revelation Section two points out passages where two Persons manifest divine attributes or are called God Jehovah or Lord and Who is the Angel of the Lord Section three explains the texts where three Persons are called God Jehovah or Creator Here we see the lie of the Da Vinci Code as hundreds of years B C Jesus is called God God s self revelation in the Old Testament is proved by hundreds of fulfilled prophecies we enumerate The appendices deal with the eternal personality of the Spirit How to pray with Trinitarian Resources Biblical words and phrases twisted by sectarians the Trinity in the New Testament and Divine Names given equally to Jehovah and Jesus

The Birth of the Trinity Matthew W. Bates, 2015-03-12 How and when did Jesus and the Spirit come to be regarded as fully God The Birth of the Trinity offers a new historical approach by exploring the way in which first and second century Christians read the Old Testament in order to differentiate the one God as multiple persons The earliest Christians felt they could metaphorically overhear divine conversations between the Father Son and Spirit when reading the Old Testament When these snatches of dialogue are connected and joined they form a narrative about the unfolding interior divine life as understood by the nascent church What emerges is not a static portrait of the triune God but a developing story of divine persons enacting mutual esteem voiced praise collaborative strategy and self sacrificial love The presence of divine dialogue in the New Testament and early Christian literature shows that contrary to the claims of James Dunn and Bart Ehrman among others the earliest Christology was the highest Christology as Jesus was identified as a divine person through Old Testament interpretation The result is a Trinitarian biblical and early Christian theology

The Mystery of the Holy Trinity in Oldest Judaism Frank McGloin LL.D., 2016-12-20 THE Doctors and Fathers of the Church agree in recognizing that the august mystery of the Blessed Trinity is not found explicitly revealed in any of the pages of the Old Testament This mystery is the supreme manifestation of God s most intimate life To it the entire Christian revelation converges and the Divine Master seems to have reserved to Himself the privilege of teaching it to men in person when He dwelt amongst them With good reason however could St Augustine say that the Scriptures of the Old and the New Testament if read with a true Christian spirit testify that the Father the Son and the Holy Ghost are one only God in the unity of essence and substance In fact from the earliest dawn of man s existence the Divine Goodness has deigned to manifest something of the splendor of this supreme and adorable mystery On casting a glance over the majestic pages of Genesis it seems impossible to resist the impression that beneath a fonn of elocution strange to us but easy and altogether sublime there is hidden something mysterious pertaining to the essence and personality of that God who reveals Himself to our astonished sense in the pronouncing of a word which resounding through the fathomless abysses of nothingness calls forth into existence the heavens and the earth and the whole creation of which they form part By the side of this sovereign God who utters a word so mysterious so all potent there also appears the Spirit of God moving over the chaos of the waters and manifesting Himself in the production therein of that magnificence of endless variety and all pervading harmony in the immeasurable vastness of a Universe which is still but a pale reflection of God s infinite power wisdom and

love The Fathers and Doctors of the Church are also of one mind in seeing in the passage here referred to and in others of the Old Testament an intimation an implicit revelation of the mystery of the Blessed Trinity which the Savior deigned to reveal to us with such precision in the Gospel Purposely we refrain from a critical study of these passages as it would lead us too far and besides we would be only redoing the work so well done by Dr McGloin *Scriptural Doctrine of the Holy Trinity* Trinitarian Bible Society,1996-10-01 **The Doctrine of the Trinity in Unity** Member of the Church of England,1833
