The Lost Soul: The Journey of Faith Leading Into the Heart Of a Soul Rhonda Buchanan, 2022-08-01 For thirty four years I lived my life placing God in the category as the tooth fairy Santa Claus and the Easter bunny I attended a church for weddings and funerals I hated both Something about the chapels always made me anxious and nervous Maybe it was because of the way I felt about a God I didn't believe in At thirty four years old I was set in my ways when it came to any type of religion I was happy with my life I had a wonderful husband a company that was thriving a home I loved a nice car and we took vacations often I didn't want for anything I also worked for everything It was not handed to me on a silver platter I grew up in poverty a broken home along with bouncing from one place to another through my teens I was determined to be successful and by my standards I had made it The only thing that I failed at was the religion topic My husband would always try to get me to go to church or change my view For almost a decade he tried but it fell on deaf ears We would disagree about it and I refused to participate in anything religious I thought I was doing a great job and had my life together That could be far from the truth I couldn't see it It was not until God himself visited me in my living room He knew he would not find me sitting in a church pew or even near one That's the day I found out I had it all wrong also the day that my husband's prayers were answered However he never expected my reaction or how it would ultimately affect him as well and change his life God wanted me to give up everything I worked so hard for However my husband didn't sign up for that So he too was faced with very hard decisions Are you wondering what God told me Well he told me to find a lady named Hellen in another country Nicaragua to be exact Let's just say my life changed that instant First of all I had to tell my husband I am changing the way I live and placed my most prized assets on the back burner my marriage my career everything I struggled and worked so hard for All my time energy resources are now going to be devoted to God You know the one I knew nothing about

The Journey To An Undefeated Mind Yolanda Lear, 2020-11-29 The Journey To An Undefeated Mind is a book inspired by myself the author's personal battle against mental health It is about all the lessons and blessings I learnt along my journey I wanted to share this with others so that they can get through their own journey My book The Journey To An Undefeated Mind is all about the reader it is a direct conversation or speech from the author to the reader Guiding them through this journey advising them encouraging them speaking life into them when they feel low Something I didn't have around me as often as I would have liked it when I was going through my journey my battles against mental health I believe my book could be a big help to many people facing mental health whether you are facing it alone or not It's like having a pocket size friend travel along with you Ok maybe slightly bigger than pocket size But you get what I mean How often have you had to face something and you wished you had that extra bit of help guiding you through Enough support to help you on the right path But not too much so you can learn to do it yourself This is what my book is there for That extra bit of support That motivator friend that shows you

your worth Shows you that you can and always could do it You just had to start believing in yourself This is what The Journey To An Undefeated Mind is there for To get you to start believing in yourself again To get you to understand that in life you are bound to fall bound to fail a couple times But you will only be defeated if you choose to stay down if you choose to stay defeated Having an Undefeated Mind means yes in life we may fail we may take some L s but we won t be defeated in life
