David Plowden

The Hand Of Man On America:

The Hand of Man on America David Plowden, 1971 *Weather and the Hand of Man* United States. Environmental Science Services Administration, 1967 **The Man Who Challenged America** Laurence Brady, 2013-03-08 Born in Glasgow in 1850 Thomas Lipton was one of the world's first global entrepreneurs. His showmanship, business flair, and customer-driven focus created a chain of nationwide grocery stores and the thriving Lipton tea business, making him a multi-millionaire. One key to his success was his complete control of every business he undertook, from production to the customer. A keen yachtsman, he mounted a British challenge against the American holders of the America's Cup on five occasions between 1898 and 1930 but was unsuccessful each time. Yet in the process of doing so, his fame spread around the world, and his name became a byword for sportsmanship and diplomacy. What is more, Lipton's astute association of business with a sport of international dimension established a trend that has become an accepted part of life today. Lipton exemplified the values of competitiveness, sportsmanship, perseverance, and leadership in global business. Yet until now, no biography of Lipton has brought together these strands. Published at the advent of the America's Cup in Europe in 2007, this book reassesses and re-evaluates the life of the man whose dream it was to wrestle the Cup from American hands.

The Most Famous Man in America Debby Applegate, 2007-12-18 No one predicted success for Henry Ward Beecher at his birth in 1813. The blithe, boisterous son of the last great Puritan minister, he seemed destined to be overshadowed by his brilliant siblings, especially his sister Harriet Beecher Stowe, who penned the century's bestselling book, *Uncle Tom's Cabin*. But when pushed into the ministry, the charismatic Beecher found international fame by shedding his father Lyman's Old Testament style fire and brimstone theology and instead preaching a New Testament-based gospel of unconditional love and healing, becoming one of the founding fathers of modern American Christianity. By the 1850s, his spectacular sermons at Plymouth Church in Brooklyn Heights had made him New York's number one tourist attraction, so wildly popular that the ferries from Manhattan to Brooklyn were dubbed Beecher Boats. Beecher inserted himself into nearly every important drama of the era, among them the antislavery and women's suffrage movements, the rise of the entertainment industry and tabloid press, and controversies ranging from Darwinian evolution to presidential politics. He was notorious for his irreverent humor and melodramatic gestures, such as auctioning slaves to freedom in his pulpit and shipping rifles nicknamed Beecher's Bibles to the antislavery resistance fighters in Kansas. Thinkers such as Emerson, Thoreau, Whitman, and Twain befriended and sometimes parodied him. And then it all fell apart. In 1872, Beecher was accused by feminist firebrand Victoria Woodhull of adultery with one of his most pious parishioners. Suddenly, the Gospel of Love seemed to rationalize a life of lust. The cuckolded husband brought charges of criminal conversation in a salacious trial that became the most widely covered event of the century, garnering more newspaper headlines than the entire Civil War. Beecher survived, but his reputation and his causes, from women's rights to progressive evangelicalism, suffered devastating setbacks that echo to this day. Featuring the page-turning suspense of a

novel and dramatic new historical evidence Debby Applegate has written the definitive biography of this captivating mercurial and sometimes infuriating figure In our own time when religion and politics are again colliding and adultery in high places still commands headlines Beecher s story sheds new light on the culture and conflicts of contemporary America

America's Miracle Man in Vietnam Seth Jacobs,2005-01-27 Argues that American cultural conceptions of religion and race during the 1950s played a crucial role in framing an ideology through which U S policymakers understood their options in Vietnam

America's Debt To The Black Man Clayton Cowart,2016-07-29 Today America seems to be in a real turmoil it almost looks as if everywhere you turn there is some type of conflict taking place between whites and blacks No other ethnic groups seem to have such an ongoing clash in the west but the blacks and whites America has in it several groups from all over the world Hispanics Europeans Africans etc Yet there seems to be only two groups at odds with one another regardless of what is done This can be seen in the KKK Black Panthers Nation of Islam and the Skin Heads despite the name of the hate group it all boils down to one thing Black and White Why is there such a rivalry between blacks and whites in America it goes back hundreds of years ago

America's Working Man David Halle,2014-12-10 An unusually deep and wide ranging study by a sociologist who spent years listening to and living among workers at a New Jersey chemical plant Journal of American Studies Over a period of six years during the late 1970s at factory and warehouse at the tavern across the road in their homes and union meetings on fishing trips and social outings David Halle talked and listened to workers of an automated chemical plant in New Jersey s industrial heartland white male and mostly Catholic He has emerged with an unusually comprehensive and convincingly realistic picture of blue collar life in America during this era Throughout the book Halle illustrates his analysis with excerpts of workers views on everything from strikes class consciousness politics job security and toxic chemicals to marriage betting on horses God home ownership drinking adultery the Super Bowl and life after death Halle challenges the stereotypes of the blue collar mentality and provides a detailed in depth portrait of one community of workers at a time when it was relatively affluent and secure Absorbing reading Business Week
