The Heart Of A Man:

The Heart of the Man is Residence of Whom? Joseph Ngoma ,2025-10-17 A MAN BEHAVES AS HIS ENTIRE THINGS THAT DWELL IN HIM is not just a book but a revelation for all of humanity both Christians and non Christians alike This book is meant for people worldwide Inspired and powerfully guided by Joseph Ngoma it seeks to reveal why many individuals behave in strange ways often wondering why they act out or misbehave The truth is people often act according to the spiritual beings that dwell within them Today much of the misbehavior seen in people is not truly their own but rather the influence of animals snakes beasts mermaids and other creatures that possess them These beings exert control over many humans including those in churches leading to strange and unruly behavior This is why the need for deliverance is so critical Who can truly know the heart except God No one can fully understand the heart of another This book explores the hidden depths of the human heart revealing how unseen forces influence people's actions often beyond their own awareness

Discovering the Heart of a Man Ken Nair,2010-01-01 Discovering the Heart of a Man is about defeating the power of Satan and his influence over the lives of too many unsuspecting Christian men so that we might see more Christian men surrendered to God and illustrating Christ in their daily lives for their families and others to see and praise God Most men have said that this book was as helpful to them as *Discovering the Mind of a Woman* *The Heart of Man* Erich Fromm,2023-02-28 The acclaimed social psychologist and New York Times bestselling author of *The Art of Loving* discusses the nature of evil and humanity's capacity for it Originally published in 1964 *The Heart of Man* was influenced by turbulent times Average Americans were suffering from different forms of evil including a rise in juvenile delinquency On a grander scale the threat of nuclear war loomed over the nation and President John F Kennedy had been assassinated What could drive humanity to do things such as these In *The Heart of Man* renowned humanist philosopher and psychoanalyst Erich Fromm investigates man's capacity to destroy his narcissism and his incestuous fixation He expands upon ideas he presented in *Escape from Freedom* *Man for Himself* and *The Art of Loving* and examines the essence of evil as well as the choice between good and evil He also explores man's ability to destroy and further considers freedom aggression destructiveness and violence *The Heart of Man* questions human nature itself from the forms of violence that plague it to individual and social narcissism to how the positive value of love of life can potentially outweigh the destructive syndrome of decay caused by the love of death and other harmful tendencies of thought Midwest Book Review **The Heart of Man; God's Target** Alfredo Harold Geil,2009-08 *The Heart of Man* God's Target Part One is Harold's autobiography It is a captivating account beginning with the author's parents leaving Germany at the end of World War I and settling in Buenos Aires Argentina where Harold was born and raised He became fluent in three languages and at age twenty was drafted into the Argentinean Army Soon thereafter he was chosen among thousands as the interpreter for the 1952 Argentinean Equestrian Olympic Team that toured Europe for seven months After discharge from the Army Harold enjoyed working for two international German

corporations where he held several management positions but political upheaval prompted Harold to fulfill his dream to leave for the USA Part Two outlines hindrances that prevent Christians from truly enjoying God by failing to appropriate the power promises and faith of Jesus Christ Harold Alfredo Geil is a sincere man of God who spent years in the corporate world as an electrical engineer While still in Argentina he married his high school sweetheart and was blessed with two boys Later in the USA they were blessed with a daughter But shortly before retirement his wife of 28 years died Through the pain of this experience and other hardships his desire to comfort the brokenhearted increased In 1984 Harold married Jeanie who shared his vision for ministry Together they have five children twelve grandchildren and two great grandchildren Harold and his wife Jeanie have been a tangible gift of love to many In 1995 they founded Fullness of Christ Ministries Inc bringing God's healing to the brokenhearted So it should be of no surprise that a man who walks so closely with God exudes genuine fatherly love and the preciousness they both manifest extends into their marriage and to their children and families **The Heart of**
