

The 12 Steps of Alcoholics Anonymous

1

We admitted we were powerless over alcohol —that our lives had become unmanageable

2

Came to believe that a Power greater than ourselves could restore us to sanity

3

Made a decision to turn our will and our lives over to the care of God as we understood Him

4

Made a searching and fearless moral inventory of ourselves

5

Admitted to God, to ourselves, and to another human being the exact nature of our wrongs

6

Were entirely ready to have God remove all these defects of character

7

Humbly asked Him to remove our shortcomings

8

Made a list of all persons we had harmed, and became willing to make amends to them all

9

Made direct amends wherever possible, except when to do so would injure them or others

10

Continued to take personal inventory and when we were wrong promptly admitted it

11

Sought through prayer and meditation to improve our conscious contact with God...

12

Having had a spiritual awakening as the result of these Steps, we tried to carry this message...

The 12 Steps are presented as a set of principles to guide former alcoholics on how to tackle the problems caused by their addiction, how to make amends, and how to continue in their new lives as recovering drinkers.

The James Club And The Original Aa Programs Absolute Essentials:

The James Club and the Original A. A. Program's Absolute Essentials Dick B., 2005-06-01 The Five Appendices of The James Club move out from the verse by verse presentation and analysis of the Book of James the Sermon on the Mount and Corinthians The first appendix explains exactly what the early A A program is like and builds on the precise report of Frank Amos to John D Rockefeller Jr in 1938 on what this seemingly miraculous program led by Dr Bob actually did And there were 7 simple principles not principles of the much discussed Oxford Group but rather principles closely resembling those of United Christian Endeavor The second appendix treats the reader to an extensive view of United Christian Endeavor and how it grew from a tiny church circle in Williston Maine to a world wide young people s movement with more than 3 5 million members The third appendix contrasts the Akron program with the later A A program which Bill Wilson fashioned in his Big Book learned primarily from Rev Samuel M Shoemaker Jr and based on the life changing practices of the Oxford Group which Shoemaker promoted as a chief lieutenant of Frank Buchman in America The fourth appendix gives the reader a look at the Book of James itself the estimated date the probable author the descriptions of James as the Lord s brother and the canonical status of James The final appendix turns to Yahweh our Creator It shows that Yahweh is His personal name that the name is used over 7000 times in the Old Testament and that an understanding of Yahweh as the Creator and as the God of Abraham Isaac and Jacob would quickly dispel the any god and not god myths that dominate recovery writings meetings and programs today

The James Club and the Original A. A. Programs Absolute Essentials Dick B., 2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said

contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World *Stick with the Winners!* Dick B, Ken B., 2012-07-27 Ever heard You can t talk about Jesus or the Bible at an A A meeting Want to establish or modify an A A meeting or a Christian Recovery meeting so that it can include information on the roles played by God His Son Jesus Christ and the Bible in early A A s astonishing successes *Stick with the Winners* by Dick B and Ken B may be just what you need to carry the message more effectively *Henrietta B. Dr. Bob of Alcoholics Anonymous Dick B., Ken B., 2008 A A Co founder Dr Bob stated he had had excellent training in the Bible as a youngster in St Johnsbury Vermont This title is a guide to that training and to the multi volume resource compendium that describes the major influences on his training They include the Town of St Johnsbury the Congregational Churches his own church the North Congregational Church Sunday School Christian Endeavor Society the enormous impact of the Fairbanks family on the community and church and educational system Dr Bob's own deep family involvement in the church and town activities the St Johnsbury Academy the town library Athenaeum and Fairbanks Museum the YMCA and the Great Awakening of 1875 that brought revivals Gospel meetings conversions prayer and Bible study to the fore

The Conversion Of Bill W. Dick B., 2006 This is a book unlike any of the many recent biographies of A A co founder William Griffith Wilson known as Bill W It is filled with information about Bill's religious education experiences and beliefs from childhood forward Thus Bill's knowledge of his grandfather Willie's conversion on Mount Aeolus and deliverance from alcoholism the involvement of Bill's grandparents the Wilsons and the Griffiths in the life of the little East Congregational Church on the lawn between the two families houses the reading of the Bible by Bill's grandfather Fayette Griffith and by Bill and his boyhood friend Mark Bill's attendance at the Congregational Sunday School and his attendance at Temperance of revival meetings his five yes five self described spiritual experiences including his decision for Christ at Calvary Rescue Mission and his hot flash conversion experience at Towns Hospital his conversations with his famous doctor William D Silkworth about the Great Physician Jesus Christ and cure of alcoholism through Christ Bill's extensive involvement with the Oxford Group and particularly Rev Sam Shoemaker and Bill's intensive involvement in prayer Bible study the use of devotionals and seeking of guidance with Dr Bob and Anne Smith at the Smith Home in Akron particularly in the summer of 1935 All these and more are told in this exciting and little known story about Wilson and God Was Bill converted to Christ Did Bill believe in the Creator Did the Creator have an impact on Alcoholics Anonymous through Bill Wilson Did the Hand of the Creator touch the lives of Wilson and of the A A Fellowship Your most detailed questions and the answers about these subject have never been addressed by A A historians in any depth But A A historian and writer Bible student retired attorney and recovered AA Dick B presents this his thirtieth published title as a crowning historical piece on A A church religion God Jesus Christ and the Bible as they really existed at and before the founding of Alcoholics Anonymous on June 10 1935

Twelve Steps for You Dick B., 2005 The much awaited work of A A Historian Dick B on the origins of each of the Twelve Steps First and foremost a history of each step How each of A A's co founders contributed to each of the Steps It looks at the original Akron A A program which had no Steps and took its basic ideas from the Bible and its principles and practices primarily from the United Christian Endeavor Movement of Dr Bob's youth Then source by source it looks at each Step as it was impacted upon by a particular contributor The Bible Oxford

Group Rev Sam Shoemaker Dr Bob's wife Anne Smith the so called Six Steps then the other sources This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way It is also a guide A guide to understanding and a guide to taking each Step It also shows you how to take the Steps exactly as directed in A A's Big Book It suggests how you might look at each Step in terms of the contributions to that Step's language and meaning by each of its sources Finally it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step's biblical and historical roots with the Big Book Bible and history at hand When you are through you will have a perspective of the real spiritual utility of the Twelve Steps in a believer's world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps For example God as we understood Him historically and biblically means Almighty God the Creator as He is understood by the newcomer at the time of taking Steps 3 and 11 So too powerless in Step 1 is presented in its historical context I was licked rather than in some puzzling linguistic context seldom understood or unraveled You'll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before

Why Early A.A. Succeeded Dick B., 2001 Early AAs founded their pioneer program on basic ideas from the Bible What did they study What did they learn How did they approach the possible biblical subjects There are historical answers and this book provides them More important how can someone in A A or a 12 Step program study the Bible in the way the pioneers did and achieve the same 75% to 93% documented success rates among seemingly hopeless medically incurable alcoholics who went to any lengths to establish their relationship and fellowship with God This book shows you how to do it today
