a celebrated piece of American folklore but for two families living along the West Virginia Kentucky border during the last half

of the 19th century the feud was literally a matter of life and death 21st century America might celebrate this relic of the country's rural past but modern society would also likely scoff at the idea of a couple of rural families taking pot shots at each other through the woods over slights as insignificant as a stolen pig Nevertheless for the Hatfields and McCoys the feud was every bit as dangerous as a modern gang war or organized crime activity While the feud may be harder to understand today it was a microcosm of other conflicts that shaped America's destiny First it represents the heritage of the blood feud that came to the United States with those immigrating from Scotland and Ireland The backcountry of the South was settled primarily by immigrants from the Celtic fringe of Great Britain Scotland Northern England Cornwall Wales and Ireland For these settlers family ties were paramount loyalty was key and conflicts were settled with violence The feud also demonstrated the continuing importance of honor in the South in the late 19th century and a notion that personal honor should be defended against actual or perceived slights with violence Clearly the South's code of honor persisted long after the Civil War as did tension between supporters of the Union and the Confederacy

American Legends The Hatfields The McCoys chronicles America's most famous blood feud from the origins of each family to the events that sparked the fighting Along with pictures of important people places and events you will learn about The Hatfields and The McCoys like you never have before in no time at all

The Hatfields and the McCoys Otis K. Rice, 2010-09-12 The Hatfield McCoy feud has long been the most famous vendetta of the southern Appalachians Over the years it has become encrusted with myth and error Scores of writers have produced accounts of it but few have made any real effort to separate fact from fiction Novelists motion picture producers television script writers and others have sensationalized events that needed no embellishment Using court records public documents official correspondence and other documentary evidence Otis K Rice presents an account that frees as much as possible fact from fiction event from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the law and the isolation of the mountain folk Rice gives new meaning to the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta

The Hatfields and the McCoys Kirra Fedyszyn, 2014-07-15 The American Civil War was a time of great upheaval in our nation Slavery was becoming a major issue and the decision over what to do formed a great rift in our nation The story of the Hatfields and McCoys demonstrates just how high emotions ran between the two sides One man's choice to fight for the Union when his neighbors have joined forces with the Confederacy launches two families into an infamous feud that lasts for half a century and causes many deaths

Blood Feud Lisa Alther, 2013-02-05 America's most notorious family feud

began in 1865 with the murder of a Union McCoy soldier by a Confederate Hatfield relative of Devil Anse Hatfield. More than a decade later Ranel McCoy accused a Hatfield cousin of stealing one of his hogs, triggering years of violence and retribution including a Romeo and Juliet interlude that eventually led to the death of one of McCoy's daughters. In a drunken brawl three of McCoy's sons killed Devil Anse Hatfield's younger brother. Exacting vigilante vengeance, a group of Hatfields tied them up and shot them dead. McCoy's posse hijacked part of the Hatfield firing squad across state lines to stand trial while those still free burned down Ranel McCoy's cabin and shot two of his children in a botched attempt to suppress the posse. Legal wrangling ensued until the US Supreme Court ruled that Kentucky could try the captured West Virginian Hatfields. Seven went to prison and one mentally disabled yelled "The Hatfields made me do it as he was hanged." But the feud didn't end there. Its legend continues to have an enormous impact on the popular imagination and the region.

With a charming voice, a wonderfully dry sense of humor, and an abiding gift for spinning a yarn, bestselling author Lisa Alther makes an impartial, comprehensive, and compelling investigation of what happened, masterfully setting the feud in its historical and cultural contexts, digging deep into the many causes and explanations of the fighting and revealing surprising alliances and entanglements. Here is a fascinating new look at the infamous Hatfield McCoy feud.

The Hatfields & the McCoys Otis K. Rice, 2010-09-12

A captivating account of two families whose stubbornness and loyalty were exceeded only by their capacity for a terrible revenge. Southern Living: The Hatfield McCoy feud has long been a famous part of Appalachian history, but over the years it's become encrusted with myth and error. Novelists, motion picture producers, television writers, and others have neglected to separate fact from fiction and sensationalized events that needed no embellishment. Using court records, public documents, official correspondence, and other sources, Otis K. Rice presents an account that frees as much as possible truth from legend. He weighs the evidence carefully, avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud. He also sets the feud in the social, political, economic, and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries. By examining the legacy of the Civil War, the weakness of institutions such as the church and education system, the exaggerated importance of family, the impotence of the law, and the isolation of the mountain folk, Rice gives new meaning to the origins and progress of the feud. These conditions help explain why the Hatfield and McCoy families, which have produced so many fine citizens, could engage in such a bitter and prolonged vendetta.

The Hatfields and the McCoys John R. Spears, 2013-04-02

Originally published in the November 1888 issue of Current Literature magazine, "THE HATFIELDS AND THE McCOYS: THE DRAMATIC STORY OF A MOUNTAIN FEUD" chronicles the true events of the notorious Hatfield and McCoy feud of the late 1800s. Sample passage: When the gang reached the Kentucky side, they stopped and, by dashing water into Farmer's face, revived him so that he might suffer the more. Then they forced the prisoners along the grassy bank under the trees until a slight depression was reached. Here were a number of pawpaw trees. The prisoners were there thrown to the

ground and then raised on their knees and each one tied in that position to a pawpaw bush Talbot who had asked to be shot in the face was tied with his back to his executioners but Farmer who was already nearly dead with fear was tied facing them The lad was tied facing his brothers and then the gang formed in line and Bad Anse shouted to Wall who was on the other side of the river for the word As it came they all fired and the two older brothers Talbot and Farmer fell dead The crying of the lad had ceased through horror and fear After a few shots had been fired into the dead bodies by Cap and Jonce Hatfield Ellison Mounts and Tom Mitchell to gratify their innate thirst for the safe shedding of blood the gang started down the river But fear overcame one of their number Alex Messer and he said Dead men tell no tales He referred to the lad who had recognized them all

Feud Altina L. Waller,2012-12-01 The Hatfield McCoy feud the entertaining subject of comic strips popular songs movies and television has long been a part of American folklore and legend Ironically the extraordinary endurance of the myth that has grown up around the Hatfields and McCoys has obscured the consideration of the feud as a serious historical event In this study Altina Waller tells the real story of the Hatfields and McCoys and the Tug Valley of West Virginia and Kentucky placing the feud in the context of community and regional change in the era of industrialization Waller argues that the legendary feud was not an outgrowth of an inherently violent mountain culture but rather one manifestation of a contest for social and economic control between local people and outside industrial capitalists the Hatfields were defending community autonomy while the McCoys were allied with the forces of industrial capitalism Profiling the colorful feudists Devil Anse Hatfield Old Ranel McCoy Bad Frank Phillips and the ill fated lovers Roseanna McCoy and Johnse Hatfield Waller illustrates how Appalachians both shaped and responded to the new economic and social order

The Hatfields and the McCoys Bruce Wexler,2023-03-21 The Hatfields and the McCoys explores with vibrant illustration the historic feud between two iconic American families that ran for nearly three decades between 1863 and 1891 On the heels of the popular History Channel miniseries starring Kevin Costner Bruce Wexler brings this chapter of American history to life for a new generation of readers Here is an intimate look at the feud the era and an iconic cast of characters including the two family patriarchs that started it all William Anderson Devil Anse Hatfield and Randolph Ole Ran l McCoy The two led their families into a war marked by bloodshed and loss on both sides of the Tug Fork River that flows along the border of West Virginia and Kentucky Part American folklore part cautionary tale The Hatfields and the McCoys separates the fact from the fiction and stands as a testimony to how this terrible episode became symbolic for pointless and bitter animosity Wexler presents the reader with all of the crime romance betrayal and violence that makes this America s most infamous family feud Through impressive storytelling and rare images this book portrays the dramatic life and times of two extraordinary families unique to American history from the developing hostilities towards the end of the Civil War to the New Year s Night massacre of 1888 and the ensuing trials imprisonments and hangings that signaled the end of the feud

The Hatfields and the McCoys Virgil Carrington Jones,1948 History of the famous 19th century mountain feud
