The Head Start Mother Low Income Mothers Empowerment Through Participation:

The Head Start Mother Barbara J. Peters, 1998 Drawing on her own experience many years ago and on interviews with more recent mothers of children in the Headstart program of a community in the upper Midwest Peters explains how staff members can use the program to help parents become better at the task of parenting and enhance the parents self esteem so that can effect change in their environment and eventually move out on poverty Head Start Alice Butler, Melinda Gish, Marnie Shaul, 2004 Head Start is a federal program that has provided comprehensive early childhood development services to low income children since 1996 Services provided to preschool aged children include child development educational health nutritional social and other activities intended to prepare low income children for entering kindergarten The program is administered by the Administration for Children and Families of the Department of Health and Human Services HHS Unlike many other social service programs federal Head Start funds are provided directly to local grantees rather than through states Programs are locally designed and are administered by a network of about 1 500 public and private nonprofit agencies outlines the past present and future of this socially beneficial program The long term impact on the children aided particularly with respect to educational attainment is addressed and continues to be an area of focus and concern In addition the numerous roadblocks that exist with regard to the Head Start program are assessed and handled accordingly CONTENTS Preface Head Start Background and Funding Alice Butler and Melinda Gish Head Start Issues in the 108th Congress Alice Butler and Melinda Gish Head Start Better Data and Processes Needed to Monitor Underenrollment Marnie S Shaul Bibliography Index Exploring Education Alan R. Sadovnik, Peter Cookson, Jr., Susan Semel, Ryan Coughlan, 2017-10-10 This much anticipated fifth edition of Exploring Education offers an alternative to traditional foundations texts by combining a point of view analysis with primary source readings Pre and in service teachers will find a solid introduction to the foundations disciplines history philosophy politics and sociology of education and their application to educational issues including school organization and teaching curriculum and pedagogic practices education and inequality and school reform and improvement This edition features substantive updates including additions to the discussion of neo liberal educational policy recent debates about teacher diversity updated data and research and new selections of historical and contemporary readings At a time when foundations of education are marginalized in many teacher education programs and teacher education reform pushes scripted approaches to curriculum and instruction Exploring Education helps teachers to think critically about the what and why behind the most pressing issues in contemporary education **The War on Poverty in Mississippi** Emma J. Folwell, 2020-03-18 President Lyndon B Johnson s war on poverty instigated a ferocious backlash in Mississippi Federally funded programs the embodiment of 1960s liberalism directly clashed with Mississippi s closed society From 1965 to 1973 opposing forces transformed the state In this state level history of the war on poverty Emma J Folwell traces the attempts of white and black Mississippians to address the state s dire economic circumstances

through antipoverty programs At times the war on poverty became a powerful tool for black empowerment But more often antipoverty programs served as a potent catalyst of white resistance to black advancement After the momentous events of 1964 both black activism and white opposition to black empowerment evolved due to these federal efforts White Mississippians deployed massive resistance in part to stifle any black economic empowerment twisting antipoverty programs into tools to marginalize black political power Folwell uncovers how the grassroots war against the war on poverty laid the foundation for the fight against 1960s liberalism as Mississippi became a national model for stonewalling social change As Folwell indicates many white Mississippians hardwired elements of massive resistance into the political economic and social structure Meanwhile they abandoned the Democratic Party and honed the state's Republican Party spurred by a new conservatism
