The Habits Of A Disciple:

The Habits of a Disciple Ray Bentley, 2016-04-22 Have you ever noticed that it is easier to form good habits than it is to get rid of bad habits Believers are called disciples because we are learning new disciplines or habits in our lives The more we apply these disciplines to our lives the more we can grow spiritually be used by God and replace these bad habits The Habits of a Disciple examines the disciplines of being in the Word in prayer in fellowship and of sharing your faith In a practical Scriptural and inspiring manner you can learn to walk with God step by step and discover what Jesus meant when He said Follow Me and I have come that they may have life and that they may have it more abundantly The Gospel of John God's love letter to His children is included in this book to help you get started as you grow in the knowledge and grace of God **The**

Habits of a Disciple Ray Bentley, 2001 **The Disciple's Handbook** Fr. David L. Hall, 2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ **Holy Habits: Making More Disciples** Andrew Roberts, Neil

Johnson, Tom Milton, 2018-10-11 Holy Habits is an initiative to nurture Christian discipleship It explores Luke's model of church found in Acts 2:42-47 identifies ten habits and encourages the development of a way of life formed by them These resources which include an introductory guide have been developed to help churches explore the habits in a range of contexts and live them out in whole life missional discipleship *The Barefoot Disciple* Yoël Frank, 2022-10-19 This book will make you more like a disciple and less like a consumer with your money Spending saving giving investing it's a practical playbook with ten easy to follow steps to develop five lifelong habits You'll learn how and why to LIVE SIMPLY so others can simply live while creating the financial margin you need GIVE HABITUALLY to break the grip of greed on your heart SPEND MISSIONALLY because less isn't always best once you're living simply INVEST IMPACTFULLY in ventures with a holy trinity of social spiritual and financial returns STEWARD WISELY to become a savvy servant with your living giving and investing

The 7 Habits of Jesus Robert Schmalzle, Aaron Schmalzle, 2014-12-07 This is a Start by Reading Together discipleship workbook for groups partnerships and self study Learning the process is easy by working through one chapter at a time The Seven Habits of Jesus has been used trusted and endorsed as the discipleship model and resource for training the baptized how to be disciples and how to make disciples [The Purpose Driven Church](#) Rick Warren, 2007-09-04 The issue is church health not church growth if your church is healthy growth will occur naturally So how do we make healthy churches driven by purpose In order for any church to thrive it must be built around the five New Testament purposes given to the church by Jesus Christ In this classic of Christian church stability pastor and bestselling author of The Purpose Driven Life Rick Warren unpacks this proven five part strategy that will enable your church to grow Warmer through fellowship Deeper through

discipleship Stronger through worship Broader through ministry Larger through evangelism Every church is driven by something Tradition finances programs personalities events seekers and even buildings can each be the controlling force in a church But Warren will show you how to concentrate on building people and let God build the church In other words healthy consistent growth is the result of balancing the five biblical purposes of the church And The Purpose Driven Church will show you how to do that The Purpose Driven Church has brought focus and direction to more pastors and church leaders than you can count What a gift John Ortberg bestselling author Abide! The Disciple's Lifestyle Dale Mahfood,2018-11-25 Jesus calls us to abide in Him In John 15 Jesus gives a metaphor of Him being the vine and we being the branches The idea of abide here is that we continue to receive the essential life giving nutrients we need from Him to survive spiritually While He is the one providing the nutrients we need to position ourselves to receive them The practical application of this means a radical change in our lifestyles This study will focus on the habits of a disciple that are formed by disciplining ourselves so that we can do our part in abiding in Jesus He has done His part already There is a connection between the words disciple and discipline No one is naturally a disciple First we need to have faith in Jesus John 3 16 repent Acts 3 19 and be baptized Matthew 28 19 20 Then we have to be taught to obey Jesus The Life Studies address the former This study addresses the latter developing a personal lifestyle that enables us to be obedient to Jesus and live as He lived **Deep Discipleship** J.T. English,2020-09-29 Everyone is being discipled The question is what is discipling us The majority of Christians today are being discipled by popular media flashy events and folk theology because churches have neglected their responsibility to make disciples But the church is not a secondary platform in the mission of God it is the primary platform God uses to grow people into the image of Jesus Therefore as church leaders it is our primary responsibility to establish environments and relationships where people can be trained grow and be sent as disciples There are three indispensable elements of discipleship Learning to participate in the biblical story the Bible Growing in our confession of who God is and who we are theology Regularly participating in private and corporate intentional action spiritual disciplines Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey *Connecting* Paul D. Stanley,J. Robert Clinton,2024-09-24 We are all interdependent on each other which is why connecting with others plays such an indispensable role in healthy development Having access to the wisdom experience vision and direction of others can put you years ahead of where you d be on your own Mentoring relationships can be key to effective discipleship and evangelism This book shows you how to do it effectively
