**Gerald L. Curtis**

## **The Japanese Way Of Politics:**

*Politics, the Japanese Way* Jon Woronoff, 1988      *The Japanese Way of Politics* Gerald L. Curtis, 1988 Yasuhiro Nakasone

**The Logic of Japanese Politics** Gerald L. Curtis, 2000-11-05 Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene today Curtis has personally known most of the key players in Japanese politics for more than thirty years and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics By relating the behavior of Japanese political leaders to the institutions within which they must operate Curtis makes sense out of what others have regarded as enigmatic or illogical He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan apart Curtis rejects the notion that cultural distinctiveness and consensus are the defining elements of Japan's political decision making emphasizing instead the competition among and the profound influence of individuals operating within particular institutional contexts on the development of Japan's politics The discussions featured here as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s draw on extensive conversations with virtually all of the decade's political leaders and focus on the interactions among specific politicians as they struggle for political power The Logic of Japanese Politics covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters revolt of the 1998 upper house election the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso the floating nonparty voter Scrutinizing and interpreting a complex and changing political system this multi layered chronicle reveals the dynamics of democracy at work Japanese style In the process The Logic of Japanese Politics not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to surmount its present problems and helps readers gain insight into Japan's future      *Introduction to Japanese Politics* Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems

Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea. A concluding section considers dynamics of change in Japanese politics.

*The Politics of Defense in Japan* Joseph P. Keddell, 1993 Examines how the Japanese government used a series of incremental measures in three different periods to manage conflicting international and domestic pressure over defense issues in the context of the country's military dependence on the US since World War II. Details the influence and origins of such constraints as the one percent of GNP ceiling of defense spending, various international treaties, and the strong public opinion against the military, and concludes that domestic political tranquility is more important to the government than military parity with other countries. Annotation copyright by Book News Inc. Portland, OR.

*The Politics of Japanese Defense* Joseph P. Keddell, 2016-09-16 The ruling Liberal Democratic Party of Japan uses incremental changes to manage conflicting pressures over defence. This work focuses on the establishment of defence policy constraints through 1992. It discusses the various implications of using defence policy as a means of conflict management.

**Japan's Postwar Party Politics** Masaru Kohno, 2020-11-10 In this sophisticated theoretical work Masaru Kohno presents a systematic reexamination of the evolution of party politics in Japan since the end of the second World War. Because of the long one-party dominance by the Liberal Democratic Party, Japan's parliamentary democracy has often been viewed as unique in the developed world, and most of the existing studies of Japanese party politics have addressed such determinants as its political culture, historical background, and socio-ideological cleavages. According to the author, these explanations do not adequately account for some of the most important changes that took place in Japanese party politics during the postwar period. This study advances an alternative set of interpretations based on a microanalytic approach that highlights the incentive and bargaining power of individual political actors and their competitive and strategic behavior under existing institutional constraints. According to Kohno, the evolution of political life in postwar Japan depends on the same factors that are acknowledged to be at work in other industrialized nations. He reveals, through detailed case studies of government formation processes and statistical examinations of candidate nomination patterns, that the microanalytic approach can establish forward-looking and internally consistent interpretations of the postwar development of Japanese party politics. Because Japan has usually been treated as a country of unique cultural, historical, and societal characteristics, the analyses of this study point to the broader applicability of the microanalytic approach in the field of comparative politics, especially for the exploration of party competition in advanced industrial democracies.

**The ^AOxford Handbook of Japanese Politics** Robert J. Pekkanen, Saadia Pekkanen, 2021-10-11 Through more than 40 chapters by leading specialists, the Oxford Handbook of Japanese Politics examines major aspects of both domestic politics and international relations. In addition to providing a broad overview of contemporary Japanese politics, the chapters are united by a shared question: what is the nature and quality of Japanese democracy? Contributors consider this matter alongside their individual subjects, which together comprehensively address the

central research topics of the field      **Japan's Budget Politics** Takaaki Suzuki,2000 What is the source of the increasing politicization of Japan's budgetary policy In this text Takaaki Suzuki explores this question finding answers in the interplay of domestic and international politics from the early 1970s through the 1990s      *Party Politics in Japan* Ronald J. Hrebienar,Akira Nakamura,2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan's government has been closely associated with the strengths and weaknesses of Japan's prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 *Party Politics in Japan* provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly      Japanese Electoral Politics Steven Reed,2004-03-01 The old Japanese single party system collapsed in 1993 but a new system has not yet fully evolved Following the most significant party reform in Japanese history this book analyses the most recent national elections examining voter behaviour and how it is influenced It provides a comprehensive overview of Japanese politics from 1955 to 1993 and a detailed historical study of events leading up to the 1996 and 2000 elections before presenting statistical analysis of the elections themselves The authors then look to the future anticipating what form the new political system will take *Japanese Electoral Politics* contains four very detailed case studies and a wealth of new data It will appeal to students and researchers of Japanese politics and elections and electoral systems

**Japanese Politics and Government** Alisa Gaunder,2023-02-27 The revised 2nd edition of this successful textbook explores Japanese politics in the postwar era from theoretical and comparative perspectives After providing historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the policymaking process and the politics of economic growth and stagnation By delving into Japan's international relations the book sheds light on Japan's

security and foreign policies and Japan's role in Asia The textbook concludes by addressing what has changed since party alternation in 2009 the triple disaster in March 2011 and the global Covid pandemic Themes and questions addressed throughout the text include How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan's successful democratization In the international realm why has Japan achieved economic superpower status without achieving political superpower status What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan's history institutions policymaking process and international relations to experiences and structures in other countries this book is essential reading for students of Japanese or Asian Politics

Routledge Handbook of Japanese Politics Alisa Gaunder, 2011-02-25 The Routledge Handbook of Japanese Politics is an advanced level reference guide which surveys the current state of Japanese politics featuring both traditional topics and cutting edge research The volume is divided into five sections covering domestic politics civil society social policy political economy and international relations security The first four sections begin with an overview chapter that provides historical background information on the section's overarching topic The chapters that follow explore more specific topics in the sub area In the final section historical background information is contained in the individual chapters which cover the diverse areas of international political economy security and foreign policy Offering a complete overview of the full spectrum of Japanese politics the Handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying this ever evolving field

Contemporary Japanese Politics Tomohito Shinoda, 2013-08-27 Tomohito Shinoda tracks slow yet steady changes in the operation of and tensions between Japan's political parties and the public's behavior in Japanese elections as well as in the government's ability to coordinate diverse policy preferences and respond to political crises

**Consumer Politics in Postwar Japan** Patricia L. Maclachlan, 2001-12-26 Providing comparisons to the United States and Britain this book examines Japan's postwar consumer protection movement Organized largely by and for housewives and spurred by major cases of price gouging and product contamination the movement led to the passage of basic consumer protection legislation in 1968 Although much of the story concerns the famous iron triangle of big business national bureaucrats and conservative party politics Maclachlan takes a broader perspective She points to the importance of activity at the local level the role of minority parties the limited utility of the courts and the place of lawyers and academics in providing access to power These mild social strategies have resulted in a significant amount of consumer protection

Dictionary of the Modern Politics of Japan Prof J A A Stockwin, J. A. A. Stockwin, 2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system

*Health Insurance Politics in Japan* Takakazu Yamagishi, 2022-05-15 Japan is the fastest aging country with the largest super aged society in the world and growing larger by the day yet its universal health care costs are

relatively low In Health Insurance Politics in Japan Takakazu Yamagishi draws back the curtain for an international audience and investigates how Japan has been able to control health care costs through health insurance politics Covering the period from the Meiji Restoration to the Abe Administration Yamagishi uses a historical institutionalist approach to examine the driving force behind the development of health insurance policies in Japan Yamagishi pays special attention to the roles of government and medical professionals the main actors of the policymaking and medical worlds in this development Health Insurance Politics in Japan pushes Japan into the spotlight of the international conversation about health care reform

**Politics of the Japanese Way** Woronoff,1990-11-01      **Japanese Diplomacy** H. D. P. Envall,2015-02-17 A political leader is most often a nation s most high profile foreign policy figure its chief diplomat But how do individual leadership styles personalities perceptions or beliefs shape diplomacy In Japanese Diplomacy the question of what role leadership plays in diplomacy is applied to Japan a country where the individual is often viewed as being at the mercy of the group and where prime ministers have been largely thought of as reactive and weak In challenging earlier simplified ideas of Japanese political leadership H D P Envall argues that Japan s leaders from early Cold War figures such as Yoshida Shigeru to the charismatic and innovative Koizumi Jun ichir to the present leadership of Abe Shinz have pursued leadership strategies of varying coherence and rationality often independent of their political environment He also finds that different Japanese leaders have shaped Japanese diplomacy in some important and underappreciated ways In certain environments individual difference has played a significant role in determining Japan s diplomacy both in terms of the country s strategic identity and summit diplomacy What emerges from Japanese Diplomacy therefore is a more nuanced overall picture of Japanese leadership in foreign affairs      **The Oxford Handbook of Japanese Politics** Robert Pekkanen,Saadia M. Pekkanen,2021-10-25 Book

Abstract and Keywords The study of Japanese politics has flourished over the past several decades This Handbook provides a state of the field overview for students and researchers of Japanese The volume also serves to introduce Japanese politics to readers less familiar with Japan In addition the volume has a theme of evaluating Japan s democracy Taken as a whole the volume provides a positive evaluation of the state of Japan s democracy The volume is divided into two parts roughly corresponding to domestic Japanese politics and Japan s international politics Within the domestic politics part there are four distinct sections Domestic Political Actors and Institutions covering the Japanese Constitution electoral systems prime minister Diet bureaucracy judiciary and local government Political Parties and Coalitions covering the Liberal Democratic Party coalition government K meit and the political opposition Policymaking and the Public covering the policymaking process public opinion civil society and populism and Political Economy and Social Policy covering industrial energy social welfare agricultural monetary and immigration policies as well as social inequality In the international relations part there are four sections International Relations Frameworks covering grand strategy international organizations and international status International Political Economy covering trade finance foreign direct investment the environment economic

## **The Japanese Way Of Politics Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Japanese Way Of Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Japanese Way Of Politics has opened up a world of possibilities. Downloading The Japanese Way Of Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Japanese Way Of Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Japanese Way Of Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Japanese Way Of Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Japanese Way Of Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Japanese Way Of Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

## **FAQs About The Japanese Way Of Politics Books**

1. Where can I buy The Japanese Way Of Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
