The Jewish Community Of Istanbul In The Nineteenth Century Social Legal And Administrative Transformations:

The Jewish Community of Istanbul in the Nineteenth Century, 1996 **The Jewish Community of Istanbul in the Nineteenth Century** Ilan Karmi, 2010-12-31 **The Jewish Community of Istanbul in the Nineteenth Century** Ilan Karmi, 1996 *The Urban Social History of the Middle East, 1750-1950* Peter Sluglett, 2008-12-08 The great cities of the Middle East and North Africa have long attracted the attention and interest of historians With the discovery and wider use over the last few decades of Islamic court records and Ottoman administrative documents our knowledge of Middle Eastern cities between the seventeenth and early twentieth centuries has vastly expanded Drawing upon a treasure trove of documents and using a variety of methodologies the contributors succeed in providing a significant overview of the ways in which Middle Eastern cities can be studied as well as an excellent introduction to current literature in the field *Jewish Life in Twenty-First-Century Turkey* Marcy Brink-Danan, 2011-12-06 Turkey is famed for a history of tolerance toward minorities and there is a growing nostalgia for the Ottoman mosaic In this richly detailed study Marcy Brink Danan examines what it means for Jews to live as a tolerated minority in contemporary Istanbul Often portrayed as the good minority Jews in Turkey celebrate their long history in the region yet they are subject to discrimination and their institutions are regularly threatened and periodically attacked Brink Danan explores the contradictions and gaps in the popular ideology of Turkey as a land of tolerance describing how Turkish Jews manage the tensions between cosmopolitanism and patriotism difference as Jews and sameness as Turkish citizens tolerance and violence *Jews in the Realm of the Sultans* Yaron Ben-Naeh, 2008 Jewish society in the Ottoman Empire has not been the subject of systematic research The seventeenth century is the main object of this study since it was a formative era For Ottoman Jews the Ottoman century constituted an era of gradual acculturation to changing reality parallel to the changing character of the Ottoman state Continuous changes and developments shaped anew the character of this Jewry the core of what would later become known as Sephardi Jewry Yaron Ben Naeh draws from primary and secondary Hebrew Ottoman and European sources the image of Jewish society in the Ottoman Empire In the chapters he leads the reader from the overall urban framework to individual aspects Beginning with the physical environment he moves on to discuss their relationships with the majority society followed by a description and analysis of the congregation its organization and structure and from there to the character of Ottoman Jewish society and its nuclear cell the family Special emphasis is placed throughout the work on the interaction with Muslim society and the resulting acculturation that affected all aspects and all levels of Jewish life in the Empire In this the author challenges the widespread view that sees this community as being stagnant and self segregated as well as the accepted concept of a traditional Jewish society under Islam State-nationalisms in the Ottoman Empire, Greece and Turkey Benjamin C. Fortna, Stefanos Katsikas, Dimitris Kamouzis, Paraskevas Konortas, 2013 Tracing the emergence of minorities and their institutions from the late nineteenth century to the eve of the Second World War this book provides a comparative study of

government policies and ideologies of two states towards minority populations living within their borders Making extensive use of new archival material this volume transcends the tendency to compare the Greek Orthodox in Turkey and the Muslims in Greece separately and through a comparison of the policies of the host states and the operation of the political religious and social institutions of minorities demonstrates common patterns and discrepancies between the two countries that have previously received little attention A collaboration between Greek and Turkish scholars with broad ranging research interests this book benefits from an international and balanced perspective and will be an indispensable aid to students and scholars alike

The Crescent Moon and the Magen David Karel

Valansi,2018-02-20 The nationalist outlook of the Turkish state since the beginning of the Republican era in 1923 targeted uniform identity formation While Turkey did not recognize the existence of ethnic identities as long as they were Muslim non Muslims were challenging this ideal During this social engineering the religious minorities and the state had very turbulent relations based on mistrust resulting in many discriminative legislations The Republican story of the Jews provides significant insight to highlight the difficulties and challenges encountered in the formation of the Turkish Republic as well as the changes in the Turkish public with the new nation state in effect Following the Second World War a new state was established in the Middle East During the Cold War the Soviet threat led Turkey to recognize the State of Israel established as a Jewish state The main reasoning of Turkey in recognizing Israel was to be accepted to the Western camp While the bilateral relations of Turkey and Israel increased gradually a surprisingly high number of Turkish Jews nearly 40 percent of the Jewish community in Turkey immigrated to the new country This book is an attempt to investigate the establishment of the State of Israel Turkey s recognition of the Jewish state and its repercussions on the Turkish public between the years 1936 and 1956 It explains the establishment of the State of Israel and the first three decades of the Turkish Republic It includes the religious minorities of Turkey with a special focus on the Jewish community as it is one of the major links between Turkey and Israel It combines Turkish public reaction to the establishment and recognition of the State of Israel shedding light on the reasons of the mass Jewish immigration which is at the same time the second biggest immigration out of Turkey after the labor immigration to Europe starting from the 1960s **Becoming Ottomans** Julia Phillips

Cohen,2014-04 Becoming Ottomans is the first book to tell the story of Jewish political integration into a modern Islamic empire It follows the efforts of Sephardi Jews from Salonica to Izmir to Istanbul to become citizens of their state during the final half century of the Ottoman Empire s existence *Mixing Musics* Maureen Jackson,2013-07-24 This book traces the

mixing of musical forms and practices in Istanbul to illuminate multiethnic music making and its transformations across the twentieth and twenty first centuries It focuses on the Jewish religious repertoire known as the Maftirim which developed in parallel with secular Ottoman court music Through memoirs personal interviews and new archival sources the book explores areas often left out of those histories of the region that focus primarily on Jewish communities in isolation political events and actors or nationalizing narratives Maureen Jackson foregrounds artistic interactivity detailing the life stories of musicians and their musical activities Her book amply demonstrates the integration of Jewish musicians into a larger art world and traces continuities and ruptures in a nation building era Among its richly researched themes the book explores the synagogue as a multifunctional venue within broader urban space girls women and gender issues in an all male performance practice new technologies and oral transmission and Ottoman musical reconstructions within Jewish life and cultural politics in Turkey today Turkish-Jewish Encounters Mehmet Tütüncü,2001 **The Transformation of a City** Angelo Georgakis,2003
