The Island Of Nose:

The Island Reeves Shields, 2010-03 During World War II a Nazi submarine landed two men on a beautiful island off the coast of Georgia These two soldiers were ordered to bury money that was intended to be used by Nazi saboteurs to incapacitate a large and busy shipyard The saboteurs plot was eventually discovered and the Nazi soldiers were returned to Germany In the 1950s the same island attracts an interesting cast of characters An olive skinned beauty named Veronica and a blonde young man named Steven decide to live together in an old house that has been long abandoned yet is still habitable An escaped convict fleeing from prison authorities on a nearby island turns up as well And four young men from the local mainland camp out on the island to enjoy a pleasant getaway All of these island visitors struggle through trials and tribulations with one another and with wild and dangerous animals At the same time three German ex soldiers who know about the previously buried money arrive to claim the cash Instead they meet up with a big disappointing and unforeseen surprise Reeves Shields is inspired by great writers and great science He is a former defense industry worker who now devotes himself full time to writing Shields grew up in a small town on the coast of Georgia and now lives near Washington D C As a boy he enjoyed camping out on islands off the coast of Georgia Publisher s website <http://www.strategicpublishinggroup.com> title *The Island A Coastal Island Adventure* htm
