The Irish Army In The Congo 1960 1964 The Far Battalions:

The Irish Army in the Congo 1960-1964 David O'Donoghue, 2006 This revealing book is based on the personal reminiscences of Irish Army veterans who served with the UN peacekeeping forces in the Congo from 1960 to 1964 In addition to tracking down foot soldiers retired battalion commanders and journalists who covered the Congo the author has also spoken to Belgians who were part of the pre independence administration in the huge African colony Swedish soldiers who played key roles as interpreters for Irish Army units a Congolese clergyman and a Congolese journalist from Kinshasa The book also takes a refreshing and controversial look at the Congo in the immediate wake of independence in mid 1960 after almost a century of Belgian rule Here published for the first time are secret dossiers and previously unpublished photographs of military and civilian life in the newly independent Congo which challenges the received understanding of such events as the Niemba massacre and the fighting to end the secession of Katanga including the battle of Jadotville The Irish Army in the Congo provides fascinating background to the development of UN peacekeeping missions around the world This was the first major overseas mission in which Irish troops had ever been involved and the personal accounts gathered for this book shed valuable light on this chapter of Irish military history *Katanga 1960-63* Christopher Othen, 2015-09-07 In King Leopold II s infamous Congo Free State at the turn of the century severed hands became a form of currency But some in the Belgian government had no sense of historical shame as they connived for an independent Katanga state in 1960 to protect Belgian mining interests What happened next was extraordinary It was an extremely uneven battle The UN fielded soldiers from twenty nations America paid the bills and the Soviets intrigued behind the scenes Yet to everyone s surprise the new nation's rag tag army of local gendarmes jungle tribesmen and controversially European mercenaries refused to give in For two and a half years Katanga the scrawniest underdog ever to fight a war held off the world with guerrilla warfare two faced diplomacy and some shady financial backing It even looked as if the Katangese might win Katanga 1960 63 tells for the first time the full story of the Congolese province that declared independence and found itself at war with the world

Historical Dictionary of the Democratic Republic of the Congo Emizet Francois Kisangani,2016-11-18 This book looks at 55 years of independence over eight decades of colonial rule and earlier kingdoms and groups that shared the Congolese territory This fourth edition highlights new developments and the increasing importance of the DRC in the Great Lakes Region and Africa in particular as well as its important role in the international environment This fourth edition of Historical Dictionary of the Democratic Republic of the Congo contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Democratic Republic of the Congo Historical Dictionary of Multinational Peacekeeping Terry M. Mays, 2010-12-16 As long as there have been wars there have been peace processes to settle them

In the 12th century BC the Egyptians and Hittites concluded one of the earliest peace treaties still in existence Peacekeeping as understood as a modern concept emerged out of the League of Nations after World War I The League fielded many international military operations that were essentially deployments by the victorious Allied powers to oversee local plebiscites Peacekeeping operations have evolved to become essential elements in most international attempts to guide belligerents through a peace process Peacekeeping operations can be great examples of the international community cooperating to help settle a crisis Historical Dictionary of Multinational Peacekeeping Third Edition is a single source research guide for current and completed peacekeeping operations With an extensive chronology an introductory essay an appendix with the mandates for three UN peacekeeping operations a research oriented bibliography based on numerous categories of peacekeeping operations and issues related to peacekeeping 32 photographs of UN EU and NATO peacekeeping operations and over 500 cross referenced dictionary entries on peacekeeping operations people organizations countries and events associated with peacekeeping and brief descriptions of all currently fielded operations as well as those that have completed their missions dating back to the League of Nations in 1920 Who Killed Hammarskjold? Susan Williams, 2014-08-15 One of the outstanding mysteries of the twentieth century and one with huge political resonance is the death of Dag Hammarskjold and his UN team in a plane crash in central Africa in 1961 Just minutes after midnight his aircraft plunged into thick forest in the British colony of Northern Rhodesia Zambia abruptly ending his mission to bring peace to the Congo Across the world many suspected sabotage accusing the multi nationals and the governments of Britain Belgium the USA and South Africa of involvement in the disaster These suspicions have never gone away British High Commissioner Lord Alport was waiting at the airport when the aircraft crashed nearby He bizarrely insisted to the airport management that Hammarskjold had flown elsewhere even though his aircraft was reported overhead This postponed a search for so long that the wreckage of the plane was not found for fifteen hours. White mercenaries were at the airport that night too including the South African pilot Jerry Puren whose bombing of Congolese villages led in his own words to flaming huts destruction and death These soldiers of fortune were backed by Sir Roy Welensky Prime Minister of the Rhodesian Federation who was ready to stop at nothing to maintain white rule and thought the United Nations was synonymous with the Nazis The Rhodesian government conducted an official inquiry which blamed pilot error But as this book will show it was a massive cover up that suppressed and dismissed a mass of crucial evidence especially that of African eye witnesses A subsequent UN inquiry was unable to rule out foul play but had no access to the evidence to show how and why Now for the first time this story can be told Who Killed Hammarskjold follows the author on her intriguing and often frightening journey of research to Zambia South Africa the USA Sweden Norway Britain France and Belgium where she unearthed a mass of new and hitherto secret documentary and photographic evidence At the heart of this book is Hammarskjold himself a courageous and complex idealist who sought to shield the newly independent nations of the world from the predatory instincts of the

Great Powers It reveals that the conflict in the Congo was driven not so much by internal divisions as by the Cold War and by the West's determination to keep real power from the hands of the post colonial governments of Africa It shows too that the British settlers of Rhodesia would maintain white minority rule at all costs **Historical Dictionary of Ireland** Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been guite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland Ireland, Africa and the end of empire Kevin O'Sullivan, 2018-02-28 In the twenty years after Ireland joined the UN in 1955 one subject dominated its fortunes Africa The first detailed study of Ireland's relationship with that continent this book documents its special place in Irish history Adopting a highly original and strongly comparative approach it shows how small and middling powers like Ireland Canada the Netherlands and the Nordic states used Africa to shape their position in the international system and how their influence waned with the rise of the Afro Asian bloc O Sullivan chronicles Africa's impact on Irish foreign policy the link between African decolonisation and Irish post colonial identity and the missionaries aid workers diplomats peacekeepers and anti apartheid protesters at the heart of Irish popular understanding of the developing world Offering a fascinating account of small state diplomacy and a unique perspective on African decolonisation this book provides essential insight for scholars of Irish history African history international relations and the history of NGOs as well as anyone interested in Africa s important place in the Irish public imagination All Things Must Fight to Live Bryan Mealer, 2011-01-08 In All Things Must Fight to Live Bryan Mealer takes readers on a harrowing two thousand mile journey through Congo where gun toting militia still rape and kill with impunity Amidst burnt out battlefields where armies still wrestle for control into the dark corners of the forests and along the high savanna where thousands have been slaughtered and quickly forgotten Mealer searches for signs that Africa s most troubled state will soon rise from ruin At once illuminating and startling All Things Must Fight to Live is a searing portrait of an emerging country facing unimaginable upheaval and almost impossible odds as well as an unflinching look at the darkness that continues to exist in the hearts of men It is non fiction at its finest powerful moving necessary

<u>Line of Fire</u> David O'Donoghue,2022-09-07 A thrilling chase through a media minefield from Belfast riots to intrigue at a Paris news agency then on to Singapore New York and elsewhere Author David O Donoghue harks back to a lost world of clattering typewriters in a frenetic RTE newsroom where nervous reporters kept one step ahead of their creditors This

unique insight into the news business uncovers what the viewers and listeners never saw including an intrepid RTE film editor who managed to portray his own handiwork on the main TV news after earlier trying to set fire to the visiting Springboks rugby team bus Nothing is guite what is seems in this rollercoaster ride with walk on parts by Gore Vidal Ayatollah Khomeini the Dalai Lama and the inside story of Charlie Haughey's first foreign visit as Taoiseach to Paris deliberately snubbing Margaret Thatcher Line of Fire also reveals the background story of the Herrema kidnapping as well as naming the Irish government minister whose IRA father was sent to kill William Joyce aka Lord Haw Haw Hitler's chief radio announcer in Galway In addition readers will discover the identity of a senior Irish official who astonished foreign diplomats in New York with a table top rendition of The Old Bog Road And there s lots more besides in this no holds barred account of news reporting both here and abroad Line of Fire will appeal to all those with an interest in the changing world of journalism and Ireland in the latter half of the twentieth century **White Malice** Susan Williams, 2021-08-10 A revelatory history of how postcolonial African Independence movements were systematically undermined by one nation above all the US In 1958 in Accra Ghana the Hands Off Africa conference brought together the leading figures of African independence in a public show of political strength and purpose The charismatic Kwame Nkrumah who had just won Ghana's independence led a determined appeal for Pan Africanism Young idealistic leaders across the continent as well as African Americans seeking civil rights at home heeded his call Yet a moment that signified a new era of African freedom simultaneously marked a new era of foreign intervention and control In White Malice Susan Williams unearths the CIA's covert operations from Ghana to the Congo to the UN which frustrated the attempts of Africa's new generation of nationalist leaders to establish democratic governance These revelations dramatically upend the conventional wisdom that African nations failed to establish effective democratic states on their own accord As the old European powers moved out the US moved in Drawing on original research and recently declassified documents Williams introduces readers to idealistic African leaders and to the secret agents ambassadors and even presidents who deliberately worked against them forever altering the future of a continent The Golden Thread Ravi Somaiya, 2020-07-07 LONGLISTED FOR THE ALCS GOLD DAGGER AWARD FOR NON FICTION CRIME WRITING Uncover the story behind the death of renowned diplomat and UN Secretary General Dag Hammarski ld in this true story of spies and intrigue surrounding one of the most enduring unsolved mysteries of the twentieth century On September 17 1961 Dag Hammarski ld boarded a Douglas DC6 propeller plane on the sweltering tarmac of the airport in Leopoldville the capital of the Congo Hours later he would be found dead in an African jungle with an ace of spades playing card placed on his body Hammarski ld had been the head of the United Nations for nine years He was legendary for his dedication to peace on earth But dark forces circled him Powerful and connected groups from an array of nations and organizations including the CIA the KGB underground militant groups business tycoons and others were determined to see Hammarskj ld fail A riveting work of investigative journalism based on never before seen evidence recently revealed
