Jesuit Missions in Coastal and South India (1543-1773) Ines G.

Županov, 2025-03-03 Jesuit missions in coastal and South India were among the first foundations of the Society of Jesus in the world They represented models of apostolic action imitated, debated and reformulated in other parts of the world This book traces the history of the Jesuit missionary activities in the early modern period and shows how the Jesuits navigated European colonial interests and local conversion to Christianity through proselytizing and accommodation Jesuit missionary efforts were pragmatically divided between disciplining Portuguese and later on French colonial communities and attracting converts living among regional polities under Muslim and Hindu rulers

The Portuguese Empire, 1415-1808 A. J. R.

Russell-Wood, 2020-10-06 Winner of the Dom João de Castro Prize for Portuguese History This is the story of the first and one of the greatest colonial empires its birth, apotheosis and decline By approaching the history of the Portuguese empire thematically A. J. R. Russell Wood is able to pursue ideas and make connections that previously have been constrained by strict chronological approaches Using the study of movement as a focus Russell Wood gains unique insight into the diversity, breadth and balance between the competing interests and priorities that characterized the Portuguese culture and its expansion spanning four centuries events on four different continents

The Art of Travel Philip Dodd, 2013-08-21

First published in 1982 *The Art of Travel* is the first collection of critical essays to be devoted to British travel writing It attempts to give a sense of the wealth of such writing to map some of its forms and conventions and implicitly to claim a place for travel writing in any revised definition of literature For this collection travel includes sea voyages European tours commissioned enquiries into social conditions and urban writing travel writing ranges from works such as *Sea and Sardinia* by D. H. Lawrence whose status as a novelist guarantees his travel books some attention through the essays and books of Victorian middle class travellers into working class London to the work of V. S. Naipaul a contemporary writer who has increasingly preferred the travel book to the novel

Encyclopedia website State Crises, Globalisation and National Movements in North-East Africa Asafa Jalata, 2004-08-02

By identifying the critical central contradictions that are built into the politics of the Horn of Africa this book demonstrates that the crises of the Horn states stem from their political behaviour and structural forces such as internal social forces and global forces that have become involved on the sides of these states without requiring accountability the rule of law or the implementation of at least limited democracy The contributors provide a deep understanding of structural and conjunctural forces that have interacted in the processes of state power the role of intervention of global powers and the consequent failure to build state as a public domain The book also enriches our social scientific knowledge that is essential to develop pragmatic policy measures to address these problems Jesuit Ethos, The Enyegue, Jean Luc, SJ, 2023 The Jesuit Ethos aims at revisiting important moments in Jesuit history from the margins and in light of the current global challenges It argues that by examining Jesuit history from the margins one better appreciates this history as a spiritual journey a constant quest for the unity of hearts and minds among the members Their cultural and political origins the diversity of their ministries their apostolic dispersion amid the First Globalization and constant assaults from declared enemies kept the Jesuits on the verge of implosion and immolation and made the unity among their members a matter of survival By analyzing how the Jesuits exploited their diversity of cultures and politics to build a global ethos and how this global organization was sustained for the last 500 years relevant lessons can be learned to address the ongoing challenges of our global community While speaking to a broader global oriented audience such a history might be the first of such by an African thus its originality in a context of shifting demographics in the Church and Society of Jesus and questions about the identity of its institution and mission

The Death Penalty in Africa Aimé Muyobokey Karimunda, 2016-03-16 Human development is not simply about wealth and economic well being it is also dependent upon shared values that cherish the sanctity of human life Using comparative methods archival research and quantitative findings this book explores the historical and cultural background of the death penalty in Africa analysing the law and practice of the death penalty under European and Asian laws in Africa before independence Showing progressive attitudes to punishment rooted in both traditional and modern concepts of human dignity Aim Muyobokey Karimunda assesses the ground on which the death penalty is retained today Providing a full and balanced appraisal of the arguments the book presents a clear and compelling case for the total abolition of the death penalty throughout Africa This book is essential reading for human rights lawyers legal anthropologists historians political analysts and anyone else interested in promoting democracy and the protection of fundamental human rights in Africa *The Sign and the Seal* Graham Hancock, 2012-09-19 A compelling brew of mystery crime and science revealing the details behind the search for the lost Ark of the Covenant The Lost Ark of the Covenant is one of the great historical mysteries of all time To believers the Ark is the legendary vessel holding the stone tablets of the Ten Commandments The Bible contains hundreds of references to the Ark s power to level mountains destroy armies and lay waste to cities The Ark itself however mysteriously

disappears from recorded history sometime after the building of the Temple of Solomon After ten years of searching through the dusty archives of Europe and the Middle East as well as braving the real life dangers of a bloody civil war in Ethiopia Graham Hancock has succeeded where scores of others have failed This intrepid journalist tracked down the true story behind the myths and legends revealing where the Ark is today how it got there and why it remains hidden Part fascinating scholarship and part entertaining adventure yarn tying together some of the most intriguing tales of all time from the Knights Templar and Prester John to Parsival and the Holy Grail this book will appeal to anyone fascinated by the revelation of hidden truths the discovery of secret mysteries *Merchants of Maritime India, 1500-1800* Ashin Das Gupta, 2024-10-28 The focus of this volume is the rise and fall of the Indian maritime merchant in the early modern period the heyday of Moghul Surat the appearance of a group of independent merchant shipowners and their eclipse at the end of the period in the face of European competition and monopolies Much of the evidence for the activity of these Indian merchants comes from the records of the Dutch and English East India Companies as well as the papers of English private merchants and this is carefully assessed by Professor Das Gupta in these articles He is also concerned to set the picture thus gained in the context of the trade of the Indian Ocean region as a whole and to relate it to the questions of continuity and change raised by Van Leur

Resettlement and Famine in Ethiopia Alula Pankhurst, 1992 This book is the inside story of the Ethiopian resettlement programme carried out in the mid 1980s by the Ethiopian government amid fierce international controversy It relies on the views of the settlers themselves and is based on an in depth study carried out by an anthropologist who lived in a resettlement village Alula Pankhurst dispels current myths about resettlement while showing the importance of famine and coercion he highlights social factors in the mosaic of settlers motivation He documents the attempt to institute a collectivist model of agriculture and analyses the reasons for its failure He also examines the effects of Ethiopia's recent economic liberalisation and the impact of aid agencies The book addresses an increasing Third World phenomenon state organised relocation It is a major contribution to the literature on mass migration and on refugees By focusing on the interaction between people and the state it also reassesses a fundamental development problem the gulf between local and national priorities Accessible and thought provoking Resettlement and famine in Ethiopia will be of interest to anthropologists students of development studies and practitioners and all those concerned by famine forced migration and socialist attempts to transform societies

Pathfinders: A Global History of Exploration Felipe Fernández-Armesto, 2007-10-17 A brilliant and readable book a rich study of humankind's restless spirit Candice Millard New York Times Book Review Greeted with coast to coast acclaim on publication Fernández Armesto's ambitious history of world exploration sets a new standard Presenting the subject for the first time on a truly global scale Fernández Armesto tracks the pathfinders who over the past five millennia lay down the routes of contact that have drawn together the farthest reaches of the world The Wall Street Journal calls it impressive a huge story told with gusto and panache To the Washington Post Pathfinders is propelled by an
