The Irish Of Days:

The Day of days, conducted by C. Bullock Charles Bullock,1882 Technical Bulletin ,1934 *The Irish Ecclesiastical Record* ,1915 *Every Day and Every Way* Abraham Resnick,Helen Pappas,Margaret Pavol,2000-05 Every Day and Every Way For Teaching Holidays and Special Days is a quick reference mini unit resource and activity book It is designed for use by classroom teachers curriculum coordinators and principals Each mini unit can readily be converted into a workable lesson plan As a practicing educator you are well aware of the excitement and spirit that are usually generated in the classroom when holidays festivals and special days are appropriately observed Now more than ever educators like yourself are beginning to realize that the celebration or remembrance of a special event historical anniversary or birthday can readily become a catalyst for integrating positive citizenship themes into the instructional program You will find that your students will enjoy learning about the early origins of special holidays They will be enriched by the tracing of their development from past to present *The Overland Monthly* ,1909 The Irish Law Times and Solicitors' Journal ,1893 **The Fortnightly** ,1880 *On This Day in Wyoming History* Patrick T. Holscher,2014-03-18 Wyoming might be known as the least populous state but this land of mountains and prairies is home to enough history to provide an entertaining footnote for each day of the year On September 6 1870 Wyoming was the first state to give women the right to vote and on March 1 1872 Yellowstone became the world s first National Park JCPenney opened its doors in Kemmerer on April 14 1902 while May 1 1883 marks Buffalo Bill Cody s very first Wild West Show Join Pat Holscher on a day by day look at some of the Equality State s most fascinating factoids **Public Opinion** ,1920 *True Latter-Day Saints' Herald* ,1884 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints **Finley Peter Dunne and Mr. Dooley** Charles Fanning,2014-07-15 Finley Peter Dunne American journalist and humorist is justly famous for his creation of Mr Dooley the Chicago Irish barkeep whose weekly commentary on national politics war and human nature kept Americans chuckling over their newspapers for nearly two decades at the beginning of this century Largely forgotten in the files of Chicago newspapers however are over 300 Mr Dooley columns written in the 1890s before national syndication made his name a household word Charles Fanning offers here the first critical examination of these early Dooley pieces which far better than the later ones reveal the depth and development of the character and his creator Dunne created in Mr Dooley a vehicle for expressing his criticism of Chicago s corruption despite the conservatism of most of his publishers Dishonest officials who could not be safely attacked in plain English could be roasted with impunity in the pure Roscommon brogue of a fictional comic Irishman In addition Dunne painted through the observations of his comic persona a vivid and often poignant portrait of the daily life of Chicago s working class Irish community and the impact of assimilation into American life He also offered cogent views of American urban political life already dominated by the Irish as firmly in Chicago as in other large American cities and of the tragicomic phenomenon of Irish nationalism Mr Fanning s penetrating examination of these early Dooley pieces clearly

establishes Dunne as far more than a mere humorist Behind Mr Dooley s marvelously comic pose and ironic tone lies a
 wealth of material germane to the social and literary history of turn of the century America **Parliamentary Papers** Great
