The Healings Of Jesus:

The Healings of Jesus Michael Harper, 1986 *The Healings of Jesus* Jim Sells, 2009-08

The Healings of Jesus recounts twenty two times where Jesus healed people. Written by layman author Jim Sells each account is faithful to the Biblical text, practical and relevant. Neither an exhaustive study nor a how to guide, for every hurt the seminal message is this: Jesus still heals. Barnabas was an encourager of people to trust in Jesus' power to meet their needs. Jim Sells was also such a man. These stories promise to bring faith and hope to all who feel alone and unnoticed in their sickness and suffering. Jay Kesler, President Emeritus, Taylor University, wrote: "Three decades ago I met a true visionary. A man who had the unique capacity to paint a picture on the walls of men's hearts, a picture of what can be by the grace of God. A man who inspired others to consider a work that was beyond themselves. That man was Jim Sells. Tom Elliff, Senior Vice President for Spiritual Nurture and Church Relations, International Mission Board, SBC, wrote: "Jim Sells's inquisitive mind, zeal for life, passionate love for the Lord, Jesus, and persistent positive outlook continue to be an inspiration to me today." O. S. Hawkins, President and Chief Executive Officer, GuideStone Financial Resources of the Southern Baptist Convention, wrote: "Jim Sells finished this book on November 24, 2007, and suddenly died the next day. And Jesus healed him of a broken heart. Nine months earlier his wife, Joyce, partner and best friend for almost 57 years, died after an aggressive cancer took her life. They loved the Lord as well as their four children and fourteen grandchildren. They were active in First Baptist Church and in Bolivar, Missouri, where they lived for forty two years. After leading Southwest Baptist University as president and Chancellor from 1968-1992, Jim helped several ministries and non profit organizations strengthen their fundraising programs."

The Healing Power of Christ Charles Fillmore, 2019-05-12

Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills. However, very few have dared even to suggest that Jesus applied universal law in His restorative methods. Charles Fillmore has found that Jesus' healing methods were based on universal mental and spiritual laws that anyone can utilize. Ultimately, that cognition led him to the conclusion that man and the universe are founded on mind, and that all changes for good or ill are changes of mind.

Jesus' Healing Works and Ours Ian Cowie,2012-01-18 Ian Cowie sheds new light on what the healing miracles of Jesus were Re translating the original Greek of the Gospels he carefully dissects the actions and words of Jesus and draws conclusions which are often at odds with current interpretations He concludes that there is no justification for saying that miracles break the laws of nature but that such events are a natural result of using untapped human and divine resources in a universe that is totally consistent The Miracles of Jesus Craig Blomberg,1986 **STORIES FROM THE BIBLE The Miracles of Jesus** Vern S. Poythress,2015-11-17 Christians often view Jesus s miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus s miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus s miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today Miracles of Jesus Loos,2014-04-09 Preliminary Material H Van der loos I A Miracles as religious phenomena H Van der loos II Miracles and science H Van der loos III Miracles and medicine H Van der loos I Type and style of the miracle stories in the gospels H Van der loos II Magical and miraculous practices of the jews in Jesus day H Van der loos III The miracles of Jesus in the oldest testimonies H Van der loos IV Jewish opinions on Jesus miracles H Van der loos I Jesus miraculous power H Van der loos II Function and significance of miracles in Jesus activities H Van der loos III Relations involved in the miracles of Jesus H Van der loos IV Jesus activities as healer H Van der loos V Jesus methods of treatment H Van der loos I The healing of the possessed H Van der loos II The healing of the blind H Van der loos III The healing of the paralytics H Van der loos IV The healing of the lepers H Van der loos V The healing of a man with dropsy H Van der loos VI The healing of the woman with the issue of blood H Van der loos VII The healing of the woman bowed
