delusion and run after it till their attention is caught by some new folly more captivating than the first We see one nation suddenly seized from its highest to its lowest members with a fierce desire of military glory another as suddenly becoming crazed upon a religious scruple and neither of them recovering its senses until it has shed rivers of blood and sowed a harvest of groans and tears to be reaped by its posterity At an early age in the annals of Europe its population lost their wits about the sepulchre of Jesus and crowded in frenzied multitudes to the Holy Land another age went mad for fear of the devil and offered up hundreds of thousands of victims to the delusion of witchcraft Preface The Obstetrical Quiz for Nurses
