MICHAEL MARSHALL

# The Jury Lists Of South Carolina 1778 1779

**William Howard Wright, Jo Turner  
Wright**

## **The Jury Lists Of South Carolina 1778 1779:**

**The Jury Lists of South Carolina, 1778-1779** ,2010-05 This volume is the next best thing to a census of South Carolina near the outset of the American Revolution It names about 9 000 adult males according to the administrative district in which each one lived [The Jury Lists of South Carolina, 1778-1779](#) South Carolina. Department of Archives and History,1975 [The Jury Lists of South Carolina, 1778-1779](#) ,1975 **Red Book, 3rd edition** Alice Eichholz,2004-01-01 No scholarly reference library is complete without a copy of Ancestry s Red Book In it you will find both general and specific information essential to researchers of American records This revised 3rd edition provides updated county and town listings within the same overall state by state organization Whether you are looking for your ancestors in the northeastern states the South the West or somewhere in the middle Ancestry s Red Book has information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide In short the Red Book is simply the book that no genealogist can afford not to have The availability of census records such as federal state and territorial census reports is covered in detail Unlike the federal census state and territorial census were taken at different times and different questions were asked Vital records are also discussed including when and where they were kept and how [Myers and Neighbors of Jeffries Creek, SC](#) Neil O. Myers,2007 John Myers married Ann Bruce in 1741 They had two children He married Mary in about 1764 They had two children Descendants and relatives lived mainly in South Carolina Georgia Alabama and Mississippi **To Make this Land Our Own** Arlin C. Migliazzo,2007 A case study in the social history of frontier town building set in the swamps of South Carolina On the banks of the lower Savannah River the military objectives of South Carolina officials the ambitions of Swiss entrepreneur Jean Pierre Purry and the dreams of Protestants from Switzerland France Germany Italy and England converged in a planned settlement named Purrysburg This examination of the first South Carolina township in Governor Robert Johnson s strategic plan to populate and defend the colonial backcountry offers the clearest picture to date of the settlement of the colony s Southern frontier by ethnically diverse and contractually obligated immigrants Arlin C Migliazzo contends that the story of Purrysburg Township founded in 1732 and set in the forbidding environment bounded by the Savannah River and the Coosawhatchie swamps challenges the notion that white colonists shed their ethnic distinctions to become a monolithic culture He views Purrysburg as a laboratory in which to observe ethnic phenomena in the colonial and antebellum South Separated by linguistic religious and cultural barriers the migr s adapted familiar social processes from their homelands to create a workable sense of community and identity His work is one of only a handful of examples of what has been deemed the new social history methodology as applied to a South Carolina subject Initially devastated by privation and a high mortality rate Purrysburg residents also suffered the vicissitudes of an indifferent provincial elite the encroachment of lowcountry rice planters Prevost s invasion in 1779 and ultimate destruction of the settlement by Sherman s army Migliazzo details the community s changing military and economic fortunes

the gradual displacement of its residents to neighboring communities the role of African Americans in the region the complex religious life of township settlers and the quirky contributions of Purry s climatological speculations to the fateful siting of this first township

*Trial by Jury* James Oldham,2006-06 While the right to be judged by one s peers in a court of law appears to be a hallmark of American law protected in civil cases by the Seventh Amendment to the Constitution the civil jury is actually an import from England Legal historian James Oldham assembles a mix of his signature essays and new work on the history of jury trial tracing how trial by jury was transplanted to America and preserved in the Constitution *Trial by Jury* begins with a rigorous examination of English civil jury practices in the late eighteenth century including how judges determined one s right to trial by jury and who composed the jury Oldham then considers the extensive historical use of a variety of special juries such as juries of merchants for commercial cases and juries of women for claims of pregnancy Special juries were used for centuries in both English and American law although they are now considered antithetical to the idea that American juries should be drawn from jury pools that reflect reasonable cross sections of their communities An introductory overview addresses the relevance of Anglo American legal tradition and history in understanding America s modern jury system

*Unification of a Slave State* Rachel N. Klein,2012-12-01 This book describes the turbulent transformation of South Carolina from a colony rent by sectional conflict into a state dominated by the South s most unified and politically powerful planter leadership Rachel Klein unravels the sources of conflict and growing unity showing how a deep commitment to slavery enabled leaders from both low and backcountry to define the terms of political and ideological compromise The spread of cotton into the backcountry often invoked as the reason for South Carolina s political unification actually concluded a complex struggle for power and legitimacy Beginning with the Regulator Uprising of the 1760s Klein demonstrates how backcountry leaders both gained authority among yeoman constituents and assumed a powerful role within state government By defining slavery as the natural extension of familial inequality backcountry ministers strengthened the planter class At the same time evangelical religion like the backcountry s dominant political language expressed yet contained the persisting tensions between planters and yeomen Klein weaves social political and religious history into a formidable account of planter class formation and southern frontier development

**My Reid and Harrison Families in North America from Their Arrival to Present** Larry E. Reid,2006 Jewel Corney Reid married Dolly Mae Harrison Ancestors descendants and relatives lived mainly in Scotland England Indiana Illinois North Carolina Tennessee and Missouri

**Genealogy and History of the Friday Families from Switzerland, Colonial and Southern America, 1535-2003** J. S. Friday,2003 In the mid 1730 s the Frydig s Fridig s left Switzerland Two families arrived in South Carolina in 1735 This book will document the early settlers in South Carolina and follow the Friday name to Georgia Alabama Mississippi Louisiana Arkansas Texas Oklahoma and California Introduction

**Robert Mills** John M. Bryan,2001-11 Perhaps most interesting is the range of buildings and machines that Mills designed from monuments and local courthouses

to prisons and churches bridges and canals to rotary piston engines and fireproof masonry vaults all during a revolutionary era of building technology in America      **Dunkin-Reid and Garner-McGraw-Mobley Families of South Carolina, Georgia, and Alabama** Dean Smith Cress,1992 Ancestral and related families of the author Ailcy Dora Dean Smith She was born in 1930 in Cullman County Alabama The daughter of Adolphus Smith b 1911 and Flora Gladys Moon Smith b 1913 She married Luther Allen Cress in 1948 Ancestors lived in Alabama Georgia Virginia South Caroline and elsewhere      The South Carolina Magazine of Ancestral Research ,2001      **McAlpin(e) Genealogies, 1730-1990** Doris McAlpin Russell,1990 The McAlpin family descends from the royalty of Scotland through Kenneth MacAlpin who united Celtic Scotland One of his descendants was Alexander McAlpin Sr ca 1720 s 1790 was born in Scotland and immigrated to America in the 1740s He settled in South Carolina and eventually served in the American army during the revolution After the war he settled in Wilkes County Georgia where he died in 1790 He was married two to three times and was the father of twelve children His many descendants live throughout the United States      **American Reference Books Annual** Bohdan S. Wynar,Susan C. Holte,Janet H. Littlefield,1980 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering      **Biographical Directory of the South Carolina House of Representatives: Bailey, N.L. and Cooper, E.I. 1775-1790** Walter B. Edgar,1974      **Ballentine Branches** ,1997      **Some Mullinax Roots, South Carolina to Texas** Otto B. Mullinax,1982 Immigrants named Mullinax Mulleneux Mullenex Molineux Molyneux Molyns Molines Mollinex Mullineaux and Molineu were found in America as early as 1607      **Hollingsworth Register** ,1975      **Our Monts Family** William Howard Wright,Jo Turner Wright,1990 John Casper Mantz b ca 1715 immigrated in 1752 from either Germany or Switzerland to Charleston South Carolina and was granted land on the Edisto River in Berkley above Orangeburg in Berkely County South Carolina He had married Anna Barbara Amacher who had immigrated with her father in 1736 and then returned to Europe to marry John Casper Mantz and immigrate to Charleston as part of his family There was another John Casper Mantz who immigrated to Charleston in 1752 although on another ship the author carefully details the differing genealogical data about the two Descendants and relatives lived in South Carolina Florida Mississippi Tennessee Kansas Arkansas Texas and elsewhere Includes ancestral family history and genealogical data in France Luxembourg Germany Switzerland and elsewhere to 804 A D
