Comprehensive Study of the Origin of Humankind Ryanne Maxine Meyersohn, 2023-02-25 AWARD WINNING BOOK Silver Medal Readers Favorite International Book Award Contest and 5 Stars Book Reviews Literary Titan Gold Book Award and 5 Stars Book Reviews Amazon Bestseller 1 History of the Middle East and 2 Ancient Early Civilization History The Anunnaki gods from the planet Nibiru carried out a mission on Earth and the story was documented in clay tablets or Mesopotamian texts discovered in the ruins of buildings in the Middle East Scholars have proposed that some Genesis stories had already appeared in Mesopotamian texts thousands of years ago This proposal motivated us to evaluate the most relevant texts Although most scholars believe that the Mesopotamian texts are mythology the research was carried out under the premise that their content corresponds to real events Analysis of academic translations of the texts revealed

that many details critical to understanding the story have not been revealed An exhaustive analysis of the data determined the most probable dates of the events The book presents the events related to the arrival of the Anunnaki to Earth and the consequences of their mission chronologically according to findings in Mesopotamian texts and ancient books Various sources including apocryphal books reports from ancient historians scientific research and archaeological records supplemented the research Many riddles were decoded including who the Anunnaki and the Igigi watchers Nephilim were Why when and how did H sapiens originate how did the other species arise and why did they become extinct Why and when did the Anunnaki arrive and finally leave Earth When will the planet Nibiru return to our area in the inner solar system The results and findings of this research deserve to be known due to the probability that the stories in the Mesopotamian texts really happened The book s proposals differ from what we have learned in educational institutions about the origin of humanity and invite critical thinking to reflect on the history of the Anunnaki gods Enthusiastic readers of the extraterrestrial theme will find innovative proposals

Theory as World Literature Jeffrey R. Di Leo, 2024-12-26 The first collection to consider what it means for theory to be considered as a species of world literature and vice versa What does it mean for theory to be considered as a species of not just literature but world literature This volume offers a wide range of accounts of how the worlding of literature both problematizes the national categorizing of theory e g French theory and brings new meanings and challenges to the coming together of theory and literature In sum it presents theory as world literature as a viable alternative to more commonplace approaches to theory Under such an approach to theory what it means to be an African American or Asian theorist let alone a French German or Spanish one in the new millennium is as complicated or simple as what means to be African American or Asian Worlded literature is not considered here as only the world literature of nations and nationalities Rather it is also the worlded literature of individuals crossing borders mixing stories and speaking in dialect So too is it the worlded literature of the multinational corporate publishing industry wherein success in the global market is a major determinate of aesthetic and literary value Offering accounts of what it means to consider theory as world literature the authors in this pioneering collection explore the ways in which we might regard theory as connected and reconnected through global literary networks of increasing complexity and precarity By approaching theory from this perspective Theory as World Literature demonstrates how and why theory is more worldly now than ever

The Biblical World John Barton, 2019-04-25 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible It presents the fruits of years of specialist study in an accessible form and is essential reading for anyone who reads the Bible and would like to know more about how and why it came to be Written by an international collection of experts the volumes include a full overview of the full range of biblical material before going on to more detailed discussions of myth and prophecy to poetry and proverbs Explorations of the historical background are complemented by the findings of archaeology and the book explores language law administration social life and the arts as well Major figures of the Bible

including Abraham Jesus and Paul are studied in detail as are the main religious concepts it contains such as salvation and purity Also including an examination of how the Bible is viewed today this monumental work will be an invaluable resource for students academics and clergy and for all to whom the Bible is important as a religious or cultural document On Art in the Ancient Near East Volume II Irene Winter,2009-11-27 This second volume of collected essays complement to volume one focuses upon the art and culture of the third millennium B C E in ancient Mesopotamia Stress is upon the ability of free standing sculpture and public monuments not only to reflect cultural attitudes but to affect a viewing audience Using Sumerian and Akkadian texts as well as works the power of visual experience is pursued toward an understanding not only of the monuments but of their times and our own These beautifully produced volumes bring together essays written over a 35 year period creating a whole that is much more than the sum of its parts No library should be without this impressive collection J C Exum *The Genesis of Good and Evil* Mark S. Smith,2019-01-01 For centuries the Garden of Eden story has been a cornerstone for the Christian doctrine of the Fall and original sin In recent years many scholars have disputed this understanding of Genesis 3 because it has no words for sin transgression disobedience or punishment Instead it is about how the human condition came about Yet the picture is not so simple The Genesis of Good and Evil examines how the idea of the Fall developed in Jewish tradition on the eve of Christianity In the end the Garden of Eden is a rich study of humans in relation to God that leaves open many questions One such question is Does Genesis 3 4 and 6 taken together support the Christian doctrine of original sin Smiths well informed close reading of these chapters concludes that it does In this book he addresses the many mysterious matters of the Garden story and invites readers to explore questions of their own

Narrating Rape L. Juliana M. Claassens,2024-09-30 Narrating Rape presents exciting new scholarship on how to read wrestle with and respond to sexual violence and rape in and around biblical texts The fourteen essays represent global contributors and bring together respected senior scholars along with fresh emerging voices Contributors take on sexual violence in the Hebrew Bible and the New Testament as well as the ancient Near Eastern and Roman contexts that informed the production of these texts There is also a significant focus on using contemporary literature film and popular culture including reality television and music to read and interpret biblical rape stories Contributors include Alexiana Fry Meredith Warren Kirsi Cobb David Tombs Jeremy Punt and Gerald West **Gender and Law in the Hebrew Bible and the Ancient Near East** Victor H. Matthews,Bernard M. Levinson,Tikva Frymer-Kensky,2004-11-11 This striking new contribution to gender studies demonstrates the essential role of Israelite and Near East law in the historical analysis of gender The theme of these studies of Babylonian Hittite Assyrian and Israelite law is this What is the significance of gender in the formulation of ancient law and custom Feminist scholarship is enriched by these studies in family history and the status of women in antiquity At the same time conventional legal history is repositioned as new and classical texts are interpreted from the vantage point of feminist theory and social history Papers from SBL Biblical Law Section form the core of this collection
