History of the Church through the Ages Robert H. Brumback,2007-02-21 *The Supraconscience of Humanity* Eduard Hugo Strauch,2010 This book makes Strauch one of the true intellectuals in America DR Charles Herberger professor emeritus in literature

John of Damascus and Islam Peter Schadler,2017-12-05 How did Islam come to be considered a Christian heresy In this book Peter Schadler outlines the intellectual background of the Christian Near East that led John a Christian serving in the court of the caliph in Damascus to categorize Islam as a heresy Schadler shows that different uses of the term heresy persisted among Christians and then demonstrates that John s assessment of the beliefs and practices of Muslims has been mistakenly dismissed on assumptions he was highly biased The practices and beliefs John ascribes to Islam have analogues in the Islamic tradition proving that John may well represent an accurate picture of Islam as he knew it in the seventh and eighth centuries in Syria and Palestine

[The Unknown History of Jewish Women Through the Ages](#) Rachel Elijor,2023-05-22 The Unknown History of Jewish Women On Learning and Illiteracy On Slavery and Liberty is a comprehensive study on the history of Jewish women which discusses their absence from the Jewish Hebrew library of the People of the Book and interprets their social condition in relation to their imposed ignorance and exclusion from public literacy The book begins with a chapter on communal education for Jewish boys which was compulsory and free of charge for the first ten years in all traditional Jewish communities The discussion continues with the striking absence of any communal Jewish education for girls until the late nineteenth and early twentieth century and the implications of this fact for twentieth century immigration to Israel 1949 1959 The following chapters discuss the social cultural and legal contexts of this reality of female illiteracy in the Jewish community a community that placed a supreme value on male education The discussion focuses on the patriarchal order and the postulations rules norms sanctions and mythologies that in antiquity and the Middle Ages laid the religious foundations of this discriminatory reality

A History of the Inquisition of the Middle Ages Henry Charles Lea,1906

Christi-Anarchy Dave Andrews,2012-02-01 Jesus Christ preached a gospel of love and peace with justice But the history of the Christian religion is littered with every kind of evil What went wrong How have we become a generation that is seeking God but rejecting organized religion How can we rediscover the authentic message of Jesus This challenging book explores the reasons behind the atrocities committed in the name of Christ It offers the vision of Jesus as a source of radical renewal of individuals and societies Author of the acclaimed Plan Be Series Dave Andrews shows how we can be inspired by the model of Jesus compassion and his hunger for justice to work with marginal groups for real

transformation in our world **In His Name** E. Christopher Reyes,2010-05 Many devout Christians will not like this book as I have discovered that they are neither interested nor concerned with anything which challenges their long taught beliefs I did not make history but merely write on its historical significance in the events of mankind For those truth seekers who are interested in the Why regarding religious beliefs this book offers a genesis of Christian beliefs Religion is a multi million dollar a year business and world wide that figure runs into the billions Is the true nature of faith focused on mankind or merely a financial endeavor Extraordinary care has been taken to present the good and the bad as well as the ugly side of religion **Second Tolstoy** Steve Hickey,2021-11-12 Very few if any have devoted more years to practicing and teaching others to practice the precepts of Jesus s Sermon on the Mount than Leo Tolstoy He stands apart in the history of interpretation and has had enormous influence on others and other countries Yet Gandhi or others often get the glory Tolstoy is remembered as a great writer but his religious and philosophical works are by and large unknown or disparaged even in scholarly Tolstoyan circles His contribution is substantially under appreciated and misunderstood In Second Tolstoy The Sermon on the Mount as Theo tactics Steve Hickey captures the particulars and dynamics of Tolstoy s interpretation of the Sermon on the Mount from a deliberately sympathetic vantage point Underlying this project is shared belief with Tolstoy that the Sermon on the Mount is liveable and to be lived While from the vantage point of traditional orthodoxy Tolstoy got much wrong there remains a lack of appreciation for what he got right radical obedience to the teachings of Jesus A new vocabulary is proposed to more precisely capture Tolstoyan lived theology namely the political and social expressions of Tolstoyan Christianity with the hope that these theories and practices will gain a wider consideration understanding and following
