The Irish In The Twentieth Century

Brian W. Shaffer

The Irish In The Twentieth Century:

Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into *Ireland In The 20th Century* Tim Pat Coogan, 2009-12-01 Ireland's bestselling popular historian tells the story of contemporary Ireland controversial authoritative and highly readable Tim Pat Coogan's biographies of Michael Collins and DeValera and his studies of the IRA the Troubles and the Irish Diaspora have transformed our understanding of contemporary Ireland and all have been massive bestsellers Now he has produced a major history of Ireland in the twentieth century Covering both South and North and dealing with cultural and social history as well as political this enthralling work will become the definitive single volume account of the making of modern Ireland Twentieth-Century Ireland (New Gill History of Ireland 6) Dermot Keogh, 2005-09-27 Professor Dermot Keogh's Twentieth Century Ireland the sixth and final book in the New Gill History of Ireland series is a wide ranging informative and hugely engaging study of the long twentieth century surveying politics administrative history social and religious history culture and censorship politics literature and art It focuses on the consolidation of the new Irish state over the course of the twentieth century Professor Keogh highlights the long tragedy of emigration its effect on the Irish psyche and on the under performance of the Irish economy He emphasises the lost opportunities for reform of the 1960s and early 70s Membership of the EU had a diminished impact due to short term and sectionally motivated political thinking and an antiquated government structure Professor Keogh looks at how the despair of the 1950s revisited the country in the 1980s as almost an entire generation felt compelled to emigrate very often as undocumented workers in the United States Professor Keogh also argues that the violence in Northern Ireland from the late 1960s was an Anglo Irish failure which was turned around only when Britain acknowledged the role of the Irish government in its resolution He extends his analysis of the twentieth century to include a wide ranging survey of the most contentious events financial corruption child sexual abuse scandals in the Catholic Church between 1994 and 2005 Twentieth Century

Ireland Table of Contents A War without Victors Cumann na nGaedheal and the Conservative Revolution De Valera and Fianna Fáil in Power 1932 1939 In the Time of War Neutral Ireland 1939 1945 Seán MacBride and the Rise of Clann na Poblachta The Inter Party Government 1948 1951 The Politics of Drift 1951 1959 Seán Lemass and the Rising Tide of the 1960s The Shifting Balance of Power Jack Lynch and Liam Cosgrave 1966 1977 Charles Haughey and the Poverty of Populism Ireland in the New Century

The British Left and Ireland in the Twentieth Century Evan Smith, Matthew Worley, 2021-05-12 This collection explores how the British left has interacted with the Irish question throughout the twentieth century the left's expression of solidarity with Irish republicanism and relationships built with Irish political movements Throughout the twentieth century the British left expressed to varying degrees solidarity with Irish republicanism and fostered links with republican nationalist socialist and labour groups in Ireland Although this peaked with the Irish Revolution from 1916 to 1923 and during the Troubles in the 1970s 80s this collection shows that the British left sought to build relationships with their Irish counterparts in both the North and South from the Edwardian to Thatcherite period However these relationships were much more fraught and often reflected an imperial dynamic which hindered political action at different stages during the century This collection explores various stages in Irish political history where the British left attempted to engage with what was happening across the Irish Sea The chapters in this book were originally published in the journal Contemporary British History

The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A.S. Twentieth-century Fiction by Irish Women Heather Ingman, 2007 Heather Ingman's study argues that reading twentieth century Irish women's fiction in the light of Kristeva's theories of nationhood places Irish women at the heart of writing about the nation and demonstrates that the political dimension of their fiction has often been underestimated Her book is an important contribution to the study of gender in Irish writing that changes the way we view Irish women's writing

The Cambridge Companion to Twentieth-Century Irish Drama Shaun Richards, 2004-01-29 Publisher Description *Irish*

Drama and Wars in the Twentieth Century Wei H. Kao, 2022-09-08 This book delves into how playwrights whether canonical or less frequently discussed in the academic sphere have critically and creatively engaged with the Anglo Irish War the Irish Civil War the Easter Rising the Northern Ireland Troubles and other conflicts It not only approaches their plays some of which have not been subject to much study in relevant historical contexts but also explores how Irish dramatists have observed humanity and resilience in war and given their insights into republican unionist and denominational divides It also reveals the dynamic mechanism connecting playwrights performing venues critics and audience members As a whole this book will be of interest to Irish studies scholars theatre practitioners and historians and people who would like to have a systematic understanding of twentieth century Irish drama focusing on nation formation war revolution and humanity

Ireland in the Twentieth Century D.W. Harkness, 1995-11-13 What is it about the Irish that has kept them at each other's throats throughout this century In this thought provoking book Professor Harkness charts the record of antagonistic aspirations that have divided Irish Nationalists from Irish Unionists the latter since 1920 being concentrated in the six Counties of Northern Ireland Before the First World War advocates of Irish Home rule opposed Unionist defenders of the United Kingdom During and after the War Irish Nationalist separatists struggled against the Unionist stronghold in the North East When in 1922 Ireland was divided between two unequal administrations deadlock ensued The Irish Free State became first a Dominion in the British Commonwealth and then in 1949 the Irish Republic outside it Northern Ireland soldiered on a mere local administration devolved from Westminster determined to remain part of the United Kingdom but weakened by a divided population and by uncertain support from London In 1972 after a fierce renewal of communal strife within Northern Ireland London reasserted its rule over the province sought an end to violent conflict and pursued relations with Dublin to that end The contrast of the Belfast Dublin perspectives throughout this period are the substance of this book yet the ongoing record of practical day to day operations is also part of the story A multitude of contacts persisted across the Irish frontier economic and social sporting and cultural religious and professionals and to these too this book makes reference **The Twentieth Century**, 1911 **Shakespeare and Twentieth-century Irish Drama** Rebecca Steinberger, 2008 Exploring the influence of Shakespeare on drama in Ireland Rebecca Steinberger examines works by two representative playwrights Sean O'Casey 1880-1964 and Brian Friel 1929 Shakespeare's plays grounded in history nationalism and imperialism embody an empathy for the Irish other Irish dramatists appropriations of Shakespeare Steinberger argues were both a reaction to the language of domination and a means to support their revision of the Irish as Subject Masculinities in

Mid-Twentieth-Century Irish Fiction and Culture, 1931-1965 Loic Wright, 2025-09-29 Masculinities in Mid Twentieth Century Irish Fiction and Culture 1931-1965 is a critical analysis of the construction consolidation and regulation of post colonial Irish masculinity as evidenced by Irish fiction published during the mid twentieth century Investigating the years of the Irish Free State and the Republic of Ireland this book uses the years preceding the enactment of Bunreacht na h-Ireann the Irish

Constitution in 1937 and the years following the First Programme for Economic Expansion in 1958 as its span for research. The analysis in this book incorporates contextual work on the masculinities of election rhetoric. Church and State visions of an idealised Irish masculinity and the role of popular culture and fiction in promoting or rejecting official versions of Irish manhood. Therein this book crucially analyses both critically acclaimed Irish authors such as Kate O'Brien, John McGahern and Elizabeth Bowen alongside lesser known writers who fell victim to the mid-century's rigorous culture of censorship such as M.J. Farrell, Norah Hoult and John Broderick. Wright's research in this book provides a holistic approach to scrutinising the construction of post-colonial Irish masculinity including analysis on drinking culture, civil service employment, queer relationships and the value of violence in masculine currencies.

Celtic Literatures in the Twentieth Century Сборник статей, 2015-09-09. The Centre for Irish and Celtic Studies at the University of Ulster hosted at Coleraine between the 24th and 26th August 2000 a very successful and informative conference on Celtic Literatures in the Twentieth Century. The lectures and the discussions were of a high standard and it was the intention of the organisers to edit and publish the proceedings as soon as possible thereafter. Unfortunately due to difficulties in assembling some of the papers this was not possible and consequently publication has been delayed much longer than was originally anticipated. Despite this delay we feel that those papers which we have received merit publication at this time not only because of their intrinsic merits but also because they represent the views of the authors on their respective topics at the turn of the twentieth century and will hopefully be of value to those interested in the state of the modern Celtic literatures.

The British Constitution in the Twentieth Century Vernon Bogdanor, 2004-06-10. This is the first scholarly survey of the British constitution in the twentieth century. Indeed it fills a very real gap in the history of Britain during the last hundred years. The book is a product of interdisciplinary collaboration by a distinguished group of constitutional lawyers, historians and political scientists and draws where possible on primary sources. Its evaluation of the recent constitutional reforms will be of particular interest. This major interpretation of the constitution will remain authoritative for many years.

Twentieth Century, 1905. The Nineteenth century and after. London.

The British Labour Party and twentieth-century Ireland Laurence Marley, 2015-12-01. With contributions from a range of distinguished Irish and British scholars this collection of essays provides the first full treatment of the historical relationship between the Labour Party and Ireland in the last century from Keir Hardie to Tony Blair.

Single Mothers in Twentieth-century Ireland and Britain Lorraine Grimes, 2025-08-21. Throughout the Twentieth Century many women in Ireland and Britain endured shame and institutionalisation for becoming pregnant outside of marriage. In this welcome study Lorraine Grimes examines the journeys made by hundreds of pregnant Irish women to Britain as they fled to escape their local communities. Their experiences in Britain however were not free of stigma and Grimes's book analyses the nuances of the institutional networks both in Britain and Ireland which these women utilised. *Single Mothers in Twentieth Century Ireland and Britain* focuses on the experiences of women from 1926-1973 in cities with

high Irish emigrant populations including London Liverpool Birmingham and Glasgow Unlike official narratives such as Ireland's Commission of Investigation into the Mother and Baby Homes this book prioritises the experiences of the survivors and ensure that women's experiences are central to the narrative It also incorporates original interviews with children born in institutions and for the first time interviews with religious and medical staff are also included in the historiography Using archival research and oral history Grimes reveals the methods British and Irish institutions developed from forced adoption to repatriation and the impacts of this on the women and children's lives Grimes makes a significant contribution to the historiography surrounding the movement of women and children across international borders through repatriation and adoption between institutions on both sides of the Irish Sea From extensive archival research this book reveals cases of Irish single mothers seeking assistance in Britain as well as cases of rape incest and domestic violence within the institutional records In addition archival cases expose prejudice towards women from other colonial countries in institutions in Britain particularly from the 1960s A first for the field Single Mothers includes a chapter on the experiences of single fathers Sensitive to the underlying issues of class and gender politics the book also shows that women often enacted a large degree of agency to improve their situation If you are interested in women's political and social history and the history of the institutional relationships of Britain and Ireland this book is essential reading

Theatre and the State in Twentieth-Century Ireland Lionel Pilkington, 2002-01-22 This major new study presents a political and cultural history of some of Ireland's key national theatre projects from the 1890s to the 1990s Impressively wide ranging in coverage Theatre and the State in Twentieth Century Ireland Cultivating the People includes discussions on the politics of the Irish literary movement at the Abbey Theatre before and after political independence the role of a state sponsored theatre for the post 1922 unionist government in Northern Ireland the convulsive effects of the Northern Ireland conflict on Irish theatre Lionel Pilkington draws on a combination of archival research and critical readings of individual plays covering works by J M Synge Sean O Casey Lennox Robinson T C Murray George Shiels Brian Friel and Frank McGuinness In its insistence on the details of history this is a book important to anyone interested in Irish culture and politics in the twentieth century

Policing Twentieth Century Ireland Vicky Conway, 2013-08-15 The twentieth century was a time of rapid social change in Ireland from colonial rule to independence civil war and later the Troubles from poverty to globalisation and the Celtic Tiger and from the rise to the fall of the Catholic Church Policing in Ireland has been shaped by all of these changes This book critically evaluates the creation of the new police force an Garda Siochana in the 1920s and analyses how this institution was influenced by and responded to these substantial changes Beginning with an overview of policing in pre independence Ireland this book chronologically charts the history of policing in Ireland It presents data from oral history interviews with retired garda who served between the 1950s and 1990s giving unique insight into the experience of policing Ireland the first study of its kind in Ireland Particular attention is paid to the difficulties of transition the early encounters with the IRA the

policing of the Blueshirts the world wars gangs in Dublin and the growth of drugs and crime Particularly noteworthy is the analysis of policing the Troubles and the immense difficulties that generated This book is essential reading for those interested in policing or Irish history but is equally important for those concerned with the legacy of colonialism and transition

Twentieth-Century Britain William D. Rubinstein, 2017-03-14 This comprehensive study describes the major political events of the Twentieth century in Britain in a cogent lucid way William D Rubinstein presents the history key personnel problems and achievements of Britain's administrations from Lord Salisbury's government in 1900 to Tony Blair's Cool Britannia Ideal for both students and general readers Rubinstein's book provides a detailed examination of Britain's political evolution in the Twentieth century
