The Guianas Travel Map Guyana Surinam French Guiana:

The Regional Travel Guide for the Guianas (Guyana, Suriname, French Guiana) , The Rough Guide to South America Harry Adès, 2004 The Rough Guide to South America is the definitive handbook to the continent. Features include Full colour section introducing South America's highlights. Detailed coverage and extensive practicalities for all thirteen countries along with the Galapagos Islands and Easter Island. Vivid accounts of unmissable attractions from the beaches of Rio and the glaciers of Patagonia to the Inca ruins at Machu Picchu. Hundreds of critical reviews on the best places to stay, eat and drink plus details on major festivals and indigenous music. Expert advice on exploring the jungles, deserts and mountains up close as well as crossing borders and planning multi-country trips. Maps and Plans for the entire continent.

Guide to Standard Floras of the World David G. Frodin, 2001-06-14 This 2001 book provides a selective annotated bibliography of the principal floras and related works of inventory for vascular plants. The second edition was completely updated and expanded to take into account the substantial literature of the late twentieth century and features a more fully developed review of the history of floristic documentation. The works covered are principally specialist publications such as floras, checklists, distribution atlases, systematic iconographies and enumerations or catalogues, although a relatively few more popularly oriented books are also included. The Guide is organised in ten geographical divisions with these successively divided into regions and units, each of which is prefaced with a historical review of floristic studies. In addition to the bibliography, the book includes general chapters on botanical bibliography, the history of floras and general principles and current trends, plus an appendix on bibliographic searching, a lexicon of serial abbreviations and author and geographical indexes.
