In a world reborn from fire and frost, Crystal Heart Flames unfolds the story of Lyra, a young woman bound to a power that remembers every age before her own. When two realms collide, their balance shatters, leaving Lyra as the only bridge between creation and destruction. The crystal heart within her pulses with ancient magic—alive, breathing, and dangerous. As she unravels the mystery of her inheritance, she meets Kael, a soul forged from ice and memory. Together, they confront the storm that threatens to erase everything that ever was. Through light and shadow, through beauty and loss, Lyra must choose not just between life and death, but between who she was and what the world needs her to become. Every heartbeat carries the memory of a thousand worlds, every choice reshapes the future. In the aftermath of ruin, love becomes the spark that reignites creation itself. Crystal Heart Flames is an emotionally charged fantasy of transformation and unity—where destiny burns bright, and even in silence, the heart remembers. KELAKKIYAR

always be there Chapter 3 The Call of the Horizon One evening as Aurelia stood on the edge of the hills watching the sun dip below the horizon she felt it again the yearning to follow the sun It was not the sun itself she sought but the comfort it represented The warmth the softness the sense of belonging to something greater than herself It was as if the sun held the answers she so desperately sought Her heart burned with a fierce desire to find that comfort to find a place where her soul could rest where she could finally lay down her burdens and feel at peace I need to know what lies beyond the horizon she whispered into the wind Chapter 4 The Burning Path The journey to find comfort in the sun was not one Aurelia could take alone Along her path she would meet others who like her sought to tame the fire within Each one carried their own burden their own story of loss longing and hope There was Darius the warrior with a soul scarred by battle Liora the healer whose hands could mend broken bodies but struggled to heal her own heart and Kaelen the philosopher who believed that the sun was not merely a source of light but a mirror to the soul Together they ventured across lands unknown facing challenges and confronting their darkest fears With each trial Aurelia learned more about herself about the sun and about the balance between the fire of her heart and the comfort she sought Chapter 5 Embrace of the Sun As Aurelia and her companions journeyed deeper into the wilds they came to a place unlike any other a valley where the sun seemed to shine not with intensity but with a gentle all encompassing warmth It was here in this sacred place that Aurelia found what she had been searching for The sun she realized was not just a source of light and heat it was a reflection of the heart itself The sun s power did not come from its intensity or its ability to burn it came from its steady unwavering presence Aurelia stood in the warmth of the sun feeling the fire in her heart soften For the first time in her life she felt whole The fire within her no longer sought to consume her It no longer burned with reckless abandon Instead it pulsed in harmony with the world around her a flame that could bring both passion and peace Chapter 6 The Heart That Glows In the years that followed Aurelia became known as the Sunkeeper Her heart once a fierce and uncontrollable fire had transformed into a steady radiant glow She shared the lessons of the sun with those who crossed her path teaching them how to find balance in the fire that burned within them She spoke of the sun s comfort not as a fleeting warmth but as an enduring presence that could both light the way and heal the heart And in her heart Aurelia knew that the comfort of the sun was not just for herself It was for everyone who sought it everyone who longed to find peace amidst the flames of their own desires Epilogue The Flame That Never Fades The sun Aurelia knew would eventually set but the flame within her would never fade It would continue to burn quietly steadily offering warmth to all who sought it And in the end it was not the fire that defined her but the comfort it gave to others For in the heart of the sun there is both warmth and peace a promise that no matter how fierce the flame may burn there will always be comfort in the light

Sekhmet Nicki Scully, 2017-05-25 A shamanic ritual with the Egyptian goddess Sekhmet to bring about alchemical transformation at the deepest levels of your being Details how to work with Sekhmet to transform your negative behavior patterns and character flaws into creative impulses and higher energies Leads you through

guided visualizations illustrated with photographs to Sekhmet's chapel at the Temple of Karnak and through her shamanic ritual of transformation. Includes initiations, rites of passage and transmissions from Sekhmet to release your fears and anger and rejuvenate your body, mind and spirit. Sekhmet is the lioness goddess of the Egyptian Pantheon, a fierce protector of truth, balance and the Cosmic order of Ma. At Known and feared as the goddess of war and destruction, she also represents the transformative power of kundalini energy or sekhem and is the main goddess to harness this power for healing. As She Who Comes in Times of Chaos, she takes offerings of fear, rage and weakness and transforms them into alchemical gold, the universal medicine for physical, emotional and soul healing. In this book, you are guided through a shamanic ritual of alchemical transformation and initiation with Sekhmet, working with this powerful goddess to release your most deeply rooted negative behavior patterns and be reborn into a more purified state of consciousness. Using intensive self-examination exercises to help you prepare to meet the goddess, the author leads you through a guided visualization illustrated with photographs to an ancient statue of Sekhmet in her chapel at the Temple of Karnak. There, you will be shamanistically devoured by the goddess, directly experiencing the alchemical process of transformation in the belly of Sekhmet until you are rebirthed as a fully realized adult child of the goddess. You will experience how your offering of pain, fear, rage and self-sabotage is digested, absorbed and assimilated by Sekhmet while you are initiated into the alchemy of total transformation. The initiations, rites of passage and transmissions from Sekhmet included in the journey restructure the most important aspects of your body, mind, spirit and soul. This journey of shamanic death, illumination and rebirth in the belly of Sekhmet provides an opportunity to heal on all levels and allows you to release your rage, anger and fear as you transform the energies that maintained them into creative and constructive solutions that benefit yourself, your community and the planet.

Yoga of the Subtle Body Tias Little, 2016-05-17 With his expert teachings, philosophical insights and pragmatic imagery, world-class yoga instructor Tias Little turns the anatomy of the physical body into a tool for navigating the subtle body. If you spend considerable time doing yoga, you begin to see that it is about much more than just the body. The practice of yoga, in fact, reveals that the body is in no way separate from the psychospiritual forces that animate it. Here, Tias Little provides a way to understand these forces as they relate to an integrated yoga of body, mind and spirit. He unites somatic concepts and wisdom teachings in this practical guide to the anatomy of the physical, mental, emotional and subtle or energetic body. Little is a master teacher who offers us a guided tour of the body's structure and physical anatomy, then uses this new structural awareness as the basis for exploring the subtle body. In a meaningful and pragmatic way, the book maps the connection between the body and the rich symbolism that pervades the yogic imagination, including the chakras, nadis and koshas. Further, Little offers readers clear, insightful yoga, pranayama and meditation.
