The Kansas Legislature Procedures Personalities And Problems:

The Kansas Legislature: Procedures, Personalities, and Problems Marvin Andrew Harder, Carolyn Rampey, American Political Science Association. State Legislative Service Program, 1972 *The Impact of Reapportionment* Timothy G. O'Rourke, **American Legislative Leaders in the Midwest, 1911-1994** Charles F. Ritter, James Roger Sharp, Nancy Weatherly Sharp, Jon L. Wakelyn, 1997-11-25 The second of four volumes comprising a biographical dictionary of state house speakers from 1911 to 1994 this book covers speakers from Illinois Indiana Iowa Kansas Michigan Minnesota Missouri Nebraska North Dakota Ohio South Dakota and Wisconsin Entries provide basic biographical and career information on more than 1 400 speakers The book opens with an analytical introduction and includes useful statistical appendixes The four volumes covering state speakers in the West Midwest Northeast and South are designed to complement Charles R Ritter s and Jon L Wakelyn s book *American Legislative Leaders 1850 1910 1989* *Kansas Politics and Government* H. Edward Flentje, Joseph A. Aistrup, 2010-03-01 The rich history of Kansas politics continues to generate an abundant literature The state s beginning as Bleeding Kansas followed by Prohibition populism the Progressive Era and the Dust Bowl through to the present day have given local and national writers and scholars an intriguing topic for exploration While historians and biographers shed light on pieces of this history journalists focus on current political affairs in the state Rarely however are past and present connected to fully illuminate an understanding of Kansas politics and government This volume uses the prism of political cultures to interpret Kansas politics and disclose the intimate connections between the state s past and its current politics The framework of political cultures evolves from underlying political preferences for liberty order and equality and these preferences form the basis for the active political cultures of individualism hierarchy and egalitarianism This comprehensive examination of Kansas political institutions argues that Kansas politics historically and presently may best be understood as a clash of political cultures Red State Religion Robert Wuthnow, 2014-03-10 No state has voted Republican more consistently or widely or for longer than Kansas To understand red state politics Kansas is the place It is also the place to understand red state religion The Kansas Board of Education has repeatedly challenged the teaching of evolution Kansas voters overwhelmingly passed a constitutional ban on gay marriage the state is a hotbed of antiabortion protest and churches have been involved in all of these efforts Yet in 1867 suffragist Lucy Stone could plausibly proclaim that in the cause of universal suffrage Kansas leads the world How did Kansas go from being a progressive state to one of the most conservative **Government and Politics in Kansas** Robert Bartlett Harmon, 1978 **The Procedure and Problems of the Constitutional Convention** , 1920 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975 *A Comparative Analysis of the Impact of Reapportionment on Six State Legislatures* Timothy G. O'Rourke, 1977 **Political Encyclopedia of U.S. States and Regions** Donald P. Haider-Markel, Michael A. Card, 2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume

reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics **Kansas History** Homer E. Socolofsky, Virgil W. Dean, 1992-04-20 The first volume in the series State Bibliographies this book provides comprehensive coverage of secondary materials on Kansas history and also includes useful references to major archival and manuscript collections Although excellent specialized bibliographies have been published this volume is the most complete compilation of historical and related materials for the state Its broad and diverse scope ranges from standard political and economic studies to social and environmental histories to local studies and to regional studies with special significance to the state The volume is divided into sections on prehistory indigenous population early exploration territorial period statehood Kansas since 1898 agriculture economic life transportation cultural life education science and medicine social history general histories and reference guides local and county history historiography materials and historic sites Entries include informative annotations designed to aid the novice and the scholar The volume is thoroughly indexed by author and subject and includes the only existing index for all the major articles appearing over the past 125 years in the Kansas State Historical Society s major publications
