**Imperfections in Contemporary Irish Literature** Luz Mar González-Arias,2017-01-20 This book is about the role that the imperfect the disquieting and the dystopian are currently playing in the construction of Irish identities All the essays assess identity issues that require urgent examination problematize canonical definitions of Irishness and above all look at the ways in which the artistic output of the country has been altered by the Celtic Tiger phenomenon and its subsequent demise Recent narrative from Ireland principally published in the twenty first century and or at the end of the 1990s is dealt with extensively The authors examined include Eavan Boland Mary Rose Callaghan Peter Cunningham Emma Donoghue Anne Enright Emer Martin Lia Mills Paul Muldoon Eil an N Chuillean in Bernard O Donoghue Peter Sirr and David Wheatley

**Irish Tourism** Michael Cronin,Barbara O'Connor,2003-08-20 This book is a collection of essays that examines the social political and cultural impact of tourism on Irish society Irish Tourism deals with both the historical experience of Irish tourism and with the contemporary influence of tourism on different areas of Irish life and cultural self representation The work situates the developments in Irish tourism within the broader context of globalisation and the role of tourism in a changing international order **New Instruments of Environmental Governance?** Andrew Jordan,Rudiger K.W.

Wurzel,Anthony R. Zito,2004-11-23 The use of so called new environmental policy instruments such as eco taxes tradable permits voluntary agreements and eco labels has prompted widespread claims that these devices have replaced regulation These papers offer a fresh perspective on the evolving tool box of environmental policy Therapy Culture Frank

Furedi,2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company Sentencing Serious Sex Offenders Diarmuid Griffin,2025-04-08 Addressing a lack of high quality sentencing information in Ireland this important book explores the factors that influence judges to impose a sentence of long term imprisonment in sexual offence cases Judges have made it clear that sentences of 15 years to life imprisonment are to be reserved for offending that is truly egregious Griffin using over 100 serious sexual offence cases examines what this means in practice The book is designed to be used in the classroom and the court as well as providing a solid evidence base to inform the public and policy discourse on sentencing **Ireland Since 1939** Henry Patterson,2008-02-26 A compelling narrative of contemporary Ireland from one of its most highly respected historians The Ireland of today is a place poised between the divisiveness of deep seated conflict and the modernizing pull of material prosperity Though each state s history is strikingly divergent the mirroring ideologies

that fuel them are remarkably symbiotic With Ireland Since 1939 one of the most distinguished Irish historians working today casts a fresh and unpredictable eye to Ireland s history from World War II up through the present to show how by putting aside its North South conflict Ireland can look forward to a prosperous economic future *Independent Commissions and Contentious Issues in Post-Good Friday Agreement Northern Ireland* Dawn Walsh,2017-03-28 This book asks how independent commissions helped to overcome difficulties during the implementation phase of the Good Friday Agreement These independent groups worked to resolve issues which threatened to derail the peace process including the reform of policing the decommissioning of paramilitary weapons the monitoring of ceasefires dealing with the past conflict and the issue of human rights Each chapter provides an in depth analysis of the work of a different group finding that the commissions engaged in a broad range of activities Drawing on the lessons of Northern Ireland the book demonstrates the importance of balancing local and international involvement the inclusion of expertise and giving sufficient powers to such bodies This volume appeals to academics and researchers in a range of disciplines such as politics peace and conflict studies international relations and human rights law It is of interest to readers who are interested in the Northern Ireland peace process and those seeking to understand how third parties can assist in the implementation of peace agreements **Guns and Government** J. Darby,Roger Mac Ginty,2001-12-17 The book is part of a wider study of the management of contemporary peace processes and has a strong comparative theme It draws heavily on interviews with key players politicians and policymakers in the peace process Darby and Mac Ginty identify six key strands in the Northern Ireland peace process and assess how factors in each facilitated or obstructed political movement Chapters are devoted to political change violence and security economic factors external influences popular responses and the role of images and symbols *Rogue States* Noam Chomsky,2016-09-20 *Rogue States* is a collection of essays written by Chomsky in the late 1990s all of which subvert the United States foreign policy discourse and the notion of the rogue state turning the focus of criticism inwards and demonstrating how Western powers fail to uphold their own standards of conduct Among the topics considered are the Balkans Crisis the embargo against Cuba and US intervention in Latin America all of which provide important lessons for today from one of our most eminent and insightful teachers *The Fall of the Celtic Tiger* Donal Donovan,Antoin E. Murphy,2013-06-06 By 2000 Ireland had achieved a remarkable macroeconomic performance 10% economic growth annually a budget surplus and a very low debt to GDP ratio Emigration had disappeared and there was significant immigration from Eastern Europe Yet by November 2010 output had collapsed to an extent unprecedented among post war industrial countries the budget deficit was out of control and the debt to GDP ratio had soared to around 100% In an unprecedented development Ireland was forced to apply for an emergency bail out package from the Troika European Commission European Central Bank and the International Monetary Fund This book examines how the Celtic Tiger a high growth performing economy fell into a macroeconomic abyss It is a story that shows how the Irish economy moved from a property market crisis to a banking crisis

and fiscal crisis and how these three crises led to a fourth crisis the massive financial crisis of 2010 Against the backdrop of the newly created Eurozone the book demonstrates how a housing boom was transformed into a property market bubble through excessive credit creation Accompanying the market bubble buoyant property related taxes enabled a profligate government to over spend and under tax Few either in Ireland or Europe recognised the danger signals because the prevailing economic ideology suggested that financial markets could self regulate The book analyses the roles of banks builders developers regulators the EU the ECB the Central Bank of Ireland and the Irish Financial Regulator politicians economists the media and a property driven populace during the various stages of the downfall of the Celtic Tiger It pays particular attention to the decisions to provide a highly controversial comprehensive guarantee for the covered Irish banks in 2008 and the subsequent events that left the government with no alternative but to request the 2010 bail out Throughout the book attention is devoted to the allocation of responsibilities for the unfolding crises First who or what was responsible for what happened and in what sense Second could specific actions have been taken at various stages to prevent the final recourse to the bail out Finally the book addresses the future of the Celtic Tiger It discusses the impact of measures to help resolve the current Euro debt crisis as well as the underlying lessons to be learned from this traumatic period in Ireland s economic and financial history

**A Treatise on Northern Ireland, Volume III** Brendan O'Leary, 2019-04-04 The third volume of the definitive political history of Northern Ireland The Good Friday Agreement deserved the attention the world gave it even if it was not always accurately understood After its ratification in two referendums for the first time in history political institutions throughout the island of Ireland rested upon the freely given assent of majorities of all the peoples on the island It marked it was hoped the full political decolonization of Ireland Whether Ireland would reunify or whether Northern Ireland remain in union with Great Britain now rested on the will of the people of Ireland North and South respectively a complex mode of power sharing addressed the self determination dispute The concluding volume of Brendan O Leary s A Treatise on Northern Ireland explains the making of this settlement and the many failed initiatives that preceded it under British direct rule Long term structural and institutional changes and short term political maneuvers are given their due in this lively but comprehensive assessment The Anglo Irish Agreement is identified as the political tipping point itself partially the outcome of the hunger strikes of 1980 81 that had prevented the criminalization of republicanism Until 2016 the prudent judgment seemed to be that the Good Friday Agreement had broadly worked eventually enabling Sinn F in and the DUP to share power with intermittent attention from the sovereign governments Cultural Catholics appeared content if not in love with the Union with Great Britain But the decision to hold a referendum on the UK s membership of the European Union has collaterally damaged and destabilized the Good Friday Agreement That in turn has shaped the UK s tortured exit negotiations with the European Union In appraising these recent events and assessing possible futures readers will find O Leary s distinctive angle of vision clear sharp unsentimental and unsparing of reputations in keeping with the mastery of the

historical panoramas displayed throughout this treatise      **Men and the Classroom** Sheelagh Drudy, Maeve Martin, John O'Flynn, Mairide Woods, 2005-08-26 The teaching of young children has long been dominated by women The authors of this groundbreaking book have undertaken the largest most in depth study ever carried out on this topic in order to assess both teachers and students views      The Development of Child Protection Law and Policy Kieran Walsh, 2020-04-02 This book examines how child protection law has been shaped by the transition to late modernity and how it copes with the ever changing concept of risk The book traces the evolution of the contemporary child protection system through historical changes assessing the factors that have influenced the development of legal responses to abuse over a 130 year period It does so by focussing on the Republic of Ireland where child protection has become emblematic of wider social change The work draws on a wide range of primary and secondary sources including legislation case law and official and media reports of child protection inquiries It also utilises insights developed through an extensive examination of parliamentary debates on child protection matters These materials are assessed through the lens of critical discourse analysis to explore the relationship between law social policy and social theory as they effect child protection While the book utilises primarily Irish sources this multidisciplinary approach ensures the argument has international applicability The book will be a valuable resource for all those with an interest in the development of child protection law      **Irish University Review** , 2006 A journal of Irish studies      **JK Rowling's Harry Potter Novels** Philip Nel, 2001-09-26 Explores the themes found in the novels provides information about reviews of the novels and includes information about the life of J K Rowling      Transaction Costs and Security Institutions M. Weiss, 2011-04-12 Examines international cooperation in European security from a transaction cost economics perspective This book addresses the puzzle of how to approach differing institutional preferences It argues that the reduction and limitation of transaction costs was the primary determinant of security preferences      *Re-evaluating Irish national security policy* Michael Mulqueen, 2013-07-19 On the afternoon of September 11 2001 the Irish Prime Minister Taoiseach Bertie Ahern ordered the heads of the security services of key government departments to undertake a complete re evaluation of measures to protect the state from attack Hence underway within hours of the 9 11 outrage in the United States was potentially the most far reaching review of Irish national security in decades This book the first major academic investigation of Irish national security policy as it has operated since 9 11 provides a theoretically informed analysis of that re evaluation and the decisions which have been taken as a consequence of it up until September 2008 In so doing it draws on unprecedented access to Ireland s police security and intelligence agencies over twenty senior personnel agreed to be interviewed Theoretically the author demonstrates the utility to the analysis of national security policy of three conceptual models of historical institutionalism governmental politics and threat evaluation The text is of interest to scholars of Security Studies International Relations and Politics as well as state and NGO personnel journalists and general readers      *Eoin O'Duffy* Fearghal McGarry, 2005-09-22 Eoin O Duffy was one of the most

controversial figures of modern Irish history A leader of the Irish revolution and protégé of Michael Collins he commanded the Irish police and defence forces before emerging as Ireland's leading fascist politician in the 1930s A crusading moralist obsessed with the need to counter public immorality and a closet homosexual and alcoholic O'Duffy's remarkable life was characterised by self-aggrandisement fantasy and contradiction

The Irish Times Of The Year 1999 2000: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Irish Times Of The Year 1999 2000 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Irish Times Of The Year 1999 2000 : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
