Christians are called Called to love God with all that we are Called to serve Him Called to reach out to the lost However if we are honest the majority of us would admit that we find this last calling the most difficult While we gladly support the evangelistic ministries of others many of us feel discouraged by our own attempts at witnessing because our memorized approaches don t seem to work This biblical study of evangelism gracefully reminds us that the New Testament model of witnessing is not a one size fits all methodology With compassion for the lost filling every page Jerram Barrs shows the variety of approaches used in the New Testament where the same uncompromised Gospel was packaged as differently as the audience and calls you to follow its example You can learn to witness comfortably in your particular circumstances so that sharing Christ doesn t feel like a chore And as you watch God work in the lives of others and see the great blessings He brings you ll discover what a privilege it is to live out the heart of evangelism truly loving others to Christ
