The Itinerant Schoolmaster Knud George Pedersen,1973 *The Itinerant Schoolmaster* Knud George Pedersen,1973
Research in Education ,1973 *School Finance and Teacher Quality* Margaret L. Plecki,David H. Monk,2014-01-09

The yearbook is organized around four issues each of which can be viewed as representing an important focal point to improve teacher and teaching quality and having important implications for school finance The issues are 1 teacher recruitment induction and retention 2 the ongoing professional development of teachers 3 equity in the allocation of teaching resources 4 teacher compensation and workplace conditions **Schoolteacher** Dan C. Lortie,2020-05-21 Upon its initial publication many reviewers dubbed Dan C Lortie s Schoolteacher the best social portrait of the profession since Willard Waller s classic *The Sociology of Teaching* This new printing of Lortie s classic including a new preface bringing the author s observations up to date is an essential view into the world and culture of a vitally important profession **Fiscal Policy in Urban Education** Christopher Roellke,Jennifer King Rice,2002-10-01 Mission Statement The current education policy emphasis on higher performance standards school level accountability and market based reform presents important research challenges within the field of school finance The simultaneous pursuit of both equity and efficiency within this policy context creates an unprecedented demand for rigorous timely and field relevant research on fiscal practices in schools This book series is intended to help meet this demand Specifically the series provides a scholarly forum for interdisciplinary research on the financing of public private and higher education in the United States and abroad The series is committed to disseminating high quality empirical studies policy analyses theoretical models and literature reviews on contemporary issues in fiscal policy and practice Each themed volume is intended for a diversity of readers including academic researchers policy makers and school practitioners *Resources in Education* ,1973 **Economics of Education** George Psacharopoulos,2014-05-17 Economics of Education Research and Studies reviews key topics in the field of economics of education since 1960s This book is organized into 12 parts Part I and Part II focus on the supply side of human capital and narrower aspects of human capital creation by means of education Subsequent parts look at the benefits of education relationship between education and employment controversies in the field of economics of education issues of manpower planning and methodology for empirically analyzing the issues in the economics of education The last two parts address the costs of education with emphasis on cost function analysis and on the financing of education *Teachers' Career and Promotion Patterns* Rupert Maclean,2019-08-13 First published in 1992 this book shows that despite appearances and beliefs to the contrary teachers go in for career planning just as systematically as the members of any other profession and that the career movement of teachers is patterned not random It demonstrates that status and rewards matter but so do teaching locations and conditio **Fit to Teach** Jackie M. Blount,2006-07-03 Examines the construction of gender in public school employment *A Study of Attrition from the Teaching Profession of Michigan State University Graduates who Taught in*

Michigan Public Schools in 1972-73, But Not in 1973-74 Katherine Ann Radcliffe, 1975 Reasons for Teacher Turnover Among Post Primary Institution Teachers in Kano State, Nigeria (1977-1982) James Adu Miakano, 1984 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975 *Classrooms and Staffrooms* Andy Hargreaves, Peter Woods, 2019-12-16 Originally published in 1984 the articles presented here explore such matters as how teachers maintain order how they treat their pupils and how they cope with pressure they examine the ways in which teachers relate to their colleagues what goes on in staffrooms how they engage in educational debate and what their ambitions are The contributors get to grips with what it is really like to be a teacher to make sense of the everyday rewards and penalties opportunities and problems This is the hallmark of the ethnographic method of educational inquiry It brings to life by close observation and or in depth interview the internal workings of an institution or culture revealing the perspectives of its members their roles and adaptations and making explicit the routine or taken for granted features of institutional life All the papers in the volume are to one degree or another located within this methodological tradition they all begin with what life is actually like for teachers in schools Though they draw on a range of theoretical perspectives from interactionism and ethnomethodology to Marxism and the New Sociology of Education and more besides In this volume the editors bring together examples of some of the most important and influential pieces of work which illustrate the range of material and which have hitherto been spread widely among different research reports academic journals and collections of conference papers *Classrooms and Staffrooms* provides a fund of quality source materials for initial and in service teachers

Alternative Practices of Internal Salary Distribution and Their Effects on Teacher Recruitment and Retention Stephen L. Jacobson, 1986 *Who's who in Canada* Charles Whately Parker, Barnet M. Greene, 2001 An illustrated biographical record of leading Canadians from business the professions government and academia Who's who and why, 1980 **Annales Academiae Scientiarum Fennicae** Maija Lehtonen, 1982 *Publishers Directory*, 1994 **The Canadian Who's who**, 1988
