The Irish Countryman Conrad Maynadier Arensberg,1968 *The Irish countryman* Conrad Maynadiër Arensberg,1968 *The Irish Countryman; an Anthropological Study* Arensberg, Conrad Maynadier,1937 **The Irish Countryman. [An Illustrated Magazine.].** ,1946 **Dorothea Lange** Milton Meltzer,2000-02-01 Dorothea Lange s depression era photographs became mythic symbols in their time and are exhibited worldwide as standards of classic photography In this first biography of Lange Milton Meltzer documents her development as an artist and provides a moving portrayal of a life burdened with illness and the conflicting demands of family and profession *The Slow Failure* Mary E. Ireland's New Worlds Malcolm Campbell,2007-11-14 In the century between the Napoleonic Wars and the Irish Civil War more than seven million Irish men and women left their homeland to begin new lives abroad While the majority settled in the United States Irish emigrants dispersed across the globe many of them finding their way to another New World Australia Ireland s New Worlds is the first book to compare Irish immigrants in the United States and Australia In a profound challenge to the national histories that frame most accounts of the Irish diaspora Malcolm Campbell highlights the ways that economic social and cultural conditions shaped distinct experiences for Irish immigrants in each country and sometimes in different parts of the same country From differences in the level of hostility that Irish immigrants faced to the contrasting economies of the United States and Australia Campbell finds that there was much more to the experiences of Irish immigrants than their essential Irishness America s Irish for example were primarily drawn into the population of unskilled laborers congregating in cities while Australia s Irish like their fellow colonialists were more likely to engage in farming Campbell shows how local conditions intersected with immigrants Irish backgrounds and traditions to create surprisingly varied experiences in Ireland s new worlds Outstanding Book selected by the American Association of School Librarians and Best Books for Special Interests selected by the Public Library Association Well conceived and thoroughly researched This clearly written thought provoking work fulfills the considerable ambitions of comparative migration studies Choice

anthropology on the work of Irish Revivalists such as W B Yeats John M Synge and James Joyce Castle argues that anthropology enabled Irish Revivalists to confront and combat British imperialism even as these Irish writers remained ambivalently dependent on the cultural and political discourses they sought to undermine Castle shows how Irish Modernists employed textual and rhetorical strategies first developed in anthropology to translate reassemble and edit oral and folk cultural material In doing so he claims they confronted and undermined inherited notions of identity which Ireland often a site of ethnographic curiosity throughout the nineteenth century had been subject to Drawing on a wide range of post colonial theory this book should be of interest to scholars in Irish studies post colonial studies and Modernism *The Living Age* ,1912 **Littell's Living Age** ,1913 **The Fortnightly Review** ,1900 **The Fortnightly** ,1917 **The Transformation Of Ireland 1900-2000** Diarmaid Ferriter,2010-07-09 A ground breaking history of the twentieth century in Ireland written on the most ambitious scale by a brilliant young historian It is significant that it begins in 1900 and ends in 2000 most accounts have begun in 1912 or 1922 and largely ignored the end of the century Politics and political parties are examined in detail but high politics does not dominate the book which rather sets out to answer the question What was it like to grow up and live in 20th century Ireland It deals with the North in a comprehensive way focusing on the social and cultural aspects not just the obvious political and religious divisions *Ourselves Alone* Janet A.
