indirectly on Vatican II Meszaros also discusses doctrinal development with special attention to the subject and history These treatments are based on the subjective and historical motors or causes as it were of doctrinal development He then develops a theology of doctrine and doctrinal development as inspired by Newman and Congar In its reflection on the meaning of the Doctrinal Economy this study contributes to the theological problem of history and doctrine by synthesizing and honing contributions of these two great thinkers of modern Catholic theology It is precisely some of the key differences between Newman and Congar that make it theologically enriching to study them together The Love of the Unloved Sr. Carina Maris Okeke, 2012-04-30 The Love of the Unloved was inpsired by the author's love for the Eucharistic Lord who lives in the tabernacles of the world particularly in the tabernacles of human hearts in a simple but mystical way Her prayer us that everyone who reads this book will fall in love with Jesus living in the Holy Eucharist Let us all return love for boundless love Let us love the Great Lover of our souls **Lutheran DNA** James G.
