

The Kennedy restoration

Jacqueline Kennedy, wife of President John F. Kennedy, directed a very extensive and historic redecoration of the house. She enlisted the help of the Winterthur Museum to assist in collecting artifacts for the home, many of which had once been housed there. The Kennedy restoration resulted in a more authentic White House of grander stature. The first White House guide book was produced with direct supervision from Jacqueline Kennedy. Sale of the guide book helped finance the restoration.

The Kennedy Restoration T. P. O'Mahony, 1993 *Designing Camelot* James Archer Abbott, Elaine M. Abbott, Elaine M. Rice, 2021-08 *Jackie Kennedy's Restoration of the White House* Cathi Bell, 1992 **The Long Reach of the Sixties** Laura Kalman, 2017-04-05 The Warren Court of the 1950s and 1960s was the most liberal in American history Yet within a few short years new appointments redirected the Court in a more conservative direction a trend that continued for decades However even after Warren retired and the makeup of the court changed his Court cast a shadow that extends to our own era In *The Long Reach of the Sixties* Laura Kalman focuses on the late 1960s and early 1970s when Presidents Johnson and Nixon attempted to dominate the Court and alter its course Using newly released and consistently entertaining recordings of Lyndon Johnson's and Richard Nixon's telephone conversations she roots their efforts to mold the Court in their desire to protect their Presidencies The fierce ideological battles between the executive legislative and judicial branches that ensued transformed the meaning of the Warren Court in American memory Despite the fact that the Court's decisions generally reflected public opinion the surrounding debate calcified the image of the Warren Court as activist and liberal Abe Fortas's embarrassing fall and Nixon's campaign against liberal justices helped make the term activist Warren Court totemic for liberals and conservatives alike The fear of a liberal court has changed the appointment process forever Kalman argues Drawing from sources in the Ford Reagan Bush I and Clinton presidential libraries as well as the justices papers she shows how the desire to avoid another Warren Court has politicized appointments by an order of magnitude Among other things presidents now almost never nominate politicians as Supreme Court justices another response to Warren who had been the governor of California Sophisticated lively and attuned to the ironies of history *The Long Reach of the Sixties* is essential reading for all students of the modern Court and U S political history Chosen Donna Steichen, 2009 The twenty three men and women who tell their conversion stories in these pages were not drawn to the Church by sound evangelization programs beautiful buildings and liturgies or saintly witnesses among the clergy On the contrary many of them were attracted to Catholicism in spite of a now decades long stretch of deficient catechesis mediocre Masses and uninspiring leadership Christ himself led these souls to his Church concludes editor Donna Steichen who compiled this consoling collection and it is the Lord who set them to work replanting his devastated vineyard Despite their marked differences in origin education and field of service writes Steichen each one makes it clear that it is Christ who did the choosing They testify that Christ touched their hearts and intervened in their lives in unexpected sometimes even miraculous ways These conversions in the midst of the post Vatican II crisis of faith seem

particularly pure and often entertainingly improbable bearing testimony to the central truth That the Church is not a man made institution but a divine one ndash a perpetual repository of truth and grace so powerful that not even the darkness of scandal can overshadow it from the Foreword by George Neumayr editor of Catholic World Report Hearings United States. elusive mysterious and plastic in the press Pat married Richard Nixon in June of 1940 As the couple rose to prominence Pat became Second Lady from 1953 1961 and then First Lady from 1969 1974 forging her own graceful path between the protocols of the strait laced mid century and the bra burning Sixties and Seventies Pat was a highly travelled First Lady visiting eighty three countries during her tenure After a devastating earthquake in Peru in 1970 she personally flew in medical supplies and food to hard hit areas meeting one on one with victims of the tragedy The First Lady s 1972 trips with her husband to China and to Russia were critical to the detente that resulted Back in the US Pat greatly expanded upon previous preservation efforts in the White House obtaining more art and antique objects than any other First Lady In the domestic arena she was progressive on women s issues favoring the Equal Rights Amendment and backing a targeted effort to get more women into high level government jobs Pat strongly supported nominating a woman for the Supreme Court She was pro choice supporting women s reproductive rights publicly even before the landmark Roe v Wade case in 1973 When asked to define her signature First Lady agenda she defied being put into a box often saying People are my project The Mysterious Mrs Nixon Heath Hardage Lee presents readers with the essential nature of this First Lady an empathetic adventurous self made woman who wanted no power or influence but who connected warmly with both ordinary Americans and people from different cultures she encountered world wide
