The Irresistible American Softball:

The Irresistible American Softball Book Edward Claflin, 1978-01-01 Rooting for the Home Team Daniel A. Nathan, 2013-05-01 Rooting for the Home Team examines how various American communities create and maintain a sense of collective identity through sports Looking at large cities such as Chicago Baltimore and Los Angeles as well as small rural towns suburbs and college towns the contributors consider the idea that rooting for local athletes and home teams often symbolizes a community's preferred understanding of itself and that doing so is an expression of connectedness public pride and pleasure and personal identity Some of the wide ranging essays point out that financial interests also play a significant role in encouraging fan bases and modern media have made every seasonal sport into yearlong obsessions Celebrities show up for big games politicians throw out first pitches and taxpayers pay plenty for new stadiums and arenas The essays in Rooting for the Home Team cover a range of professional and amateur athletics including teams in basketball football baseball and even the phenomenon of no glove softball Contributors are Amy Bass Susan Cahn Mark Dyreson Michael Ezra Elliott J Gorn Christopher Lamberti Allison Lauterbach Catherine M Lewis Shelley Lucas Daniel A Nathan Michael Oriard Carlo Rotella Jaime Schultz Mike Tanier David K Wiggins and David W Zang **The Complete Book of Softball** Robert G. national identity in post 9 11 cinema repeatedly unravels across genres Taking up critical arguments about Hollywood's attempts to resolve male crisis through Orientalizing figures of terror he shows how this failure reflects an inability to effectively extinguish the threat or frightening difference of terror The heroes in these movies are unable to heal themselves or restore order often becoming as destructive as the threats they are supposed to be fighting Donnar concludes that interrelated anxieties about masculinity and nationhood continue to affect contemporary American cinema and politics By showing how persistent these cultural fears are the volume offers an important counternarrative to this supposedly unprecedented moment in American history The New Dickson Baseball Dictionary Paul Dickson,1999 Still not sure what makes a sinker different from a curve Can't remember when the M M boys played with the Yankees Want to know where the seventh inning stretch comes from Then you've done the right thing by picking up this book the most complete collection of baseball terms and slang to be found between two covers Impeccably researched The New Dickson Baseball Dictionary covers all the bases **Women in Sport** Mary L.
