*The Maker's Instructions* David Pawson,2014-01-14 King Alfred is perhaps best remembered for allowing cakes to become burnt but he did something far more significant and of lasting value He used ten commandments given to the Jewish people centuries before as the foundation of English law He instinctively knew they contained the recipe for a safe and successful society The secret they all contain is respect Respect for God first for his uniqueness his nature his name his special day then respect for each other our families life itself marriage property and reputation Churches have urged members to memorise the Ten Commandments along with the Lord s Prayer and the Apostles Creed often putting all three up on the wall as summaries of the Christian faith and life as well as using them in worship But how can principles laid down so long ago and so far away be relevant to contemporary society Well as one New Testament translator J B Phillips puts it By the straight edge of God s law we find out how crooked we are Only after this discovery are we ready to consider the gospel of Jesus

*The Glass-Maker's Requiem* Alyssa Glass,2024-11-06 Venice 1487 A city of shimmering canals and shadowy secrets On the fiery island ofMurano glassblowers sculpt molten sand into breathtaking works of art But a chillingmasterpiece shatters the fragile peace A master artisan is found entombed within a glasscage of impossible artistry a fusion of ancient alchemy and exquisite craftsmanship

Isabella Bellini daughter of a renowned maestro is thrust into the heart of the mystery Forbidden by tradition from practicing the art Isabella secretly hones her skills recognizing in the killer's creations echoes of a forbidden knowledge her father concealed Driven by grief for her murdered mentor and a burning curiosity she embarks on a perilous quest to unmask the killer Whispers of a legendary formula lost to time weave through the labyrinthine alleys of Venice A formula capable of imbuing glass with extraordinary properties unbreakable strength the ability to capture light itself a secret worth killing for Caterina Fleming a historian steeped in Venetian lore becomes Isabella's confidante guiding her through a treacherous world of hidden societies and age old vendettas Among the suspects is Charles Payne a rival maestro whose skill rivals Isabella's but whose knowledge of forbidden techniques casts a long shadow Drawn together by the enigmatic glass and a shared sense of foreboding they form an uneasy alliance their investigation igniting a dangerous spark between them As more glass encased victims appear each a testament to the lost art Isabella uncovers a conspiracy far older than Murano itself reaching back to the Roman Empire and a clandestine branch of her own family ostracized for their obsession with alchemical glass The whispers intensify revealing a network of alchemists manipulating Venetian power from the shadows Could the killer be one of her own blood seeking a twisted form of vengeance With Venice teetering on the brink of a fiery catastrophe orchestrated by the killer's final masterpiece Isabella must decipher the requiem etched in glass before she becomes the next victim silenced forever within a shimmering cage of death Time is running out The alchemical fire burns brighter closer And Isabella must choose between upholding tradition and embracing the forbidden knowledge that could save Venice or destroy it

People A. J. Perry, 2014-04-21 Since the beginnings of darkest silence the people of a mythical island have spent their days tying the ancient knot that binds them to their ancestors To tie this knot they must dig a hole to dig a hole they first must have fire and to make a fire that is hot enough for hole digging this knot that they have been tying for countless generations must finally be tied From silence to mud to rope to knot to wood to words to fire the Old People will work to tie this knot under the cool shade of the island s original knotmaking tree Subversive in voice and style without mainstays of conventional fiction The Old People portrays the sights and sounds of a world that has been lost Using primary words as a metaphor for the island s seemingly limited yet infinitely diverse and self sustaining resources the book conveys the life rhythms of the Old People and their world the unique cadence that emerges from the ancient juxtaposition of silence then language then silence once again     **Revelations in Master Dominion** Olabisi Kufeji, 2007-07 I have always had many questions but no one seems able to provide me with convincing answers For example is God really the creator Is there life after death Why is there so much sorrow in the world Does God speak From finding God in 2004 I discovered he speaks and from my conversations with him as detailed in this book I am convinced God is truth his kingdom is real and he is the only one that can reveal all answers to us as the master in all dominion realms I urge you to read his answers to my questions and see if you will agree with me
