**The Jewish Response to Missionary Christianity:** Gerald Sigal, 2015-05-03 For 2000 years Christian missionaries have attempted to convert Jews to Christianity using the Jewish Bible as proof Although great rabbinic scholars have over the years refuted many of these false teachings Gerald Sigal's THE JEWISH RESPONSE TO MISSIONARY CHRISTIANITY is the authoritative collection First Sigal analyzes the proof texts that the missionaries use and shows their distortions and mistakes Next he turns his attention to the New Testament and proves conclusively that it cannot be the Word of God THE JEWISH RESPONSE TO MISSIONARY CHRISTIANITY is a book for scholars and laymen alike Warning If you are a Jew who has embraced Christian missionary teachings this book will shake you to your core

**A Missionary's Return to Judaism** Samuel Freuder, 1915

**Postmissionary Messianic Judaism** Mark S. Kinzer, 2005-11-01 In recent years a new form of Messianic Judaism has emerged that has the potential to serve as a bridge between Jews and Christians Giving voice to this movement Mark Kinzer makes a case for nonsupersessionist Christianity He argues that the election of Israel is irrevocable that Messianic Jews should honor the covenantal obligations of Israel and that rabbinic Judaism should be viewed as a movement employed by God to preserve the distinctive calling of the Jewish people Though this book will be of interest to Jewish readers it is written primarily for Christians who recognize the need for a constructive relationship to the Jewish people that neither denies the role of Jesus the Messiah nor diminishes the importance of God's covenant with the Jews

*Christians & Jews—Faith to Faith* Rabbi James Rudin, 2013-07-13 In time for Pope Francis's new initiatives We now have the potential to end two thousand years of hostility will we succeed New in paperback With keen wisdom and a masterful understanding of history Rabbi James Rudin an acclaimed authority in the field of Jewish Christian relations provides the context necessary for Christians and Jews to recognize the critical challenges posed by the past and the future of their two religions Spanning twenty centuries of controversy horror and promise Rudin's narrative examines The sources of both conflict and commonality between the two religions The need to address and redress past wrongs The agenda required to create a shared future free of bigotry It includes proven approaches for successful interreligious dialogues including tips on session organization project ideas and a discussion guide to enhance Christians and

Jews knowledge of each other      [Evangelizing the Chosen People](#) Yaakov Ariel, 2003-06-19 With this book Yaakov Ariel offers the first comprehensive history of Protestant evangelization of Jews in America to the present day Based on unprecedented research in missionary archives as well as Jewish writings the book analyzes the theology and activities of both the missions and the converts and describes the reactions of the Jewish community which in turn helped to shape the evangelical activity directed toward it Ariel delineates three successive waves of evangelism the first directed toward poor Jewish immigrants the second toward American born Jews trying to assimilate and the third toward Jewish baby boomers influenced by the counterculture of the Vietnam War era After World War II the missionary impulse became almost exclusively the realm of conservative evangelicals as the more liberal segments of American Christianity took the path of interfaith dialogue As Ariel shows these missionary efforts have profoundly influenced Christian Jewish relations Jews have seen the missionary movement as a continuation of attempts to delegitimize Judaism and to do away with Jews through assimilation or annihilation But to conservative evangelical Christians who support the State of Israel evangelizing Jews is a manifestation of goodwill toward them      **A Missionary's Return to Judaism: The Truth about the Christian Missions to the Jews** Samuel Freuder, 2017-08-21      *Christianity and the Jew* Delaware Walter Scott, 1914      **Christianity After Auschwitz** Paul R. Carlson, EdD, 2000-06-14 There is an old Jewish adage that pretty much sums up Israel's experience among the nations for the last 2 000 years Scratch a gentile the saying goes and you're sure to find an anti Semite That notion is given credence by the fact that the first two millennia of the Jewish Christian encounter culminated in the systematic slaughter of six million Jews in the heart of Christendom But Dr Paul R Carlson author of *Christianity After Auschwitz* is cautiously optimistic that the dawn of this new millennium may lead to Jewish Christian amity as the Church faces up to its past sins and seeks to work with the Synagogue against those demonic forces which threaten civilization itself However as Carlson illustrates the genocidal germ that gave birth to Hitler's criminal regime still flourishes among countless Christians many of whom would passionately deny they harbor any anti Semitic notions or sentiments While the book is addressed primarily to Carlson's fellow evangelicals both Jews and Christians will discover that it provides the general reader with an overview of those critical issues which scholars alone have in the past wrestled with in the post Holocaust Jewish Christian encounter At the outset Carlson is quick to concede that the late Rabbi Joseph B Soloveitchik a scion of the great Chechnowa Rebbe was certainly correct when he insisted that Christians have never tried to penetrate the soul of the Jews They have read the Bible but neglected the oral tradition by which we interpret it he noted This makes a different Bible altogether For example says Rav Soloveitchik To equate Judaism with legalism the way Christian theologians are prone to do is like equating mathematics with a compilation of mathematical equations By the same token old stereotypes die hard The Jew has been pictured as the arch capitalist and the arch Bolshevik and chastised for being both whipsawed by contending forces says Nathan C Belth The Soviet authorities saw Jews as a threat to the state and Alexander Solzhenitsyn who castigate

d Soviet terror sees Jews as libertarians who brought on socialism after of course rejecting Christ Since time immemorial anti Semites have also portrayed the Jew as the greedy shady businessman or banker But they conveniently forget stories such as that of Haym Salomon 1740 1785 the Jewish broker whose financial aid staved off starvation and desertion among American troops during our War for Independence At one critical point Robert Morris the American financier and statesman sent a messenger to alert Haym Salomon of the plight of the cash strapped Colonial forces The man brought the news to Salomon while he was attending Yom Kippur services at Mikveh Israel Synagogue in Philadelphia The congregation was shocked at the intrusion on the holiest day of the Jewish year but Haym Salomon quietly informed the messenger Tell Mr Morris our country s appeal will not be in vain But that old canard about Jews and their money remains grist for the anti Semite s mill By the same token Jews have not been entirely blameless when it comes to their own stereotypes of Christians particularly evangelicals Nathan Perlmutter confessed as much during his tenure as national director of the Anti Defamation League ADL of B nai B rith Our image of the fundamentalist and the evangelical is a kind of collage assembled out of bits and pieces from Theodore Dreiser Sinclair Lewis and Erskine Caldwell he admitted Even after all this time memories of the great swarm of sex ridden Bible thumping caricatures continue to exert a pervasive power But evangelicals would be among the first to admit that Jews have come a long way since the days of the infamous Toledot Yeshu or Life of Jesus which depicted the Galilean in scandalous terms Indeed the Israeli author Shalom Ben Chorin is representative of those Jewish intellectuals who now believe that it is time for Jesus to come home again Meanwhile few Christians realize just how vulnerable many Jews feel in what they perceive to be Christian America That perception is heightened by the 1992 American Jewish Year Book finding that roughly 12 percent of Americans of Jewish heritage are now Christians There is another way of looking at what I have called a disaster in the making says former US Assistant Secretary of State Elliott Abrams author of Faith or Fear How Jews Can Survive in a Christian America Of the 6 8 million people who are Jews or of Jewish descent 1 1 million say they have no religion and 1 3 million have joined another religion adding up to 2 4 million Abrams observes This means that one third of the people in America of Jewish ethnic origin no longer report Judaism as their current religion Abrams italics Such statistics illustrate why Jewish leaders unanimously condemn those Christian missionary agencies which specifically target Jews for conversion They have been particularly incensed by one recent evangelical effort known as Peace 2000 which aimed to convert every Jew in Israel to Christianity by the dawn of the new millennium Centuries of martyrdom are the price which the Jewish people has paid for survival says Brandeis scholar Marshall Sklare And the apostate at one stroke makes a mockery of Jewish history But if the convert is contemptible in Jewish eyes Sklare adds the missionary all the more the missionary of Jewish descent is seen as pernicious for he forces the Jew to relive the history of his martyrdom all the while pressing the claim that in approaching the Jew he does so out of love What kind of love is it Jews wonder that would deprive a man of his heritage Sklare asks Furthermore given the history of Christian treatment of the Jews would it not seem time at last to

recognize that the Jew has paid his dues and earned the right to be protected from obliteration by Christian love as well as destruction by Christian hate The distinguished Rabbi Abraham Joshua Heschel was even more pointed about the matter I had rather enter Auschwitz he once remarked than be an object of conversion All of this leads to the opening chapter of Christianity After Auschwitz which introduces Christians to Emil Fackenheim's Eleventh Commandment or 614th Mitzvoh which decrees that Jews are not permitted to grant Hitler any posthumous victories through intermarriage assimilation or conversion to a faith not their own In a word they are commanded to remain Jews By the same token Jewish scholars are quick to recognize that any open and honest dialogue will at some point involve a frank discussion of the similarities and differences between the Jewish and Christian perceptions of the Messianic hope With that understanding the second chapter deals with the remarkable career of the late Rabbi Menachem Mendel Schneerson the seventh and last Grand Rebbe of the Chabad Lubavitch Hasidim Many of his talmidim or disciples believe he will ultimately be revealed as King Messiah His life and work are considered within the context of that of Jesus of Nazareth as well as those of several pseudo messiahs who have troubled Israel down through the centuries The author then makes it clear that Jesus himself

**The Jewish Response to Missionaries** Bentzion Kravitz,2001      To the Jew First or to the Jew at Last Antoine XJ Fritz,2014-09-25 Many missions to the Jewish people such as Jews for Jesus use Romans 1 16 as a proof text to encourage the evangelisation of the Jewish people as a priority to the Jew first and then to the Greek Jewish Missional Priority Is this interpretation of the text legitimate After considering when this priority first appeared the author exposes and evaluates the arguments commonly used to promote it His thorough exegesis of Romans 1 16 17 ultimately resolves the question He takes the opportunity to explore some possible eschatological implications developed from Romans 9 11 and the parables of Jesus Will the first also be the last

**Jewish Missionary Intelligence** ,1896      A Missionary's Return to Judaism Samuel Freuder,2016-10-16 Excerpt from A Missionary's Return to Judaism The Truth About the Christian Missions to the Jews The hope of doing something to promote the cause of truth and justice has been my inspiring motive for the publication of the following pages I wish I could have presented the facts concerning the men and methods used in the Christian missions to the Jews without referring to my own life as a convert But since the testimony of a witness who hides his antecedents is of doubtful value I was obliged to bare my life to the public for the sake of making my testimony as effective as possible From the evidence presented it will be seen that the mission work among the Jews as carried on by professional converts is reeking with insincerity and dishonesty and is not deserving the support Of decent Christian men and women who deceived by their missionary hirelings are led to believe that they are helping a good cause About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may
