The Journey Baird T. Spalding, 2021-11-25 Baird Spalding played a ground-breaking role when he introduced the Western world to the wonders of a Far East expedition in 1894. The knowledge of Masters assisting and guiding humanity in the classic book *LIFE AND TEACHING OF THE MASTERS OF THE FAR EAST* became legend in metaphysical circles during the first half of the 20th century and continues today as a source of spiritual enlightenment. Spalding and the others were practical in nature and the thought of spiritual masters performing miracles seemed impossible. Despite these suspect thoughts, something compelled them to move onward. So they did. Originally published as 3 separate volumes, DeVorss Publications is proud to release these historic books in one edition titled *THE JOURNEY: Life and Teaching of the Masters of the Far East Volumes 1-3*. A Single Edition with a NEW INTRODUCTION by MITCH HOROWITZ, author of *OCCULT AMERICA*. It is within these 3 volumes that Spalding details an expedition that lasted 3 years and covered the mountainous landscape of Nepal and India near the close of the 19th century.

**Further Adventures on the Journey to the West** Master of Silent Whistle Studio, 2020-10-15 As the audacious Monkey King battles his way through a landscape of inexplicable places and unfamiliar passions, *Further Adventures on the Journey to the West* offers a wry revisionist critique of the late Ming fascination with desire. Building on the great sixteenth-century novel *Journey to the West*, which recounts the escapades of a monk and three companions traveling to India in search of Buddhist scriptures to carry back to China, this sequel is a parable of self-delusion that explores the tension between desire and emptiness from a Buddhist perspective. The consummate literary novel written by an accomplished artist for a well-educated readership, it is filled with allusions and parodies and features a dream sequence narrative that is innovative and sophisticated even by modern standards. This new, fully annotated translation by two acclaimed scholars and translators brings to life this remarkably inventive, playful early modern text. The volume includes the original commentaries and illustrations, a critical introduction and afterword, and notes that highlight the sources of the novel's intertextual references, revealing the author's erudition and versatility. The open access publication of this book was made possible by a grant from the James P. Geiss and Margaret Y. Hsu Foundation.

**Life - the Journey Continues** Jaie Hart, 2010-01-08 *Life: The Journey Continues* is a collection of articles and journal entries that represent the concepts of Changing Perspectives in action with different and very real life experiences of the author. Renowned spiritual teacher, global humanitarian, and tireless advocate for peace, Gurudev Sri Sri Ravi Shankar has changed the lives of millions of people around the world for the better.

Yet many in the West have not been introduced to his profound and practical approach to living a spiritual life. This book will change that. In June of 1995 Gurudev began a weekly tradition of creating a short talk often on a subject that was relevant to current events or in response to questions posed by audiences at his international gatherings.
